

Cambourne Keynes? 3000 homes grew to 4236 homes - now possibly 6500

Although the latest consultation underway is for 1200 extra homes the original developer submission was for 2250 on the full site. The current site is only around half of the developer site (in terms of housing areas).

They are not replicating Cambourne as densities would be far higher and contributions to facilities limited.

Cambourne was planned at 22 homes per hectare but grew to 32 per hectare. The starting figure for the new site west of Cambourne is 40 per hectare.

South Cambs should have delivered Northstowe but even reducing the community contribution to 25% of the original figure they have not yet built a single house.

This has left a huge gap that has to be filled somewhere. Without a 5 year plan for homes it would be a free for all everywhere. **But it does not mean we have to lie back and accept it.**

The community made its views known last summer firmly rejecting the proposal, South Cambs say they have listened to those views **"but don't agree with them"**.

We need to show that South Cambs have failed to properly investigate all the options by merely allowing developers to put forward sites, and not investigating sites south of Cambridge.

It is not providing homes where jobs are and is too car reliant.

I urge you to respond to this consultation which runs until 5pm on 14th October as there may be no further opportunity.

You don't have to do it on line the form is far simpler than the "loaded" questions of the on line submission. **SCDC are planning a simpler revised submission form with their magazine in September.**

Be careful to give good planning related reasons, sadly emotive issues do not count. More information is available on www.cambourne.info

SUMMARY Policy SS/8: Cambourne West

The method of selecting sites relies entirely on developers continually putting forward those that they have options on. South Cambs have failed to properly investigate the suitability of other sites, in particular to the South of Cambridge.

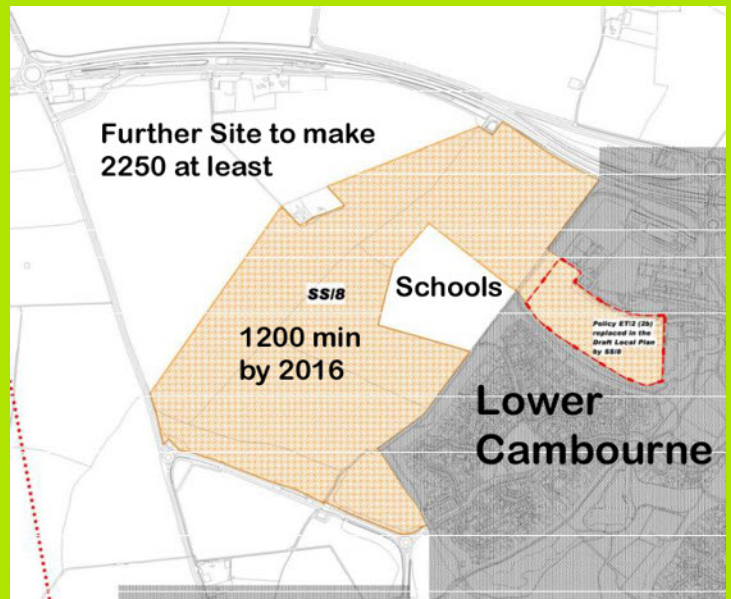

Upper Cambourne still has 900 homes to build and the effect of this extra capacity has not been taken into consideration and is as yet unknown.

Policy DP/7 states that in such locations only development for agriculture, horticulture, forestry, outdoor recreation and other uses which need to be located in the countryside will be permitted. Policy NH13. Development of the application site for residential purposes will have the effect of eroding the countryside along this stretch of the road to St Neots, to the detriment of the character of the area, and the erode the gap which currently exists between the settlements of Cambourne and Caxton in which Parish the site is located,.

Policy NH/3 It is a green field site which should be protected from further development.

The transport strategy consists of a bus lane at Madingley Hill which is not even yet supported by County policy.

Buses in Cambourne were initially successful while they were subsidised by the developers but when the subsidies ended the bus company reclassified the fare beyond the affordable Citi fare structure. The virtual doubling of the fare resulted in lower use and the loss of an hourly service to St Neots. No national bus services stop in Cambourne for example the Stagecoach X5 service Cambridge to Oxford refuse to consider stopping when it passes Cambourne even after the local service was withdrawn.

The proposal would result in a form of unsustainable development due to heavy reliance on the private car for access to services and facilities, contrary to the aims of Policy TI/3 and HQ1 that promotes sustainable development that minimises the need to travel and reduces car dependency.

Residential amenity - There would be an unacceptable increase in traffic within Cambourne against Policy NH/10 adverse impact on the character amenity and tranquility. The site will have an adverse impact on residential amenity to those residents who specifically were attracted by a village environment. The Cambourne Masterplan design was intended to provide high densities near the central area and thinning to Lower densities on the boundaries. This cannot be achieved with this proposal.

Monkfield Medical Practice

Monkfield Medical Practice

Repeat Prescription Requests- New Way

You probably order your repeat prescriptions via e mail. Now you can order through our clinical system from a link on our website. www.monkfieldpractice.co.uk Please register for this service at reception where you will be issued with a user name and a password and will then be able to access your repeat medication lists and select the ones you want. This method is safer because you will no longer have to remember the spelling of your medication simply tick a box.

Your Health record- Sharing information

Your health record includes your medical history, details about your medication and any allergies you may have. You can now choose whether to share these full medical details. We use a secure electronic health records system called SystmOne. With your permission, this system can allow clinicians to share your full record held here with other healthcare services who are providing care for you. These other services will ask your permission to view your record.

Many organizations may use SystmOne including some GP practice, out of hour's services, children's services, community services and some hospitals. Sharing your health record will help us deliver the best level of care for you.

You have two choices which allow you to control how your record is shared. You can change these choices at any time by letting the relevant practice or service know.

Forms are available at reception to make your choice (s)

Further information can be obtained at www.cambridgeshireandpeterboroughccg.nhs.uk

Practice Closures

The practice will be closed for Clinical Governance training on the afternoon of 19 September 2013 from 1pm

We will also be closed from 1pm-2:30pm on Wednesday 11th September.

During these times calls will be diverted to UCC on 0330 123 9131

Regards

Monkfield Medical Practice

CAMBOURNE COMMUNITY CAR SCHEME

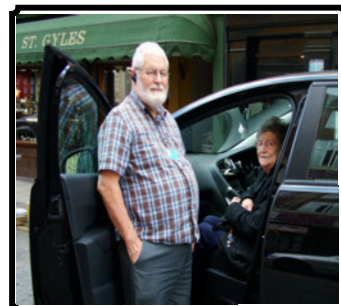

Community car schemes provide door-to-door transport for people who cannot make the journey by car, by bus or dial-a-ride. But is NOT a taxi service and you need to give as much notice as possible. Drivers are all volunteers so we cannot guarantee availability. There is a minimum charge of £2.50 for each journey, or 30p per mile from the drivers home and back. Ask your doctor if you qualify for free transport to hospitals, by others.

Tel 07504 869 438 or email cambournecarscheme@gmail.com

All expenses are paid and drivers get a top up of 15p per mile from the County Council making a total of 45p a mile (Inland revenue limit - so no tax liability).

Please see www.cambourne.info under community info for more information

We had a less busy month in August but we desperately need volunteer drivers now that the holiday season is ending. It is very satisfying helping people who don't have access to a car, once registered you choose what jobs you can want to do, NO regular commitment is required.

Minimum cost to Cambridge is £6, Addenbrook's is £9, anywhere in Cambourne is £2.50.

- our volunteers are able to help people with appointments or social engagements.

Please send all editorial contributions to editorial@cambournecrier.org.

Please note the deadline for the October 2013 edition is midnight on Thursday 19th of September.

CAMBOURNE PARISH COUNCIL**Circus**

John Lawson's Circus is making a welcome return visit to Great Cambourne Green at the end of the month for 3 days from Monday 30th September to Wednesday 2nd October 2013. Further details of the circus can be found at <http://johnlawsonscircus.co.uk/>

Cambourne Parish Council
Serving YOUR community

**Movember**

Once again the (male) Parish Council staff will be taking part in Movember, and growing moustaches in aid of Prostate Cancer. Last year the team raised just over £500 and we would like to top that this year. If anyone is interested in joining a Cambourne Team and becoming a 'Mo Bro' to help achieve this then please contact the Parish Office. Ladies, don't be left out, you can also register as a 'Mo Sista' and support the men through the trials and tribulations of sprouting facial hair. More details on the work of Movember see the website at <http://uk.movember.com/>

Last year's Mo's

Christmas Lights

Following a decision by the Parish Council not to purchase Christmas Trees this year donations from Everyone Active, Taylor Wimpey East Anglia and the Anglia Co-operative have been obtained to supply trees in Great, Lower and Upper Cambourne. With financial offers from other local business and residents of Cambourne enough money has been secured to replace the lights damage over the last two years by the mindless vandalism of a minority. This will enable the trees to be erected and illuminated over the festive period and we hope that the minority will show the same community spirit as the other residents and businesses of Cambourne and refrain from removing and damaging the bulbs.

We are also looking at enhancing the Christmas spirit by providing additional lighting in the Settlement Centre area of Broad Street and the High Street. As Christmas is a time for communities the Parish Council would like to support the formation of a Christmas Lights Committee to ensure that the Christmas spirit is strengthened each year in Cambourne.

If you are interested in joining such a committee please contact the Parish Office on 01954 714403 or email clerk@cambourneparishcouncil.gov.uk

John Vickery

Council

Residents are welcome to address the meeting before it formally starts on any matter that is on the agenda. If you have something else you would like to raise, please contact the Parish Clerk at least 10 days beforehand so that the item can be added if necessary. John Vickery the Parish Clerk is available at Parish Office, The Hub, High Street, Cambourne, Cambridge CB23 6GW. Telephone 01954 714403 or by e-mail at clerk@cambourneparishcouncil.gov.uk The Parish Clerk will normally be in the office between 9.30 and 1.00 o'clock Monday to Friday and by appointment at other times

Local Plan

The Local Development Framework has two sites close to Cambourne (Bourn Airfield and Cambourne West) . South Cambs District council are looking for your comments on the proposal. If you haven't already done so please look over the proposal and submit your comments by 14th October.

HAVE YOUR SAY IN THE FUTURE OF THE AREA

Many people will now be aware that South Cambridgeshire District Council's Local Plan Submission features proposals to build a new settlement of 3,500 houses on Bourn Airfield and 1,200 additional houses in West Cambourne. Residents in Cambourne, and the other affected villages, need to understand the negative impact these developments will have on the area. The plans are not sustainable, have not been thought through properly and will seriously impact the quality of life for those of us living nearby.

The Stop Bourn Airfield Development (StopBAD) campaign has been set up to vigorously fight both these developments. We are concerned that 37% of all the houses built in South Cambridgeshire in the last 10 years have already been built in our area and that these proposals will create a ribbon of development along the A428, joining up villages and effectively creating a new town.

In addition, the housing plans make no sense as there are no accompanying plans to create new jobs in this area; indeed one of our only big employers, Papworth Hospital, is due to move to the new Biomedical Campus near Addenbrookes. The truth is that the substantial majority of future job growth is focused on Cambridge City and in areas to the south and south east of the City. This means that the people living in these proposed new settlements will join the thousands of others commuting eastward on the A428. There are no plans for additional transport links and we estimate that the area will have to cope with an additional 6,000 journeys to work each day. Furthermore, we all know that our local schools, healthcare and other public services are already overloaded. 5000 new houses will place an intolerable burden on our local infrastructure. Many are also concerned about the effect the developments could have on property prices in the area.

If you would like to make a representation, or comment on the Local Plan, you have until 14th October to do so.

Response Forms are available at SCDC offices and online at www.stopbad.org.uk. In addition forms will be included in the SCDC Newsletter which will be distributed in early September.

www.stopbad.org.uk will have webpages designed to support those who want to object to the plans for Bourn Airfield and

West Cambourne

Bourn Airfield Development/Cambourne West

The inclusion of these sites in the Proposed Submission Local Plan has caught us all by surprise; me included. Had I been a Councillor for longer than 2 years, and Cllr Hawkins for longer than 3 years we would have objected more vehemently earlier. All the indications were that other sites were far more likely to be included and I took that at face value. Several of the other Councillors who have been around for 10 years or more lobbied secretly for sites in their own Wards to be removed from the very beginning and they have been. Hindsight is a wonderful thing. I will not be caught out like this again.

The sites that were pulled will be a good starting point to prove that this plan is not sound or justified and I believe the StopBAD group are working on providing just this information along with suggestions on how to object. South Cambs have not made this very easy, but we can pull together and do it.

All this means that we now have to convince the Inspector that the process resulting in the decision to choose Bourn Airfield and West Cambourne was flawed – this is the important thing as ‘not in my back yard’ objections will not make it to the Inspector for consideration. All replies to this current consultation will be shown to the Inspector provided the replies object to the plan on the basis that it is not ‘Sound’ – that the content has not been positively prepared, the conclusions are not justified, it will not be effective and it is not consistent with national policy. But we have to say why we think this – help will be provided in due course.

If you haven't yet seen the extent of the proposed development, pop along to either Caxton Village Hall, (unstaffed display) on either Thursday 5 September 10am to 7.45pm or Friday 6 September 10am to 4pm; or Bourn – Church of St Helena & St Mary, Church Lane (staffed event) on Friday 6 September 2.30pm to 7.30pm. I'm intending to be in Caxton from about 5pm on 5th and most of the day on 6th in Bourn to help with how to object.

Demand Responsive Transport

After a period of hiatus during the summer due to the resignation of key personnel at County I'm pleased to report that the project is about to restart at the beginning of September.

South Cambridgeshire Business Support Service

A series of free workshops are available to help business-owners in South Cambridgeshire become more successful. The 15 half-day ‘how-to’ workshops are designed to address specific issues of businesses in the local area, including business planning, improving profit, finding new customers and maximising market awareness.

The workshop programme begins with ‘How to plan for success’ on Wednesday 4th September and concludes on Thursday 12th December. The workshops will be held in Cambourne, Melbourn, Fulbourn and Over, and are free to attend for anyone in a South Cambs postcode. Workshop spaces are available on a first-come, first-served basis. To book your place, phone **0844 346 0755** or e-mail

southcambsbusinesssupport@exemplas.com

Please send all editorial contributions to editorial@cambournecrier.org.
Please note the deadline for the October 2013 edition is midnight on Thursday 19th of September.

Telephone 01954 719440

It has been wonderful to have good weather and a decent summer at last. The children have been having a very constructive time, with big builds in the sandpits; plenty of water play and able to do lots of art work outside.

The last day of the funded term was celebrated with a picnic and play at the exciting park near Upper Cambourne (this was the park the children voted to go to.)

In the afternoon parents and children were invited to a "disco" and afternoon tea.

We have welcomed back several children for our holiday club hours, which have proven very popular.

It will soon be time to say a fond farewell to the rest of our children that will be going to school in September. It has been an honour and a privilege to have such lovely children at Sunflower and we wish them all the best for their next phase of their lives. Hopefully we will see some of them back for holiday club in the future.

Community Open Day

We are holding a fun afternoon of activities for all our families, new families and prospective families at the Sunflower. This September we are celebrating our **5th Birthday** and we want to invite everyone to our party!

When : Saturday 14th September 2013.

Time : 14:00 – 16:30

Feel free to come for the whole afternoon, or just for a short time. We will have a 5th Birthday cake to cut and there will be refreshments available all afternoon. We will be setting all the rooms up with a wide variety of activities for adults and children to participate in. Please also feel free to bring along interested friends and neighbours.

Summer Camp for Air cadets

Five cadets from 2484 (Bassingbourn) Sqn, Six cadets from 2484 (Cambourne) Detached Flight and two members of staff joined over 40 other cadets and staff members from within the Bedfordshire and Cambridgeshire Wing to participate in a week's Annual Summer Camp at RAF St Mawgan in Cornwall.

The Cadets had a full week of activities, some of which included shooting and climbing at Granite Planet Climbing Centre. Granite Planet is a climbing wall which caters for various levels of climbing abilities. Another activity in which the cadets participated was Laser Tag this took place over 3 days where cadets were split into teams and took turns to protect a hanger. The staff also enjoyed this exercise and played militia forces where they were rewarded highly in bags of haribo. Cadets also had the opportunity to visit local beaches and a trip to the Falmouth Maritime Museum. Cdt J Smith of 2484 (Bassingbourn) Sqn said "summer camp was fantastic. I meet so many people, made lots of friends and the staff were great."

Civilian Instructor Sam Scowen said "I have to admit I was a bit anxious as it was my first camp however the staff and cadets made the week fly by, it was thoroughly enjoyable and I cannot wait for next year."

Beds & Cambs Wing ATC Summer Camp - RAF St Mawgan 10-17 August 2013

If you would like information on how to join the Air Cadets, become a member of staff or support the Flight by joining the Civilian Committee, please call to arrange a visit us at Bassingbourn Barracks or at Cambourne Sports Pavilion, Monday and Wednesday evenings between 7pm and 9pm. For further details please contact the main squadron either via the website <http://www.2484aircadets.org/>, you can call during cadet hours on 01763 249156 or alternatively contact 07813 897949 or e-mail cjrogers62@virginmedia.com

Every Friday from 10-11.30 in the main hall at the Hub.

Cost: £1.50 per family including refreshments. Suitable for 0-2 years although older siblings are very welcome.

There is always play and chat but alongside there will be the following talks/sessions:

- 6th September CLOSED (cleaning and sorting of the toys)
- 13th September Sign & Cuddles, playdough
- 20th September Rainbow pictures
- 27th September Leaf sticking
- 4th October NEARLY NEW SALE Free entry, play area, refreshments available.

Please get in touch if you would like a table at the sale (£5 and you can sell anything from maternity to teenage clothes, toys etc.).

Baby & Me is run entirely by volunteers and is a non-profit making organisation. Volunteers move on to other things as their children grow up and to make sure that we can carry on we need more volunteers to join the committee - we really do not want to close.

If you are able to help on the committee or can just come earlier to help set up occasionally please e-mail us.

For further information, schedule updates or if you have any queries please e-mail us at Cambourne.

BabyandMe@gmail.com or see our website (www.babyandme.org.uk) or facebook page (Baby and Me).

Bric-A-Brac Wanted For NSPCC

BRIC-A-BRAC WANTED FOR GRANSDEN SHOW 28th SEPTEMBER

If you have any suitable items, please contact Kate Armstrong

01954 719745. All funds go to NSPCC and ChildLine.

Cambourne Garden Club

A great way to meet up with other gardeners and share experiences. Membership also means discounts off seeds and other items from Thompson and Morgan, and also at many local garden centres.

Sadly, this group will have to close at the end of this year unless we have more members .

- September 26th Building Bird Boxes – the Wildlife Trust
- October 24th Visit to Scotsdales for talk by Peter Walker on Orchids. Car share
- November 28th Shopping trip to Huntingdon Garden Centre. Car share

The Club meets on the 4th Thursday of the month at 7.30pm for 7.45pm in the Hub Committee room. Visitors very welcome at a small charge.

For further info on the club, contact Fran on 710858

BT infinity Cambourne from Cllr Dominic Plunkett

I have been working hard to locate the areas in Cambourne with aren't currently covered. I would like to check my data, if you are in a property that can't order Infinity can you fill in the following online at :

<http://cambournecrier.org/broadband-responses/>

CAMBOURNE ARTS

ART GANG

This group meets on the 2nd Monday of each month for people interested in art either professionally or as a hobby. The next meeting will be in the Monkfield Arms on Monday 10th September. Please ring 01954 710858 for more info.

WORDS FOR PLEASURE

'Words for Pleasure' is a friendly, fun and welcoming writers' group which meets on the first Thursday of the month in Cambourne Library.

The next meeting will be on Thursday 5th September starting at 1.30pm.

For more information please get in touch by phoning Pat Callaghan 01954 718836 or ask at the library.

WATERCOLOUR CLASSES

The Beginners Group meets in the Lower Cambourne cricket pavilion on Tuesday morning 10am -12 noon, and Improvers meet in the Sports Pavilion at the back of the Leisure Centre on Wednesday morning, again from 10am – 12 noon. The tutor for both sessions is a local artist and experienced teacher. Phone 01954 710858 if you would like to sign up for the September term at a cost of around £65 for 10 sessions

PHOTOGRAPHY GROUP

In this local group, levels of expertise vary from beginner to advanced, with everything in between, and more members will be very welcome. Regular meetings take place on Tuesday evenings in the Belfry. For more details visit the website:

<http://www.flickr.com/groups/cambournephotohographygroup/> or phone 01954 205050

LIFE DRAWING

This is an untutored monthly session, but friendly advice is always available, and experience levels vary greatly. New members always welcome. The next session takes place on Tuesday September 20th and will have a male model. To book a place, cost approx £7, phone 01954 710858

Cambourne Arts WEBSITE

If you are an artist or craft-worker and would like to have a link on the website, please get in touch via the website www.cambournearts.btck.co.uk . For further information on any aspect of Cambourne Arts, contact:

Fran - fran@panrucker.eclipse.co.uk or 01954 710858

WHAT'S ON LOCALLY

Comberton Arts and Leisure: A range of concerts, comedy and other events. <http://www.combertonleisure.com/>

Wysing Arts Centre: A changing programme: check their website for more information:

<http://www.wysingartscentre.org/news/229>

Fitzwilliam Museum: There are always interesting exhibitions, usually free of charge, and events, activities and concerts on offer at various times throughout the year. <http://www.fitzmuseum.cam.ac.uk/whatson/>

19th Sept	Black bin
26th Sept	Green Bin and Blue Bin
3rd Oct	Black Bin

You will receive a weekly collection **each Thursday** between 7am and 6:30pm, alternating each week between Green and Blue Bins and Black Bins. Bins will be collected a day later (Fridays) on weeks containing a bank holiday.

For South Cambs District Council waste and recycling service call 03450 450 063. Monday to Saturday 8am-8pm (excludes bank holidays).

Camourne Kitchen

Layered Veg Terrine with Hot Crust Pastry

The beauty of this recipe is that there are no hard and fast rules about the filling - simply use whatever veggies you have/prefer and if like me you have a bit of ham or other left over meat you could throw that in to the mix too. The only rules are with the pastry and even here, please don't be put off making your own. It's so simple and unlike most pastries it's very forgiving and doesn't need such a gentle touch.

Ingredients:

- 1 medium onion
- 1 sweet potato
- 1 potato
- 1 tomato
- 1 courgette
- 3 medium mushrooms
- 1 sweet pepper
- 1 leek
- salt and pepper to season
- (slice all veggies thinly)

Pastry:

- 200g plain flour
- 300g strong white flour
- 2 tsp salt
- 1tsp bicarbonate of soda
- 2tsp black pepper
- 125g lard/shortening
- 25g butter

Method:

Roughly chop the onion and add to a pan of boiling water with the potatoes (just enough to cover them) and a tsp of salt. Add an additional knob of butter or drizzle of oil - it adds flavour and nie sheen. Cook for about 7-10 (depending on the size of potatoes) until they are cooked half way through. Remove the potatoes and set aside to cool before slicing thinly. Don't discard the water at this stage.

Keep 300ml of the potato and onion water and melt the lard and butter. Put all the pastry ingredients into a large mixing bowl. Once the water has come up to boil pour it immediately over the flour mix and use a fork to stir quickly to combine all the ingredients. Once it starts to form a dough like mixture it should be cool enough to handle. At the stage use your hand to knead the dough until all the water is absorbed and the mixture is coming clean away from the sides of the bowl.

I used a 10 inch loaf tin. You can either roll the pastry out onto a lightly floured surface or simply mould the pastry directly into the tin using the tips of your fingers to evenly spread the pastry over the tin keeping some aside for the top.

Once you are happy that the pastry is evenly spread start layering up the chopped veg seasoning lightly between each layer. Really squash it down (it will reduce slightly during the cooking). With the remaining pastry either with the flats of your hand or a rolling pin flatten it out and place over the top of the pie. Push the pastry down the edge and press together the edge of the pie crimpling it together with the pastry bottom-this is rustic and doesn't need to be perfect just create a seal. Use a knife to create a few slots in the top. Important at this point to place in the fridge to let the pastry cool down and harden before placing on a preheated oven at 190 degrees celcius for about 40mins to an hour or until golden and crisp. Brush with milk or egg wash half way through to get a nice sheen if you desire.

This can be enjoyed hot or cold and is perfect for the last of our summer picnics. Get cooking and enjoy!

Cambourne Village College

Well, we thought it couldn't get any busier after receiving the keys to the new College in July, but August has been the most hectic yet! Writing this in the middle of the month, we have tables, chairs, computers and projectors in classrooms, Sports Hall and Gymnasium replete with new trampolines and assorted PE kit, and Science labs and Design Technology workshops fully fitted out. The main hall resembled a delivery yard for a fortnight, and now contains a mountain of flattened cardboard boxes ready for recycling. The installation of the huge, decorative stairwell panels is complete and intensive landscaping has taken place, with footpaths and roadways all now lined with young trees, firmly staked against the Cambourne wind. The sports pitches have had their first mowing, and we're awaiting the installation of the sculpture on the front plaza, after which the building really will be complete. Our Support Staff have worked incredibly hard to have everything ready to welcome the first cohort of students on 4 September – as we keep reminding ourselves, all we need now is the students!

We're also keen to get going with our Adult Education classes which will run on Tuesday evenings from 24 September. The brochure can be viewed on the Comberton Village College website – there is something for everyone, so please do support us in our first term and enrol for something you'll enjoy. The College facilities are also available for hire on other weekday evenings, and we are currently seeking to recruit a Community Administrator / Receptionist to work some evenings / Saturdays. Please see our website for details.

On Saturday 5 October we are holding an open afternoon so that members of the Cambourne community can come and look around their new Village College. Please see our website, Cambournevc.org, for full details. Claire Coates, Head of School.

GREETINGS FROM CAMBOURNE LIBRARY

Welcome to Cambourne Libray. We are situated in Sackville House opposite Morrisons. If you haven't joined already come along and visit us. Membership is completely free. We can now offer WiFi access in the library – see library staff for details. We also have books to borrow and buy, dvds to rent, computer access and fax and photocopying facilities. Several book groups run from the library and if you are interested in joining one of these please enquire at the library reception.

We also have a lovely selection of cards, stamps, charts and workbooks for children. Our Medal and Certificate ceremony for all those who have successfully completed the Creepy House Challenge with us is on Sat. 14th September from 10.00 – 11.30.

FREE EVENTS IN YOUR LIBRARY:

- ENGAGE IN THE AFTERNOON – “A Tour Around Pompeii” by Richard Priestley of Wimpole Hall “ Wed 4th SEPTEMBER from 2.00 – 3.30 pm.
- FAMILY HISTORY DROP-IN Session – Monday 16th September. 2.30 – 4.30pm. Just pop into the library for assistance with tracing your ancestors.
- CAMBRIDGESHIRE FLOATING SUPPORT DROP-IN SERVICE – Please visit us to talk to one of our Support Workers and get advice including: Housing, Benefits and Debt. 10:00 am – 12:00 pm on first Thursday of every month next session 5th Sept. at Cambourne Library
- JOB CENTRE PLUS – Wed 18th September 1.30 – 3.30. Drop in for help with CVs, applying for jobs and job information.

Cambourne Church

A partnership of the Church of England, Baptist, Methodist & United Reformed Church
Service times: Sunday 9.30 & 11.00am. 1st Sunday in Month 10.00am. (2nd Sunday Holy Communion)

www.cambournechurch.org.uk

Services in September

Our normal pattern of Sunday services resume this month (see above for times).

Join us as we begin to explore Paul's letters to Timothy, a young leader in the Early Church.

And in Young Church we're very excited to be re-launching with a new programme this year. Our focus will be on really getting to know the stories in the Bible and seeing how they all link together to point towards the cross and God's rescue plan for us all.

It's our hope that the children will be able to explore these Bible stories in a way that is both personally meaningful to them but also fun and creative, through games, songs and craft activities.

Ministerial Vacancy Update

Interviews for our new Minister will take place in September

In the meantime if you would like contact with a minister Robin Giles, a local retired Baptist minister, is on hand to provide oversight and help with some pastoral needs during our time of vacancy.

Please call our administrator, Julie on 01954 202546 or email: info@cambournechurch.org.uk

Our Football team is looking for new players.

We play Five a Side kick around on Mondays 7pm at the MUGA and 11-a-side games on Sunday afternoons.

Contact Jon on 07905420392 or come along on Mondays.
 8.30 -10.30 at Cambourne Church

First Saturday of every month.

(Next dates: 7th September and 5th October)

It would be great to see any dads with their kids for a bacon roll, toast or just a coffee
 Call Gerald: 07513951988

**Don't forget:
 Father's
 and Children's
 Breakfast**

Youth Work

Jonathan Buwert our youth worker has just returned from Tamil Nadu in South India. Jonathan was one of Eleven from

Cambridgeshire Ecumenical Council who visited churches, schools, colleges and hospitals.

Jonathan says *"It was amazing to experience the Indian culture, their hospitality and their openness in sharing their food, houses and lives with us. In the schools and colleges I talked about Cambridgeshire, sharing some photos and exchanging questions with the students as a way of teaching English conversationally. The visits to churches helped to strengthen the link between the CEC and the Diocese of Vellore and allowed us to spend more time with the young people there, sharing our stories, songs and games. Visiting the hospitals inspired me by the faith and vision of so many doctors and nurses despite having such difficult working and living conditions. It was encouraging to see signs of development throughout the trip and to see the local church at the heart of running these valuable educational and medical institutions".*

You can find out more about Jonathan's trip by reading his full spotlight interview on our website
<http://www.cambournechurch.org.uk/page/activities/spotlight>

Youth Groups at Cambourne Church resume in September. Contact jonathan.buwert@cambournechurch.org.uk for more information about our groups or keep an eye on the church website for updates.

**Open weekdays between
 8.45 and 12pm**

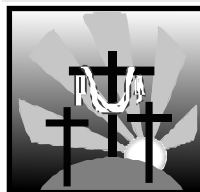

Volunteer Opportunities:

We would love some more volunteers to work in the Coffee House. It's great fun, looks good on your CV and we give full training. To find out more come and say hello, call **07513 951988**, or contact

19thecoffeehouse@cambournechurch.org.uk

We would love to hear from you.

PEACEHAVEN BAPTIST CHURCH

Meeting Sundays: 10 am - Bible study and Sunday school. 11 am - Morning worship at the Hub

Wednesday Evenings: 7 pm - Pastor's home

For more info email Peacehavenbc@aol.com or call 01954 710510

Pastor Donovan Bangs

September is upon us and the year keeps rushing onwards. It seems incredible that we will shortly start making preparations for Christmas. Our autumn and winter campaign will be starting soon. As getting the children back to school is also a good time to get yourself back in church, leading by example. So expect to see some invitations going out to bring people in. Over the next few months there will be messages interspersed with others on Sunday mornings like "Who is this God?" "What did God do when...?" "Why should a relationship with God be important?" and "what am I supposed to do now?"

My wife is hosting another ladies Bible study, details below. Counseling sessions continue and we still have a few slots open and of course as always it is free.

If you have any questions or just need to chat let me know. www.peacehavenbc.org.uk

Enjoy a piece of cake, a cup of tea or coffee and a chat. There are refreshments and arts activities.

Peacehaven
International
Playgroup

Afterschool Art Club & Playgroup

Wednesday 3:30 to 5:00 pm Except school holidays
Meeting at the Cambourne Community Centre, The Hub,
High Street, Cambourne, Cambridgeshire CB23 6GW
Sponsored by Peacehaven Baptist Church

CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

HARVEST is upon us and we're calling on local residents to help our fight against straw stack arson.

Stack fires can quickly spread and not only endanger people and livestock, but also life-long work on farms. Stacks burn very slowly meaning crews are committed for long periods of time, making them unavailable for other emergencies. Don't forget, many of the firefighters attending incidents like these in rural parts of our county are on-call personnel and their retention at a stack fire impacts directly upon business and services in their community.

We're working with police, neighbourhood watches and farm groups to drive stack arson down, including installing covert cameras to help bring those responsible to justice.

What can you do? We're urging residents and those passing through rural areas to keep a careful watch. Do you see someone acting suspiciously around stores of hay or straw? Is there an unusual vehicle near farm buildings? Become a community member of Arson Watch and keep an eye on stacks in your area.

Report suspicious activity to police on 101 and dial 999 if you see a stack fire.

Like our fan page on Facebook: www.facebook.com/cambsfrs, follow us on Twitter @cambsfrs.

To find out if you are eligible for a free home fire safety check, call 0800 917 99 94

CAMBOURNE WI

September 2013

Would you like an evening out with like-minded ladies?

This month the Cambourne WI is offering free entry to their meeting. Meet our local PCSO who will be talking about their role, and security issues. We meet in the Hub on 12th September, at 7.30 p.m.

- The next coffee morning will be at Greens on 27th September at 10.30 a.m. If you would prefer to chat to us informally before coming to a meeting, do join us for coffee and cake.
- The Book club meets on the first Thursday of the month. You can collect your book from Cambourne library and then come and join us for a lively discussion in the hotel on the book of the month. Non-members of the WI are very welcome. For more information please contact Fran on 077802665111
- The Walking Group tackle walks of between 4-7 miles contact Fran on 710858 or Penny on 200126 for information on the forthcoming walk or even better come along and give us your suggestions of favourite walks.
- The Darts group starts again on Monday 9th September. Practices are aimed at honing skills of aim, dexterity and maths. Non-WI members are welcome, although to play in matches, which are held between April and July, you need to be a WI member. If you are interested in playing darts please contact Joan on 200908 or Edna on 717360.

If you are new to the area or would just like to meet like minded ladies and women then get in touch and come and try us out. Visitors are more than welcome. For more information please contact Pam on pam.hume@ntlworld.com, or telephone Joan on 200908.

CAMBOURNE FISHING CLUB

Lake Ewart is Cambourne's only fishable lake with an average depth of 4 ½ ft. Located in Cambourne Country Park, there are 33 marked pegs to fish from. It is stocked with Rudd, Bream, Perch, Barbel, and also Carp of mirror, common and crucian varieties. The largest reported Carp so far has weighed in at 19lb. Float, lever, pole, method and fly fishing techniques are welcome. There are 2 specimen awards yearly open to members.

Day tickets are only £5 (Dawn till Dusk), Season ticket Adult £20 (16 onwards), Season ticket Junior £10 (13 – 16 year olds), Children under 13 FREE (must be accompanied by an adult member or day ticket holder)

Please visit the website for the lake rules and more information.

www.cambournefishingclub.com

Open Day held on August 10th 2013 - Brilliant day had by all!!!!

We would like to say a BIG THANK YOU to all who made this day possible. Les Gunasekara for the donation for which we were able to put the event on free of charge to participants. Wildlife Trust for allowing us to use Lake Ewart to run our club and events like these. MAD Baits and Massif bikes for selling our membership and day tickets. Ouse Valley Baits for the bait. Prize donations from MAD Baits St Neots, National Fishing Month, Cambridge Charity Fund Raisers and kind members. Well done to Organiser John Pope along with, Andy Loble from the EA our chairman Bernard Hunt who coached on the day. Paul Hadfield for the coaching on the Casting into Hoops competition. Paul Ruddlesdin who kindly gave up his time to demonstrate the Fly fishing technique. And everyone else that helped - thank you all.

Much appreciated we couldn't have done without all your support. All winners of the Trophies, raffle prizes and Casting Competition have all been notified.

Photos of the event will be uploaded to our website shortly. If you have any pictures of the day you would like added here please send them via: cambourne_fishingclub@yahoo.co.uk

CAMBOURNE TENNIS CLUB

Contact Details: www.cambournetennisclub.co.uk

Calling all ladies; the Cambourne Ladies tennis teams are looking for new ladies who would like to get involved with the teams. We are a fun social group who have had an unfortunate summer with injuries and people moving away, and are looking for any new ladies who would like to play. All levels are welcome. If you would like to get involved call, Laura (mobile: 07592062894 email: laura.mckay@gmail.com) or Kay (mobile: 07775910280 email: Yanagawakay@me.com)

Congrats to the Ladies 1st and Mixed 1st team for getting promoted.

We are currently holding the annual club tournament so courts may be busy as we try to schedule all the matches. Finals will be on September 22nd - check the club website for updates. Club sessions run twice a week on Wednesdays at 18.00 and Sundays at 14.00. If you want to meet a group of friendly people and give tennis a try, then come on down and give it a go, we'd love to see you there.

CAMBOURNE BOWLS CLUB

Free bowls, all equipment provided. Please get in touch about the current season if you would like to join in. 01954 719223 or 07711 613559, Robin Bailey 71 Greenhaze Lane

The Bowls Club will continue to hold open sessions on Monday and Thursday evenings starting at 6.30 pm. Everyone is welcome and there is no charge. All equipment will be provided, the only requirement is to wear flat soled shoes - in general trainers are OK. It is too late for this season but next year we would like to enter the local Bowls League but this depends upon having a sufficient core membership to enable us to put out teams on a regular basis. We are getting close to this but we do need a few more members. Our new Clubhouse is virtually complete but has not yet been officially handed over. This will give us the ability to entertain visiting clubs as well as providing facilities for our members. So please come along and give our green a try - whether you are a novice or an experienced bowler, you can be assured of a warm welcome.

Wildlife Review September 2013

A purple hairstreak butterfly was spotted on the edge of Oaks Wood recently. We have a record from a few years ago, so they may have been around for a while but as they spend most of their time around the tops of big oak trees it can be difficult to see them.

The adults feed on honeydew produced by aphids and the caterpillars feed on oak flower buds and young leaves. It was spotted on a regular butterfly transect that is walked through the nature reserve at Cambourne through the summer to monitor the butterfly population. It also feeds into national figures to look at changes in butterfly populations across the country.

I also had a report of a grizzled skipper butterfly on the southern boundary. They like the mix of short and long grasses with flowers for nectar that we maintain around the grasslands. Do let me know if you spot anything unusual around Cambourne Nature Reserve or in your gardens, especially if you have a photo.

Other wildlife surveys in Cambourne include monitoring the bats, amphibians and dragonflies, as well as the ground nesting birds which I have talked about before. Many of these are done by expert volunteers and we are very grateful for their time to help us learn more about the wildlife in Cambourne.

The protected species in Cambourne, including badgers, great crested newts, water voles and nesting birds, are monitored at any building sites by ecologists. If there is likely to be disturbance to any of these a licence has to be obtained from Natural England that will say how it must be done and what alternative habitat they must provide. If you are worried that any activities you see may be causing disturbance to wildlife, get in touch and I can check it is being done properly.

Swimming in the Lakes

Just a quick reminder in case the warm weather continues into September that swimming in the lakes in Cambourne is not safe. There can be lots of hidden debris under the water and any open cuts run the risk of letting in infections which can be in the water of relatively static lakes. They are not like clear mountain streams to swim in. If you see anyone swimming in the lakes, please report it to the police on 101 as lives could be at risk.

Events

There are lots of Wildlife Trust events happening around the three counties this summer. Have a look at the events section on our website or sign up for our e-newsletter at www.wildlifebcn.org.

Get in touch

If you have any comments, questions or suggestions about the green spaces in Cambourne please get in touch. Email me at jenny.mackay@wildlifebcn.org or call 01954 713516 (please leave a message and I will get back to you)

Underwing and a Prayer

Cadets and Staff from 2484 (Bassingbourn) Squadron and 2484 (Cambourne) Detached Flight visited RAF Waddington for their annual International Air show.

The weather was perfect for the day with a Great Flying Program planned, including the Chinook, Apache, Lynx, Merlin, Tornado, Typhoon 2000, E3 Sentry (the Airborne Early Warning And Control System) and the prestigious Royal Air Force Red Arrows with their usual stunning display. An emotional flypast was flown by the Lancaster flying as Thumper II (which replaced one of those lost on the Dams raid) and a 617Sq Tornado with its Tail art depicting the 70th Anniversary of the raid. There were also many aircraft from other countries at the show including the French Patrouille de France display team, the legendary Saab Viggen and its modern counterpart the Saab Gripen.

But for the cadets the icing on the cake was an under-wing tour of XH588 the only flying Vulcan in the world, kindly hosted by Bob Jackson from the Vulcan to the Skies Trust. Bob kindly donated a Vulcan Pin badge to all the cadets and staff. Shortly after the tour the mighty Vulcan announced its presence with a trademark roar as it thundered down the runway to start its display. It is fair to say that no other aircraft captured the attention of the 70,000+ crowd as did this Aircraft.

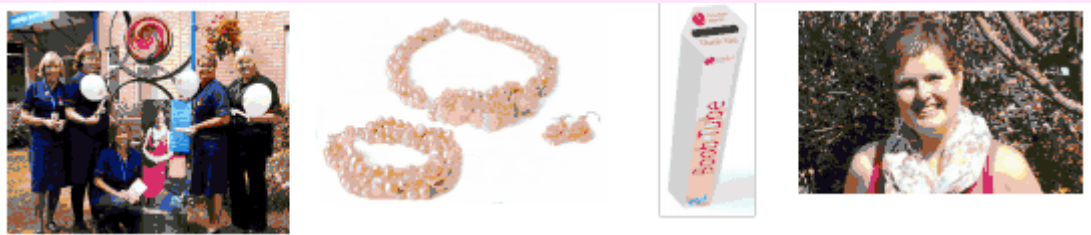

Sergeant (ATC) Rupert Sage said "A well hosted event, fabulous displays and a thoroughly enjoyable day."

Cadet Walls commented "That it was a fantastic show" and along with all the other cadets that went, has said he wants to go again next year. 2014 will see 2484(Bassingbourn) Squadron celebrate its 50th birthday.

If you would like information on how to join the Air Cadets, become a member of staff or support the Flight by joining the Civilian Committee, please call to arrange a visit us at Bassingbourn Barracks or at Cambourne Sports Pavilion, Monday and Wednesday evenings between 7pm and 9pm

Addenbrooke's Charitable Trust

Pink Rose Appeal 2013
Media release: 7 August 2013

Photo

Left picture: l-r: Breast care nurses Pat Skelly, Nicola Jones, Alison Hallett, Sharon Iddles and Jo Rowley

ACT celebrates tenth year of appeal to beat breast cancer

Addenbrooke's Charitable Trust (ACT), the dedicated charity for Addenbrooke's and the Rosie hospitals, is this year celebrating its tenth annual Pink Rose Appeal to raise additional funds for breast cancer care and treatment at Addenbrooke's Hospital.

Started in 2004 by fundraiser, Louise Sunderland, it's thanks to many kind supporters that the Pink Rose Appeal has now raised over £450,000 for the Cambridge Breast Unit and Cambridge Breast Cancer Research Unit. A large proportion of the funds helped establish the £2 million Cambridge Breast Cancer Research Unit in 2008 and fundraising continues to help make a difference for the many women and men who suffer from the disease.

As in previous years, ACT is inviting people to host Pink Rose parties during October – breast cancer awareness month – and ask their guests to make a donation to the cause. Anything goes, from coffee mornings to dinner parties to cocktail soirees. It's easy – people are simply asked to get together with friends, family or colleagues, have fun and raise much-needed funds to support breast cancer care.

In addition, this year's appeal features new and exciting initiatives to make it even easier for people to get involved:

- 'Boob Tube' collection pots – a fun and funky way to collect spare £1 coins
- 'Mayer Pink Rose Jewellery' – exclusive to the Pink Rose Appeal, these fresh water pearl and rose quartz pieces are fabulous gifts
- Pink Rose Appeal rosebush – a bespoke rosebush cultivated especially for Pink Rose Appeal supporters
- Pink Rose pin badges – this delicate accessory makes it easy to proudly show support for a wonderful cause

Former Addenbrooke's Breast Cancer Patient, Cathie Sales, 30, from Comberton, said: "Pink Rose Appeal fundraising supports a really worthy cause. Please join me and many others to help make the patient experience even better. The little things can really make a difference such as the new Friends Quiet Room, which was a much nicer environment to have my prosthesis fitted in than the clinic room I was initially seen in. I felt more comfortable and relaxed at that stressful time. Your help can mean that patients like me can have the best treatment possible. Thank you."

Michelle Gray, Head of Community Fundraising at ACT said: "We invite everyone to get involved in the Pink Rose Appeal this year. It's so easy to take part. If you're unable to hold a Pink Rose party, then you could purchase some of our exclusive jewellery or request 'Boob Tube' collection pots in which to save your £1 coins for the cause. Every extra penny raised for the Pink Rose Appeal is so important – helping to improve care for breast cancer patients and making a real difference to ordinary people, now and in the future."

For more information about the Pink Rose Appeal or a fundraising pack, please contact Mercy Kaggwa, Community Fundraising Assistant on 01223 349805, email communityfundraising@addenbrookes.nhs.uk or go to www.act4addenbrookes.org.uk/pinkrose.

The Cambourne Crier relies on volunteers to compile the editorial. If you could offer a few hours a month you could ensure that the magazine continues to drop through your letterbox.

If you have and can use a computer, please get in touch

POLICE - Our next 'Cuppa with a Copper' session will be on Friday 20th September 2013 at Greens Coffee shop between 10 and 11am. Please come along and discuss current Policing issues.

David Jackson PCSO 7064 Safer Neighbourhood Team Cambourne Police Station

Wysing Arts Centre

Artists are announced for Defining Pi; a an innovative new educational research programme using the Raspberry Pi computer

Wysing Arts Centre is collaborating with the Crucible network at the University of Cambridge on a new programme, Defining Pi, which aims to test the potential of the new Raspberry Pi computer and spread understanding in coding.

The five artists who have been selected to work on the programme, which runs throughout August and September, are Richard Healy, Kate Owens, Rob Smith, Chooc Ly Tan and Dan Tombs. All the artists are embarking on learning new skills in computer programming in order to enable them to make new work with the Raspberry Pi. Rachel Drury, Defining Pi Project Manager says " Defining Pi aims to give artists the opportunity to develop new coding skills and produce new work using extraordinary technology that has yet to be tested in this way. It is an experiment that seeks to explore how artists adapt to programming and how it affects their artistic practice. We hope that the results, which will be shared online and through a series of talks and workshops in Cambridge during autumn 2013, will inspire other people of all ages to try it for themselves."

The Raspberry Pi was developed in Cambridge as a charitable, open source venture aimed at giving young people affordable equipment in which to develop computer programming skills. It has become a global phenomenon. The Raspberry Pi is providing a new generation of low cost and extremely portable equipment and alongside the computer itself a camera and sonic module have been developed.

The artists are working with the support of Dr. Sam Aaron, Research Associate at the University of Cambridge Computer Laboratory and the Raspberry Pi Foundation. All works and coding developed will be widely disseminated in order to share the experiences of the artists.

This programme is being delivered in partnership with the Raspberry Pi Foundation and with funding from Arts Council England.

Dr. Aaron will also be running a Raspberry Pi workshop during Wysing's annual festival of art and music Space-Time as well as performing live coding with his band Meta-eX. More info on Wysing's website

Cambourne Beavers need helpers

www.cambourne.info/cambourne-beavers/

Join The Adventure Inspire - Encourage. Achieve.

Scouting opportunities are possible thanks to dedicated individuals who work together to provide varied and challenging activities for young people. Currently over 20 adult volunteers in Cambourne, play a major part in delivering this amazing adventure week in, week out.

We are looking for even more enthusiastic adults who would like to develop Cambourne scouting further by offering to share their skills, knowledge and experience by becoming leaders, assistants, helpers or supporters.

By offering as little as 30 minutes to 4 hours per week, you can make a huge difference to the sort of activities being provided to the young people, whether it's going out on a trip, helping them learn new skills or participating in events which make a difference to the whole community. In turn, we will be able to offer the scouting adventure to the 100 young people who are awaiting spaces.

Walking Group

On a lovely summer's day a group of 7 walked from Fen Drayton, via Swavesey and the nature reserve back to Fen Drayton, returning to Cambourne in time for lunch. Next month we plan to walk around Barrington, a varied walk through a copse, beside a river, and across meadows, probably stopping at the pub in Barrington for refreshments at the end of the walk. Do join us on 13th September, at the rear entrance of the library at 10.15.

Other walks planned are:

- **Reach, Devil's Dyke:** Approx 5 miles **October 11th**
- **Chesterton to Baits bite lock and back via Fen Ditton:** Approx 4.5miles. **November 8th**
- **Cambourne to Bourne:** Dec 6th

If you enjoy a walk, a chat, and maybe a coffee or lunch then join us on the 2nd Friday of each month.

We meet at the rear entrance to the library at 10.15 a.m. and walk an average of 5 miles - sometimes ending in a stop for lunch or a coffee if a good pub presents itself.

For more information e-mail Pam Hume at pam.hume@ntworld.com, or telephone Penny Flanagan: 01954 200126

CAMBOURNE NETBALL CLUB

CALLING ALL JUNIOR NETBALLERS!!

Cambourne Netball Club is excited to be launching our new junior squad this September!! The junior club is open to girls in Year 7, 8 and 9 and will be held on Thursday evenings (term time only), 6pm-7pm at Cambourne Village College Sports Hall. We welcome girls of all standards; sessions will be run by a qualified coach, with opportunities to play competitively in the summer league. We are able to offer two free taster sessions for potential members. Those wishing to join the club after this will be required to pay an annual fee of £90.00 (two installments of £45.00). The first junior session will be held on Thursday 19th September. To book a place please contact cambournejuniornetball@outlook.com

Our adult teams have continued their run of success with Cambourne 2 finishing summer league as runners up and Cambourne 3 placing a respectable 7th in their division. Many players were making their competitive debuts with CNC this summer - it has been fantastic to see everyone's skills develop over the games, watch the teams bond together, and have a lot of fun in the process! We are now putting all our efforts into preparing for winter league which begins in

September - fingers crossed we can be as successful as last season! We have also recently formed a 4th team who will be entering a social league over the winter as well as continuing training with the rest of the club. As always, we are on the lookout for new members! If you would like to join, come along to training **Thursdays 7.30pm-9.30pm at the MUGA** or contact cambournenetball@googlemail.com

The Running Man

Hints, Tips and Info for Runners

From the Run Leader of Cambourne Runners – Run in England Group

Have last month's Athletics World Championships and the performance of athletes like Mo Farah left their legacy with you? Well if you have been inspired to get fit or try a new sport then why not give running a go? Not only is it a great exercise in its own right but it can also provide an excellent base fitness for a range of sports. Running will build a strong cardio vascular system while easing you into exercise and aid weight loss if required. It is the perfect exercise to fit around any time restraints, with the added bonus that you can do it for free and you don't have to be tied to a gym to take part. So what do you need to do to get started?

You can just pull on a pair of trainers, shorts and t-shirt and start running. But, if you want to take this seriously, it is worth investing in a good pair of running shoes. Get along to your local running shop and ask for a GAIT analysis to help select the perfect shoe for your running style. This is an investment that could protect you from injury and increase your running pleasure. Later you can look at buying some good lightweight technical running clothing too. When you start running don't try to run as fast and as far as possible right away, follow a plan that builds up slowly. Try to set out three days of the week that you can easily find half an hour to go out and run. Doing this will encourage you to keep to your running plan and not find excuses to avoid it.

If you are an absolute novice it is wise to set out on a walk/run programme, email me at: cambournerunners@gmail.com for a training plan. Following this schedule and you should find that in a couple of months you will be able to run 5km non-stop. As you increase your running time, search the web for dynamic and static stretches as this can improve your flexibility and reduce the risk of injury.

If you don't enjoy exercising alone, try to run with a friend or perhaps come along to one of our Saturday morning group runs (times listed below). So, take that inspiration, get out there, run and get fit. Remember, if unsure; please consult your doctor before undertaking any new exercise plan.

The Cambourne Runners Group meets outside the Hub Saturday mornings at 8:50 am for a 9am start*. Aimed at those that can already run 5km (in under 45mins). A friendly and free run group!

*Please note that on the last Saturday of each month there is no regular group as members take part in Parkrun. Upcoming Local Races: Every Saturday: Parkrun 5 km trail Cambridge, Milton Park and The Wimpole Estate and Huntingdon all Start at 9am. Sunday 29th September the Bourn To Run Fun Run and 10k: www.bournTORun.com

Academy - The Eagles Academy is starting afresh in September and we are now inviting children entering school Reception or year 1 in September 2013 to join. Please hurry and contact the club secretary as we usually have a waiting list by October!!

Under 7 Blue and Red - Our Blue and Red teams enjoyed a pre season tournament at Cherry Hinton on 1st September and are now looking forward to the 2013/14 season in the Hunts league. Thank you to all the under 7 players and their parents that supported us at the Cambourne Village Fete on such a hot day during the holidays.

Under 8s - The Under 8 team are ready and raring to go for the new season having trained over the summer they are sure next season will be lots of fun!

Under 9s - After a fantastic season last year, the Under 9s are looking to continue their amazing form throughout the new season. The team are all looking forward to getting their football boots back on under the new manager Rob Lewis.

Under 10s - It has been a very exciting start to the season after a busy summer of training. The new players are fitting in well and everyone is playing great. During the holidays, the Under 10s had a coaching session with Cambridge United which seems to have set them up nicely for the season.

Under 11s - The new U11s are preparing for bigger pitches, bigger goals, bigger teams and off-sides. Our new signings are settling in well but a couple more would still be welcome. Training resumes 6th September at 6pm at the MUGA, under new manager, Lee Taylor.

Under 12s - The U12s are looking forward to their first competitive season starting soon. A few new teams in the league will give the boys a fresh challenge for 2013/14. We are hoping to welcome some new faces to the team which will help strengthen the side.

Under 14s - This season we are actively looking for new players to join our Colts league squad. Any players in school Year 9 who are interested are invited to attend our training session on a Wednesday at 6.00pm. If you are interested please call Tracey, the club Secretary.

Cambourne Rovers Reserves - Calling all players 16 years and over - Cambourne Eagles is looking to support Cambourne Rovers men in their search for players for their men's team. If anyone is interested in joining this great team please contact me directly on sallyaday1@gmail.com. To join any Eagles team, please contact our club secretary!!

Committee - Youth football mourned the untimely death of Brenda Ince MBE. Brenda was the driving force in youth football since 1976. Brenda assisted CFC form 4 years ago and has been a massive support ever since. We pass on our sincere condolences to Brenda's family and friends. She will be missed by many. The CFC Committee was pleased to receive an email from MP Andrew Lansley to congratulate the club on our progress. We are now hoping to arrange for Mr. Lansley to come and meet the members of CFC.

CFC players, Callum, Harry and Will were extremely excited as they were interviewed live on Radio Cambridgeshire. The boys spoke about how much they enjoy playing for the club and all the new friends they have made from the different schools. Well done to the three players, they were really nervous but did fantastically well.

Soccer School grew in numbers again in August and we would like to welcome all of our new players to this very popular session. Coached by former CUFC player Chris Racher, Soccer School is held every Saturday morning, for children under the age of six, 9-10am at the Cambourne MUGA -

chris.racher@hotmail.co.uk

C.F.C U7 Team - CFC would like to welcome Lee Porter as the new U7s manager. CFC U7s played a friendly against Waterbeach and despite their concentration and hard work, Cambourne went behind. However they managed to score in the second period with a goal by Marcus and another by Sam who also managed to grab the winner. In addition to the goal scorers, all players did themselves and their supporters proud. Well done! - ltb1713@outlook.com

C.F.C U8 Teams - The U8s have been training hard throughout the summer in preparation for the switch from the Hunts League to the Cambs Mini League. The side would also like to welcome Brandon Baptiste to the team - patricktarpey@btinternet.com

C.F.C U9 Teams - After a magnificent performance at the Histon tournament, the Under 9s took a well deserved break and have now started pre-season training ready for the new season - simondowe@yahoo.co.uk

C.F.C U10 Teams - The U10s have been training hard through the summer in preparation for the new season and look forward to their first game.

There are still a couple of free spaces in the second U10 team and if you would like to join please contact us - jezjubb@shacklog.co.uk

C.F.C U11 - CFC U11s welcome Thomas and Aidan to the team. As U10 league winners,

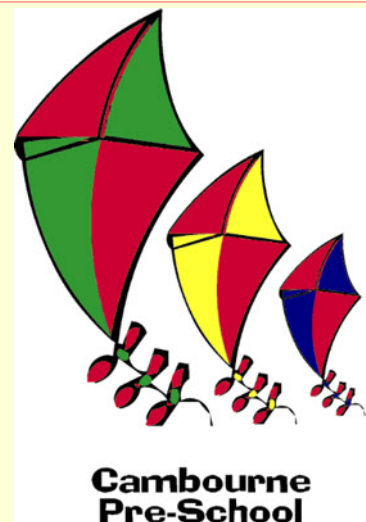

CFC U11s have been promoted to the A League where they hope to continue their winning form from last season - g.maylin@hotmail.co.uk

C.F.C U12 - CFC U12s welcome Sammy to the team. U12s have continued training hard throughout the summer as they look to improve on 4th place in the Cambs B League next season - sracher@hotmail.com

C.F.C U15 - The U15s have begun training in preparation for the new season and are looking forward to their first game of this campaign at home against Fulbourn - clmbuilder@btinternet.com

On Monday 22nd July Cambourne Pre-school held their Leavers/Summer party at the Hub. With Party games, disco music

& lights the party got off to a great start. Mr Rainbow continued the theme with his magic and puppet show and the children enjoyed singing and dancing along to his songs. With face painting and an activity table the children were kept entrained though out. The leavers received staff made certificates and mortarboards which had been inscribed with all the staff names. After this all the children enjoyed a buffet lunch. Hot and cold drinks along with cakes were provided for the adults which helped to raise over £234.

The final figure raised by the our 'sponsored walk' was £548 with 25% going to the Pre-school. Well done to everybody involved and to those that donated.

The last event of the school year was our 'car boot sale' organised by Julia Kedziora and held at the Hub on Sat 10th August. This helped raise £200 for the Pre-school. A big thank you to the staff, committee members & parents/guardians for all their hard work through out the year.

Cambourne Pre-school still have a number of spaces available. If you are interested in sending your child to an established pre-school then please contact our manager M's Donna O'Shea on 07875 083163 or email cam.preschool@btinternet.com

Cambourne Pre-School is a charitable organisation run by a committee of volunteers. If you have a couple of spare hours a month and think you could help as a member, then please contact M's Donna O'Shea on the above.

Many thanks

Gerald Clutterbuck for and on behalf of Cambourne Pre-school.

The Annual Cambourne Fireworks 2013

This years fireworks will be going ahead on **Saturday 2nd November**. Make sure you make a note to be there. **Please make a donation on the night to make next years even better**
