

CAMBOURNE CRIER

AUGUST 2010

Sizzling Saturday for Cambourne Youth Fest 2010!

Undaunted by temperatures of 30°C, hundreds of local people turned out in force on July 10th to enjoy the third Cambourne Youth Fest. With live music from youth bands, dancing, sports and other activities, there was something to suit all tastes, and this is what makes the Fest so popular.

"On what turned out to be

Year, our
the

one of the hottest days of the free bottles of water became the star of show!" explains David McEwan Cox, Chairman of the Cambourne Youth Partnership.

"This event is getting bigger and better each year. Luckily, we had more volunteers to help, which made it a bit easier! As a lot of the activities are free, we had lots of people down, Enjoying themselves. There was Something for all ages."

"With no alcohol allowed at the event, the atmosphere was really chilled - everyone felt safe and relaxed." The Extreme Globeriders were again one of the most popular displays - although sadly this will be their last Youth Fest as they are returning to their home country of Finland this year. We wanted to thank our sponsors for all their support, and as we are now starting to plan next years Youth Fest for July 9th 2011 we will be on the hunt for sponsors again - and volunteers to help out

SAVE CAMBOURNE LIBRARY!

The Crier has received a letter from a concerned resident regarding a potential threat to our library. We are pleased to reproduce it below.

"..The County Council are threatening to withdraw Cambourne Library from Council control, relying on volunteers to maintain the service. I feel strongly that we need to keep our library as it stands for the following reasons.

Cambourne is a new library, and a great deal of money has been invested in it. Cambourne has 2 residential homes, and the highest birth rate in the world. It is therefore essential that our elderly and young people have easy access to a library.

Neither is the library simply a point for collecting books. Many local people use the library for photocopying, and the large number of small businesses based in Cambourne often rely on the library to send faxes. The friendly library staff also provide valuable information, suggestions for books, and advice, as well as organising books for 10 reading groups - yes 10! There is no way volunteers could provide all this, let alone additional services such as 'Engage' activities.

Above all, Cambourne is a growing community. Eight miles from St Neots and ten from Cambridge, Cambourne is the place where people from surrounding villages come to shop, and a large number of residents of local, and not so local, villages already belong to the library. Building of the next phase of the High Street is already being planned. It makes complete sense to have a Council run library, easily accessible for residents in the south west of Cambridgeshire, a library in a growing community which does not involve driving into a town centre, which many would have to do without Cambourne.

If you agree, then PLEASE make an effort to pop into the Library in the next two weeks and sign the petition to keep our Library. The more signatures we get, the more chance we stand of keeping our library, not just in the short term, but in the longer term too.."

Wildlife Review August 2010

What a contrast to the cold winter we had, the temperatures are soaring and we have hardly had a drop of rain for several months.

The grass is turning brown and the ponds are drying out. This is when we notice which plants and animals are well adapted to cope with warm weather and may survive better in the future with climate change.

The pond water level in the wildlife garden at the Manor House is getting very low, as those who came to visit us during Cambourne Open Gardens will have seen. We have not put any tap water in the pond for five years now, just rain water from our six water butts. Tap water contains many chemicals and nutrients that can lead to algal blooms and cloudy water. I am very reluctant to start filling it from the tap now as the water is crystal clear. So instead I have been filling up the water butts from the tap, leaving them open for about a week to let the chemicals evaporate and then running the water in through the bog garden, which will filter out many of the nutrients. I can't keep up with evaporation this way though, but the pond is quite deep in the middle and has plenty of oxygenating plants in it, so the inhabitants are still perfectly happy. How is wildlife coping in your gardens?

We have spotted several great crested newt larvae in our pond for the first time. Visit my blog at www.CambourneWeb.com for more about these little monsters.

Please help us to look after the green spaces over the summer holidays, by reporting any problems you see to the right people. Remember these numbers: Police non-emergency for antisocial or dangerous behaviour: 0345 456 456 4 RSPCA for injured wildlife: 0300 1234 999

Events

Cambourne will be taking part in European Bat Night again this year with a guided evening walk on Saturday 28th August, revealing the nightlife of our local bats. Local volunteers will demonstrate methods for surveying for bats and identifying them using ultrasound detectors. The Wildlife Trust will also be liaising with other the organisers of bat events across Europe, comparing the data on bats gathered on the night. So why not join staff and volunteers for an illuminating evening's experience searching for bats on their night-time hunting trips, learn more about their world and see some of the latest bat detection equipment in action?

The walk starts at 8.15pm and lasts approximately 1½ hours. Price £3 per person. To book your place phone 01954 713519, or email ecologygroups@wildlifebcnp.org

Wildlife Training Workshops

For those people interested in anything small and furry, there is a Small Mammals workshop taking place at Ramsey Heights on Saturday 30 and Sunday 31 October with Peter Pilbeam from the Cambridgeshire Mammal Group. This will cover capture and identification of small mammals, trapping methodology, other methods of studying small mammals (e.g. owl pellet analysis) and small mammal surveying.

For full details on the 2010 Training Workshops Programme, please visit our website www.wildlifebcnp.org, or telephone Juliette Butler, Wildlife Training Workshops Officer on 01604 405285 or e-mail trainingworkshops@wildlifebcnp.org

Hairy Potter The Garden Wizard

If you would like to ask Hairy Potter a garden related question,
please email editorial@cambourne.info

So the nights are drawing in and there is a little chill in the air again. We just seem to have got everything going in the garden and I am pointing you towards Autumn! On the positive side the weather should still be summery, even if there will be a distinctive shorter feel to the days towards the end of the month. We have to face it, we are creeping up to autumn but fear not though as bedding plants will still have a few weeks to go with their flowering. As it is holiday season make sure that you make time to keep enjoying the garden.

Top 10 jobs

1. Prune Wisteria by reducing this year's growth to just five or six buds
2. Keep Deadheading flowering plants
3. Keep Watering!
4. Collect seed from you favourite plants as they mature
5. Keep ponds and water features topped up
6. Feed soil & plants especially those in containers
7. Take cuttings of shrubs for rooting over winter
8. Continue to mow grass raising the height of the cut in dry weather
9. Clip your hedge.
10. Prune summer flowing shrubs like Philadelphus as soon blooms have faded.

Now if you have been keeping on top of them, weeds should not be too much of a problem. It won't take much for them to get the better of you though so keep digging them over where needed. The very dry weather we have had this year means plants will be showing signs of stress very quickly. Keep them well watered. If your lawn is looking a little brown don't despair as the rains will soon come.

It is the time for holidays and there are a few things you can do to prevent your plants suffering while you are away. Those most at risk will be in your pots and baskets so move them to a shady place. You could also install an automatic watering system but a neighbour is a fraction of the cost and you can always repay the favour!

In the Vegetable Garden

For fruit it is the time to pot up rooted strawberry runners and prune summer varieties of raspberries down to ground level. Concentrate your watering efforts to plants that are either in flower, fruit or look like an onion. If you haven't planted anything this year then there is still time to sow salad crops for September harvest. Earth up brussel sprouts to give them support and main crop potatoes to increase their yield. Finally pinch out side shoots on tomatoes and feed every week.

September next... how many days until Christmas?

CAMBOURNE WI

August meeting

The next meeting will take place on Thursday August 12th at 7.30pm in the Hub when John Gaul will be giving a talk on "The History of Emmaus, the charity for the homeless". This will be followed by refreshments and a chance to socialise and sign up for outings etc. Visitors are very welcome to come along before deciding if they would like to join.

Engage at the library

On August 4th at 2.00pm Julie Galliard of the WI will be talking about the WI Women reaching Women Campaign.

July meeting

Clare Marsh told us about "the Welcome Home from Hospital Scheme" which was set up by Care Network. Volunteers visit people, just released from hospital, usually living on their own with no family nearby and perform useful functions like shopping and collecting prescriptions or just have a cup of tea and a chat. They are always on the look-out for volunteers and at present they do not have any from Cambourne. Anyone interested can contact them at POBox195 at Addenbrooke's hospital or phone (01223) 714433

Annual Outing

We had a very enjoyable outing to the Manor at Hemingford Grey. Parts of it are nearly 900 years old and is one of the oldest inhabited buildings in the country. It was the home of Lucy Boston who wrote the Greenknowe stories based on her life there and we were shown around by her daughter-in-law. She also showed us the beautiful patchwork quilts that Lucy Boston had sewn. The rain stayed off and allowed us to look around the lovely gardens before rounding off the morning with a convivial lunch at "the Cock".

Papworth Meeting

6 members joined the Papworth group and other visiting WI members to listen to a talk by Lady Mary Archer about Rupert Brooke and his stay at the Old Vicarage at Grantchester. This is now her house and she gave a fascinating account of his time there and of the history of this lovely house set in beautiful gardens.

Walking Group

The next walk will be on August 6th to Paxton Pits. Non-members are very welcome. For details please contact Fran on 710858

Book Club

The book club meets every 6 weeks or so on a Wednesday evening at the Monkfield Arms. The current book is "The Luminous life of Lily Aphrodite" and is supplied by the library. Non-members are very welcome. For further details please contact Ruth on 718989

Coffee mornings

The coffee mornings at Green's have been well-attended and very enjoyable and another one is taking place at the end of July.

The Vine Inter-Church Primary School

What a way to end a school year - in the middle of the end of year flurry including a Y5/6 production of 'Cinderella Rockerfella', Bikeability training, a visit from Wood Green Animal Shelter, 60 Japanese students, singing at the Youth Fest and the excitement of a Tudor Market created by Y3/4 we found the time (and energy!) to welcome an Ofsted inspection team! However, contrary to what people may think, we were delighted to welcome them to The Vine. Their last visit was in January 2007 and we were all curious about how the inspectors would view our growth and change since then.

After an inspection involving three inspectors who spent a rigorous two days watching and talking and asking numerous questions of parents, staff, pupils and governors we were all on tenterhooks to hear their judgements and to read what was in their report. You can imagine the delight when we heard that we are officially judged to be a 'good school with a number of outstanding features.' There are many really pleasing comments such as the positive attitudes of the pupils towards their learning and the outstanding contribution pupils make to the community.

Our warmest thanks to everyone in the Cambourne community who has offered their support to The Vine over the past 5 years, it's been quite an adventure!

If you would like to read the Ofsted inspection report for yourself then you can find it on our website www.thevine.cambs.sch.uk

If you would like to find out more about our school then please do not hesitate to contact Headteacher Debbie Higham on 01954 719630

Monkfield Park Primary School

It has been a hot but exciting term for Year 6 and with so many activities still taking place we find it hard to believe that the end of another school year is approaching.

SATs week, which happened in May, now seems a very distant memory as so many wonderful events have taken place since. Everyone was delighted to leave revision behind and pack their bags at the beginning of June for our week long residential to PGL's wonderful centre at Caythorpe Court in Lincolnshire. Despite the rain children and staff faced every new challenge with great enthusiasm jumping off, climbing over, crawling under and swinging across any obstacle that came their way. The return to Cambourne was equally exciting when the coach blew a tyre on the A1, but with true resourcefulness the children spent a happy hour in a field. We returned safe, if a little muddy and smelly, to Cambourne ready for a bath and eager to tell anyone who would listen what a fantastic week we had.

Before we could catch our breath we were rehearsing for Monkfield Park's very own musical version of Wind in the Willows. In this adaptation of Kenneth Graham's much loved classic Mole was forced from his house by the dirt detectives Kim and Aggie, following a disagreement with Mary Poppins, narrowly missed becoming the main ingredient in Hugh Fearnley Whittingstall's latest recipe and Toad was imprisoned for stealing the 'Reasonably Priced Car' from the Top Gear Studio! On the night the children were word perfect, the singing fantastic and everyone laughed at the superb performances and terrible jokes.

Whilst all this has been going on the school football teams have continued to play with great dedication and energy and we are pleased to say that they have been rewarded for their hard work winning the Soccer All Stars Cup and League, the Histon and Impington Football Tournament and being the runners up in the

Shelford Heating Cup. We are very proud of all the boys who have played so well this year and would like to thank them for giving us some wonderful trophies to display on our new trophy shelves in the front entrance.

Last week The Leaver's Assembly, which was a suitably emotional and thought provoking occasion, took place. Parents/carers joined staff and pupils in the Main Hall to wish Year 6 a fond farewell. Each Year 6 pupil received a gift of a combined Dictionary and Thesaurus as a memento of their time at Monkfield Park and to remind them in years to come of their primary school. However, the hall was transformed that evening as Pac Man and Rubiks Cube reigned supreme once again at the 1980s themed 'Leavers' Party'. Never had so much day-glo clothing and so many leg warmers gathered together in one place since the 1980's. After photographs on the red carpet guests boogied the night away and feasted on innumerable 1980's treats such as Arctic Roll and Cola Cubes!

So as we write classrooms are being emptied, cupboards cleaned and everyone is waiting for the summer holiday to arrive. Year 6 are caught as they always are with part of them being desperate to move on but part of them wondering what the future will hold. Whatever the future does hold we wish them all the very best as they move to their new schools and know that they will be an asset to their new classes.

If you have recently moved into the village and have a child due to start school, could you please make contact with the school Finance and Office Manager: Mrs. J. Durrant on 01954 273 377.

We look forward to hearing from you.
From Year 6

Monkfield Park Care & Learning Centre

We have had a busy end to the term with our oldest children visiting their new schools, and their new teachers visiting the Care and Learning Centre. We wish them all good luck for September and look forward to welcoming the new families who will be joining us.

During the summer term the children used the World Cup as inspiration to learn about other countries, their flags, foods and customs. The pre-school children watched the opening ceremony on television, and the Out of School club children followed the progress of the teams throughout the tournament.

Our Deputy Manager, Mrs Bamford, took part in the Race For Life at 11.00am on 4 July, which was held on Parkers Piece in Cambridge. She completed a 5k course raising money for Cancer Research UK. She has raised in the region of £150-00 and thanks everyone who sponsored her.

On the afternoon of Tuesday 6 July and the morning of Wednesday 7 July, the pre-school children completed the Barnardo's Big Toddle, raising funds for both Barnardo's and The Care and Learning Centre. At the time of writing, the sponsorship money is still coming in, so no figure for monies raised is available yet. Thank you to everyone who supported this event.

The pre-school closed for the summer holiday at 3.00pm on Wednesday 21 July and will re-open for the autumn term at 9.00am on Friday 3 September 2010. If you are interested in a place for your child at the pre-school, After School Club and/or Breakfast Club, please contact the Care and Learning Centre.

The Care and Learning Centre Holiday Club is running during the school holidays. We open from 8.00am to 6.00pm and parents/carers can book by the hour to suit their needs. Unless your child is already registered with us, a registration fee of £30-00 will be payable. The Summer Holiday Club will be open on weekdays from Thursday 22 July up to and including Thursday 2 September 2010, closing for the week commencing 23 August and August Bank Holiday Monday. We offer a range of activities including cooking, dance and karaoke, arts and crafts, science activities, music, stories, songs and rhymes. Outdoor activities such as team games, bats and balls, sports and water fun are also offered.

Cambourne Pre-School

Summer Fun – By the time this Crier goes to print it will be the summer holidays for all the Pre-School children. We have had a very busy and fun filled term with events such as making Father's Day cards, the summer trip to Hamerton Zoo, a visit from the photographer and our Leaver's party.

During the lovely summer weather we often had the climbing frame out in the garden, which the children love. This encourages turn taking and they know that only 4 children are allowed on the climbing frame at once. We use a sand timer, when the sand has gone through completely the children know it is time to change over.

Indoors the staff have been creative with the playdough trying out a variety of flavours & smells to make it more interesting for the children. The staff ask the children if they can guess what the play dough smells of. This encourages the children to talk about it, which extends their vocabulary.

Pre-School Committee – Although the Pre-School is of course staffed by childcare professionals, it is run by a volunteer Committee of parents and residents for the families in this community. With the end of a school year and over half of the children moving on to primary school, many of the current Committee are also moving on. We have had some new volunteers but need to recruit more, particularly anyone interested in fundraising. If you feel that you could offer some time and enthusiasm to the Committee, please contact the Pre-School. We will require an enhanced CRB check to be carried out.

Carers and Tots

Carers and Tots raised £60 for Barnardos. Adults and children met on Thursday 15th July for a fundraising end of term party with games and nibbles and a charity 'toddle'. Carers and Tots meet on Thursdays during term time in the Hub from 9.30 11am and is open to under 5 year olds. Please come and join us again in the Autumn for fun and games.

Cambourne

Cambourne 123s is a toddler group for children aged 12-36 months
We meet Fridays from 10-11.30am at the Vine Family Centre

Cambourne 123s was set up in September 2008 as a follow-on group to Baby and Me. It is run by a group of mums on a voluntary basis and hopes to provide a calm(ish!) environment for 1-3s to play safely whilst their carers enjoy a chat and a cuppa! We now have a new committee to take the group forward into September. However, we always need new volunteers to help with tea & coffee or setting out toys. Can you help??

Also, from September we are hoping to create and use a bank of own toys. Do you have any spare toys you could donate to a very worthy cause? Please contact us on the number below.

Unfortunately, 123s will not be open during the summer holidays this year

Whilst the new committee find their feet and get things under way, all sessions will be Play and Chat. We hope that by the start of October we will be able to have a few crafty activities as well! If anyone would like to volunteer to help with this, we would be very grateful!

10th September – Play & Chat

17th September - Play & Chat

24th September - Play & Chat

1st October - Play & Chat

8th October - Play & Chat

15th October - Play & Chat

22nd October – Halloween Craft and fun

If you are interested in coming along, please phone Terri on:07929 575620 Alternatively, if you would like to receive regular emails from the committee, drop us a line at Cambourne123s@hotmail.co.uk

Be Glad for the Music in Bourn...

Wysing Arts Centre hosts Music Festival

Saturday 11 September, 12pm-midnight

Be Glad for the Song Has No End - a Festival of Artists' Music is a day of live musical performances, film screenings and events, set across three uniquely constructed stages in the grounds of Wysing Arts Centre, organised and arranged by artist/musician Andy Holden. With children's activities, film screenings, stalls and events taking place across Wysing's 11 acre site, the festival is an ideal event for all the family.

Fresh from his solo show at Tate Britain, Andy Holden is organizing the festival as well as taking part with his band. The music you will hear ranges from straight rock, through indie, punk and free-form music played on various improbable instruments. Other performers include Turner prize-winners Martin Creed and Mark Leckey.

The festival line-up includes: Martin Creed and His Band, Bob and Roberta Smith's Apathy Band, Long Meg, Juneau Projects, Kaffe Matthews, Sue Tompkins, Owl Project, Die Kunst, Grubby Mitts, Joanna Robertson, Sam Belinfante, The Errorists, Saydance, Babygrand, Bohman Brothers with Richard Thomas, Johnny Parry Chamber Orchestra, Ricky Leach, Rude Pravo, Aleksander Kolkowski and many others. DJ sets include Mark Leckey, Junior Aspirin Records, Mark Dean, and Lost Toys Records. Screenings include films by Nico Vascellari, David Blandy, Ian Forsyth and Jane Pollard, Matt Stokes, Rob Bidder, Archie Bronson Outfit and Luke Fowler. Other events scattered around the festival site include Kim Gordon (ex-Sonic Youth) and Jutta Koether's *Reverse Karaoke*, Mark Essen's Record Exchange, *An Endless Supply* festival program and publication distribution, workshops for children, and an UBWeb sound-system.

Be Glad For The Song Has No End brings to a close Wysing Arts Centre's three month long *Camp for Improbable Thinking*, featuring artists Asli Çavuşoğlu, Andy Holden, Fabiano Marques, Julie Myers, Emily Rosamond, Studio Weave and Bedwyr Williams.

The festival is supported by Resonance 104.4FM, Lost Toys Records and The Wire magazine, and is made possible by the Paul Hamlyn Foundation and Arts Council England East.

Tickets cost £15, under 12s free. Tickets including coach travel from London and Cambridge are also available.

3 BERRIES 3 WAYS

Here in Britain, during the summer and autumn months, we produce some of the juiciest, tastiest berries and soft fruits. They're fabulous in fruit salads or on top of a pavlova but here are a few alternative ideas for something fun and refreshing in the heat of the summer sun: ice lollies, jellies and sodas. They're healthier too because using fruit sugar, which is sweeter, you use less than the conventional type. I've used blueberries, strawberries and raspberries but the principle is the same for other soft fruits such as apricots, blackberries, redcurrants or something more exotic like mango.

Once you've made the base coulis you can decide which of the three ways you want to use it and it's incredibly simple to do.

For the coulis you will need:

STRAWBERRY

- 500g strawberries
- 1 vanilla pod
- Zest and juice of 1 lemon
- 4tbsp (scant) fruit sugar

BLUEBERRY

- 250g blueberries
- Zest and juice of 1 lemon
- 2tbsp (scant) fruit sugar

RASPBERRY

- 500g raspberries
- Zest and juice of 1 orange
- 4tbsp (scant) fruit sugar

For the strawberry mix pop all the ingredients into a small to medium saucepan except the vanilla. With the vanilla, cut along the pod and using the knife scrape out the seeds and add to the pan along with the pod itself. (After you have used the pod in this recipe, rinse it and dry and add to your pot of sugar for wonderfully scented and flavoured sugar!) Put over a medium heat and simmer for about 15mins or until thick and syrupy. Then blend until smooth. Repeat the same process with the blueberry and raspberry mixes.

1. For the soda, use about 30ml coulis to 250-300ml fizzy water or sugar-free lemonade and mix well to release the flavour. Of course add more or less coulis depending on your taste preference.
2. For the jelly, dissolve 1 leaf or 1 sachet of gelatine in 100ml hot water and add to a mixture of 150ml coulis to 150ml cold water, pour and into jelly moulds and pop into the fridge until set.
3. For the ice lollies, use 100ml coulis to every 200ml water (for a fizzy result use soda water or sugar-free lemonade). Pour this into ice lolly moulds and freeze.

Once you've made the coulis there are a world of options; the strawberry one is stunning for a naughty strawberry daiquiri. Just add a shot of vodka and a squeeze of lime; or try folding some whipped cream together with some coulis and custard (shop bought would be fine) and freezing for a quick semi freddo; or simply freeze in ice cube trays and add to drinks for an extra kick of flavour or blend with milk for a tasty start to the day.

Tip: When making coulis with the soft berries such as raspberries, blackberries etc you may wish to sieve it for a smoother result.

Papworth Astronomy Club News

Papworth Astronomy Club's new autumn season will start on **Wednesday 4th August** with an informal picnic. All are welcome – just bring your favourite dish or other contribution on the evening.

The next speaker meeting will be on **Wednesday 1st September**, when Dr Andy Martin from Cambridge University will give a talk called “**Beware Invisible Cows**”. Dr Martin will talk about the Keck laboratory on Hawaii and LIGO (the Laser Interferometer Gravitational Wave Observatory) in Washington State. If you are curious about the title of the talk, all will be explained on the night!

All club meetings (including the picnic) are held at the Vinter Room, Vinter Close, Papworth Everard at **7:30PM**. Entering Papworth from Cambourne, take the first left after the traffic lights into Elm Way, past the fire station and look for the building with the clock tower. If you are new to the area or astronomy, come along to any of our meetings as a visitor and find out what we do.

More information about the club is on our Web site (www.papworthastronomy.org). You can also email Peter Sandford on peter@cheere.demon.co.uk or phone 01480 830729.

Civic Opening July 13th

It was wonderful to be joined by so many friends from Cambourne, our partner churches and by folks from across the county and beyond as HRH the Duke of Gloucester opened the building on Tuesday. Thank you to all who helped make the event a success.

Open Mike night

Friday the 16th July saw the first of what hopefully will become regular live music open mic nights in the foyer of Cambourne Church. Over 50 paying customers came and enjoyed an eclectic mix of rock covers, easy listening classics and original material. *There are plans to make this a regular event, showcasing musical talent from Cambourne and the surrounding areas.* Organisers would like to thank all the musicians who took part. Potential performers should contact George (george@harrisons.cc)

Open Gardens – Thank you

A huge thank you to the Open Gardens Committee for organising such a wonderful event yet again! **£522** was raised toward the next phase of the building. Thank you also to all those who opened their beautiful gardens for the event and were so friendly and welcoming to those visiting.

Farewell to Alison Myers

Alison Myers comes to the end of curacy at the beginning of August. We shall miss the Myers family though we are pleased that they are not going far. Alison takes up the post of Team vicar at Hardwick, Dry Drayton & Coton and the Myers will live at Hardwick. We wish them every blessing on their move and thank God for all the work Alison and Boyd have done in Cambourne. Alison was particularly involved in leading Sunday worship and in the fitting out of the new building.

Are you good enough to go to church? Are you good enough to live the Christian Life? These are the kind of questions that several people I've spoken with recently have been asking themselves. It is not unusual for these doubts to occur, especially when we gain an understanding of the kind of life that the believer should be living. Many people I know are often filled with anxiety because of their own inadequacy to do that which is right. So what is the answer? It's quite simple, the answer to if you are good enough to go to church or live the Christian Life is no. No you are not good enough in and of your self to do that which is right. None of us are good enough because none of us are good. We are all stained, steeped or submerged with sin. And it makes no difference whether you are in the pulpit, or the pew, or the pub.

The Bible says in Romans 3:10 As it is written, There is none righteous, no, not one:

11 There is none that understandeth, there is none that seeketh after God.

12 They are all gone out of the way, they are together become unprofitable; there is none that doeth good, no, not one.

In and of ourselves we do not have the power to live righteously. You feel inadequate because you are inadequate. There is no need to struggle with those feelings simply accept them. Now you might think wow is this guy depressing or what? No, in fact just the

opposite. If an individual is focused upon what they cannot do then the focus remains upon themselves. And almost every single depressed person I have ever met had their focus upon themselves. Instead for the believer if we are to focus upon righteousness it needs to be the righteousness of Christ. If we need strength and power to live the life that Christ would have us to live it needs to be his strength and power. Paul said in Philippians 4:13, I can do all things through Christ which strengtheneth me. And this was a man well acquainted with hardship and difficulty. He was one of the leaders of the early church and yet described himself as the chief among sinners. So what do we do? We come to the realization that we are sinners, breakers of the laws of God and thus completely deserving punishment. We are guilty, but the good news is that Christ has taken upon himself the punishment in our place. In Isaiah, the Bible speaks of Christ in 53:6, All we like sheep have gone astray; we have turned every one to his own way; and the LORD hath laid on him the iniquity of us all. We must simply repent that is to turn away from our sin and toward Christ. Ask and receive that forgiveness that has been provided then it is no longer your goodness or strength, but His and He never fails. Then you can live in the freedom that comes with forgiveness and the peace of his provision.

If you have any questions or maybe just want to chat, just let us know.

Cambourne to London by coach **Saturday September 18th**

Cambourne Arts is organising a coach to London, dropping off near to Trafalgar Square at a provisional cost of £20 per adult and £10 per child, depending on numbers and the size of the coach. There are free art galleries on Trafalgar Square, and tube stations to get you to other galleries and museums (and shops).

The coach will leave from the Hub at 8.30 and provisionally from London at 5, but it may be possible to leave later if the majority wish it, maybe to visit a theatre production in the afternoon.

Cambourne Arts is not organising what you do in London, just the means to get you there, but this could change if there is enough interest.

Cambourne Open Gardens 2010 **What a great weekend** **You must be quackers if you missed it**

Well the ducks were a hit with the visitors which was great because it distracted from all those weeds. We really enjoyed ourselves again opening up our unfinished garden and spent a good six hours chatting, mainly about ducks.

Unfortunately we didn't get around to the other gardens, even on the Saturday, but heard all about them from our visitors. There were the old favourites, returning stars and new surprises including the very popular garden in Jeavons in which plants were usefully labelled with their Latin name.

One particular visitor, from the Nation Garden Scheme, was very impressed with the more immaculate gardens and there is a possibility that a select few may open as part of that scheme as well as opening with the rest of us for you as part of our own Cambourne Open Gardens 2011. So until then happy gardening and watch this space for breaking news.

Before I go I must include the advert my daughter has drawn up to find new homes for our ducklings (all girls we believe) which are now fully grown.

4 ducks looking for new homes

We got 2 ducks last year and they have had ducklings. They are white with orange beaks, legs and flippers. Also they are funny and entertaining to have.

To own 1 is ok
To own 2 is great
3 is a little bit of work
But 4 is a lot when it is hot

The girl duck makes nests and lays eggs in them all over the garden. The eggs are edible and very tasty. Just to be on the safe side put them in water and if they float DON'T EAT THEM but if they sink then they are ok to eat.

If you are interested in one or two of these coming to live with you please phone my mum, Jules on 714990

Cambridge Cambourne 10K Run raises more than £10,000 for local charities

Cambridgeshire charities have benefited to the tune of £10,200 from the 2010 Cambridge Festival of Running, with its main event, the Cambridge Cambourne 10K Run. The Cambridge & Coleridge Athletics Trust received £4,500, The Bedfordshire & Cambridgeshire Wildlife Trusts were given £1,000 and Anna's Hope – a local charity which supports children and young people with brain tumours and their families – received a donation of £4,500. Two local primary schools – The Vine and Monkfield - were each given £100.

"The 10K Run has always been a local fundraiser as well as a fantastic sporting event. This year our fundraising total was higher than ever and that is a tribute to the generosity of runners and their families – especially just now in these difficult economic times. We have raised an amazing £18,000 over two years. All our charity partners are local organisations so our fundraising feels really valuable and relevant to local people," explains Lesley Scobell, Marketing Manager at Cambourne Business Park and one of the Festival organisers.

The Cambridge Cambourne 10K is now a highly respected event in the serious runners' calendar. The organisers are already working on the 2011 event, with the 10K Run and Fun Run planned for Sunday 3 April. The 2011 Cambridge Running Expo will be held on February 13.

Cambourne Tennis Club 'Here to Serve'

Promotion Glory for Unbeaten Cambourne First Team

After a superb season, littered with victories, the club's Mens 1 team have secured yet another promotion - this time remaining unbeaten for the entire season. A key success in the Grays Cup against a Division 3 side adds credence to the fact we have a great chance of promotion again next season in Division 4. Mens 2 consolidated their Division 8 position, finishing a creditable 4th.

Next season promises to be even better, with competition for places strengthening the team.

Tennis@Cambourne Youth Festival

On what was probably the hottest day of the year, members of the Cambourne Tennis Club turned out in force to offer plenty of tennis fun, coaching and advice at the

Cambourne Youth Festival. Led by coach Kay Yanagawa (pictured), we had plenty of budding tennis stars come along, many of whom were playing tennis for the first time! It wasn't just juniors having fun either; the club signed a number of new adult members on the day. We're looking forward to seeing our newest recruits at one of the two club sessions very soon.

Cambourne Football Club

All of the boys played an important role with all giving 100%. A special mention must go to George Lenard (GK), George Simpson (defensive duties), Alfie for his tackling and midfield passing, Christian for his tackling open play and his goal, Rubens for his well taken goal, Oliver Barton for his non stop running and Bailey March also for his match winner and Ben Colman for his team celebrations. Oliver Colchester scored 5 goals - Trevor was a proud dad, well done.

Cambourne F.C U8B - Cambourne F.C are pleased to be able to field two under 8 teams in next seasons Mini League. We will be announcing the new manager in a few weeks but be assured that all of the Managers within Cambourne F.C will meet the criteria of our Charter Status and we will train all new Managers to FA level 1 status.

Cambourne F.C U9A - After topping the group in the recent Sutton Tournament, expectations were high for the Cambourne U9A team for the Newmarket tournament. With all due respect to our previous opposition, the group Cambourne were put in was certainly the hardest teams we have ever played against. The boys continued their excellent defensive record, by not conceding a single goal from open play. From the first few games, it was obvious that it would be between 3 teams within Group A, who would go on to play the winners from Group B. With only two games to go, Cambourne were undefeated, but had to play the other two teams who were challenging for the top spot. Even though Cambourne were the only team to take a point from one of these teams, Priory Park, Cambourne lost out to Iselham who scored the only goal of the game from a free kick. Well done to our goal scorers today, Jack Lyons who had another excellent tournament, Sam Peat who did really well in his new Midfield position and William Racher who certainly seems to have been practicing goal celebrations! Well done also goes to Tom Smith who was so close to winning the game for us against Priory, Thomas Bell on an excellent debut, Lucca, William Roberts (C) and Jack Downes who again proved to be solid in goal.

Cambourne F.C U9B - As Cambourne F.C continues to grow, we have entered two teams into next seasons U9 mini league. Last season the majority of the

second under 8 team played a year up and has now joined Trevor Colchester for next seasons under 8's. We are now looking to build the second under 9 team so if you are interested in joining a team which has a very exciting future, please contact Stuart Racher on the details below.

Cambourne F.C U10's - Cambourne F.C are only a couple of players short from forming an under 10's team for next season. For the club to be able to enter a team we would need to find new players as soon as possible, so if you are interested in joining please contact Stuart Racher on the details below.

Cambourne F.C U12's - The performance of Cambourne F.C U12's at the recent Sutton tournament was nothing short of amazing. This new team made it all the way to the finals and narrowly missed out winning by a single goal.

The U12's also attended the recent Newmarket tournament and were pitched against some very strong opposition. The U12's did themselves and their coaches proud though as they battled through every match. At the end of the tournament Coach Richard Peat said, "It is just great to see this group of boys playing football together again. The lads thoroughly enjoy playing football with their friends and I am so pleased we are able to provide this for them".

New Players / Teams / Managers

Cambourne F.C are still looking to build in numbers so if your child would like to play and enjoy football in the spirit the game is supposed to be played at youth level, then please contact us. The club will also take on entire teams or if you are interested in Managing and would like to take on a Level 1 coaching course as per our Charter Status then please contact us via email: info@cambournefc.com

Cambourne FC U16's - The U16s are now all signed up and enjoying their well deserved break. Sadly, we are losing Stefano Ciciriello, Will Collett and Callum Peat. I would like to thank them for their efforts and commitment during the seasons they have played for us and wish them well for the future - thank you lads, you will be missed. I would like to welcome Joe Dickens to the team. Joe has joined from Royston Town, and has previously been on the books of Ipswich Town, he is a forward and has been described as a good finisher - I think he'll fit in well as he goes to school with the majority of the players.

The U16s are now looking for a goal keeper. I would be interested to hear from anyone who has played in goal and has experience of league football and would like to join our friendly team.

Cambourne F.C U7 - The new U7 team provides a pathway for players from the successful Soccer School into competitive football with the club. The team will enter the Huntingdon Under 7 Mini Soccer League with matches every other Saturday. This is an ideal league for players to begin their footballing journey with player's enjoyment and skills being at the forefront. Training is currently held on a Saturday at the MUGA from 10am. Cambourne FC welcomes all new players regardless of level and aim for all players to reach their full potential. To be included in the under 7 side for the new season, we welcome players that will be six years old before or on 31st August 2010 including girls and boys. There is a great opportunity for girls to join the team and under league rules they can play in the same team up to under 11 when teams split entering boys and girl's only leagues.

Cambourne F.C U8A - On Sunday 4th July we took a team to the Thurlow Youth FC tournament. This was a proud day for the team, especially the Manager Trevor Colchester and assistant Stuart Colman. We set up the boys in a well planned diamond formation, which many of our opposing teams found hard to break down.

Manager Wanted!

Cambourne Rovers men's team are looking for a manager to take charge of the Saturday 1st team.

Playing in Kershaw BIS Division 2A, the club has a large pool of both experienced and young players.

The club prides itself on its professionalism and is looking for a dynamic manager to not only take charge on match days but also help out with weekly training sessions. For all enquiries, please contact club chairman Trevor Symonds on 07595 909904 or via email t.symonds2@btinternet.com

Cambourne Exiles RFC

Cambourne Exiles gear up for New Season

Cambourne's Rugby players have kept active during the summer off-season. Nev Macnish arranged a strong squad to visit Boston RFC to compete in their annual Stump 7's tournament. A creditable performance followed with the Exiles returning to Cambridgeshire as runner-up in the plate competition. Club Captain, Ben Yeats, will lead a contingent to the Southwold beach rugby competition at the end of July.

The new season is rapidly approaching. The club will begin their Greene King "Super Deuxieme" league campaign in September with home matches vs Shelford on 11.9.10 and Sawston on 25.9.10. Please come along to watch and support your local rugby team! Before the league starts, Cambourne will warm-up with a couple of matches in late August and then compete in the Eastern Counties 10's tournament at Cambridge RUFC on 4.9.10.

The Exiles always welcome new players and members. If you'd like to get involved in Rugby Union, then get in touch. Training sessions run from 7-9pm every Monday and Wednesday, on the Rugby pitch near the MUGA. For more information about Cambourne Exiles Rugby Football Club, contact the Club Secretary Neil Ingham on 07956 410309, email info@cambourneexiles.com, or find us on the internet at www.cambourneexiles.com.

Two village projects will benefit from this year's Bourn to Run, to be held in the beautiful scenery round the village on Sunday September 26.

Bourn Primary School is raising money for a laptop trolley and a wildlife area while Bourn Sports Club aims to improve facilities for teenagers in the village. So there has never been a better time to dust off those old trainers and get out and about in the fields round Bourn.

There are two runs to choose from – 10km or 3km – depending on fitness, ambition or boundless enthusiasm. The race will start from Bourn Hall at 10.30am, with medals and goodie bags for all runners.

The event is also receiving support from Cambridgeshire's Liz Fraser, author of *The Yummy Mummy's Survival Guide* and a GMTV parenting expert. Liz is a keen runner who recommends the sport for Mums and Dads alike – as it keeps you fit and offers blissful respite from the hustle and bustle of home life. Now you can help the local community too.

You can register online at www.fabian4.co.uk and further details can be found at www.bournschool.co.uk/bourntorun.

There could be no better excuse to get out in the fresh air this summer. Please come and raise money for the local community while enjoying a fun day out in the country.

The Pike Anglers of Cambourne

cambourne.piking@hotmail.co.uk www.thepikers.net

Since the beginning of the new fishing season, I have ventured a few times with neighbour and fellow angler Paul Hadfield, to try and catch some big summer Chub, (*Leuciscus Cephalus*). A number of small Chub have fallen to our surface bait tactics, with our most successful bait being that good old fashioned, reliable staple, bread! The biggest Chub we have managed to land so far has fallen to Paul, a whopping 5lb 8ozs specimen, and a new Personal Best. This was followed shortly after by another fine fish of 4lb 8ozs. Most of the Chub that we have caught have come from the River Cam, although we have also made visits to the River Ivel and River Ouse, but we have not had as much success on these waters, as yet...

To make a change, I took Paul to a group of lakes I used to fish many years ago, Braziers Lakes in Nazeing, Essex. These lakes belong to Abbey Cross Angling Society. This is a club I have been a member of since I was about 15 years old, so this would mean that I have been a member for nearly 25 years - WOW!

There are 2 lakes which run parallel to each other: The car park lake is around 6 acres; the other is around 8 acres. The bigger of the two lakes contains Carp of around 40lb, but we decided to fish the smaller of the two. Even this one still holds Carp to over 20lb. Within the first half an hour my first fish was netted, a small Carp of around 3lb, but it was a start. Well, another four Carp followed throughout the day, two weighed around the 9lb mark and the other two topped 10lb. Unfortunately, I also lost two nice Carp as well. Paul also got in on the action as well, he finally landed his first and only fish of the day after losing a number of fish at the net. That capture also weighed in at around 9lb, but the biggest Carp of the day was a beautifully marked, dark bronze common. This fish fell to ledgered sweetcorn, and weighed in at 12lb 6ozs. All Carp that day either fell to bread fished on the surface, or a variety of ledgered baits which also included boilies, luncheon meat, tiger nuts and pellets.

A week or so later I made a trip to a venue much closer to home. A number of Carp fell to my surface-fished 16mm pellets that day. Before fishing, however, a bit of preparation was required before actually introducing a baited hook bait. I do try to spend at least an hour feeding dog mixer into certain areas, the reason behind this is to build up the Carps' confidence whilst feeding on your free pellet offerings. This will also make them very competitive to other feeding fish around them, giving you a greater chance when you do finally introduce a hookbait. I must add that, when floater fishing during the warmer months, one needs to stay alert at all times. Other wildlife which live on the lake also tend to take a shine to anglers' floating baits too.

SO PLEASE BE CAREFUL!

So, until next time, good fishing and take care, Stu

Monkfield Park Primary School's annual summer Event

was another roaring success!

Thanks to the wonderful people of Cambourne, many faces turned out on a pleasant Friday evening to experience the warm hospitality provided by the Monkfield Park PSA.

Months of hard work in preparation and planning had gone into making the event a huge success. £3500 was raised on the night which will go towards providing extra resources for the children of the school. This is more than double the amount raised in any other year!!! The support was overwhelming and Lisa and I felt very proud to be Chairs of such an event.

During the evening guests had the opportunity to battle each other with the demolition ball, put themselves through their Paces on the assault course, win a hug and watch the slick performance provided by the Monkfield Park cheer leading squad

A feast was provided by our BBQ kings and guests were able to sit back, enjoy the music and savour the atmosphere.

A truly great time was had by all, and although there were some very sore feet at the end of the evening, it was all made worthwhile when we saw the look of excitement on the children's faces.

We couldn't have done it without the support of all the staff, and parents and carers of the children at Monkfield Park Primary. And of course, it wouldn't have been such a big success without the support of you, the people of Cambourne.

This is the third year that Lisa and I have chaired the committee for this event and we said that this would be our final year, we feel it's time to pass the baton on. However, I do recall we said the same thing last year.....
