DEVELOPER AMBITION TO GROW CAMBOURNE AGAIN

Since 2004 or before, it has been obvious that developers here are keen to develop sites that were held as options when the site for Cambourne was decided.

The Local Plan put forward up to 950 more homes to the West of Cambourne but developers have now submitted a plan for 2350 more!

A plan in 2004 was rejected by a planning inspector for an increase to around 5000 but developers increased densities anyway and achieved 4250, when we had to agree we were assured that would be it.

South Cambs District Council failed to provide enough houses in the Local Plan and left the "Barn Door" open.

There are also plans for 3 or 4 thousand at Bourn and another similar number to the North of Cambourne.

Local people should be listened to so if you wish to respond, now is the chance.

It is difficult to see how the carefully planned settlement would integrate with such a massive increase.

Transport is an issue, we saw subsidised bus fares withdrawn from the early days when fares went up 250%.

The current centre car park has little room for expansion already being smaller than was required anyway.

The application preempts the current local plan inquiry now under way.

There are several ways to make your views known:-

The 6 weeks consultation started on 22nd December so your response should be made soon but is likely to be extended later than that.

New year message from the Chairman

"Happy New Year! It was really good to meet so many of you at the various Parish Council functions throughout last year. I would really like to meet more of you at all our Council and Committee meetings. The meetings are open to the public and are non-political and non-religious.

Part of your council tax goes to the parish council to maintain Cambourne and fund projects, many things happen behind the scenes to try and improve Cambourne. If you would like to find out more then you are all welcome to attend the parish meetings which are usually held on the first Tuesday of the month. The parish website www.cambourneparishcouncil.gov.uk has the agenda and minutes for the meetings. We look forward to seeing you at a meeting in 2015."

Cllr Simon Crocker - Chairman

New Parish Councillors

At the December meeting, Cllrs George Cooper and Ruth Betson were co-opted onto the Parish Council. The Parish Council now once again stands at its full complement of 13 Cllrs. We welcome George and Ruth to the team and look forward to working with them in the future.

A look back at 2014

The start of the New Year is a good time to reflect back on the work of the Parish Council during 2014. Some of the work undertaken includes:

Public open spaces and play areas

Repairs were been undertaken to equipment in the Great Cambourne Play area and the Eco Park Play Area has been resurfaced and new equipment added.

Traffic matters

Following a public consultation yellow lines have been installed on Brace Dein and Lancaster Gate in the vicinity of the Vine School. The yellow lines were installed following concerns regarding children's safety during school drop off and collection times in consultation with the Vine School and the developers. The Parish Council has also worked with the developers and Cambridgeshire County Council to progress the programme of road adoptions in Cambourne.

Events

The Parish Council once again organised successful visits from both the Fun Fair and the Circus and has supported the BBQ Feast, Fireworks and Christmas Lights Switch On events.

Staff

In 2014 the Parish Council took on an Apprentice Groundsman and an Apprentice Office Administrator. Both roles have provided local school leavers with an opportunity to gain a recognised qualification whilst earning with the potential for a full time role at the end of the apprenticeship period. The staff continue to update and enhance their skills by attending training courses and conferences.

Volunteers

In 2014 the Parish Council began a Volunteer Litter Picking Scheme in response to requests from members of the public. Volunteers are asked to read and sign a risk assessment and provided with a hi vis vest, a litter grabber and protective gloves. The scheme currently has 10 volunteers who litter pick in various areas of Cambourne. The introduction of the scheme has seen a dramatic reduction in the litter around Cambourne and has freed up the grounds staff time to focus on other tasks. Anyone interested in joining the scheme should contact the Parish Office.

This is just a small sample of the work undertaken by Cambourne Parish Council during 2014 and we look forward to continuing this work and rising to the challenges that 2015 will bring.

Sunday walks

The December walk was postponed for a week, but we had a good walk round Wimpole the following week, in January, when more people were around following the Christmas break. Needless to say, we still had the January walk at the end of the month. We have one or two new walks in mind for this year - one around Hatley, taking in views of the countryside and Hatley Hall. As always we are open to suggestions, so do come along on the last Sunday of the month, or contact Dave for more details.

The next walk will be on 22nd February, starting at 10 am at the Monk's Wood car park on School Lane. Dave's contact details, for further information: david.ellis910@ntlworld.com, or 01954-202792.

Monkfield Medical Practice

Building Work

We are very pleased to say that the building works are all now completed! The surgery is looking clean and bright, all

areas conform to strict infection control standards and the reconfiguration means we now have more consulting rooms in which to accommodate additional community services. We thank you for your patience during the past 3 months and hope you agree that it has all been worthwhile!

Staffing Changes

This month we welcome June Grainger, an experienced Nurse Practitioner, to the clinical team. She will soon become a familiar face around the practice! We say goodbye to Dr. Halliday who is taking a career break to concentrate on her family and studies – we wish her all the best for the future.

Repeat Prescription Requests

Please remember to submit your requests for repeat prescriptions in good time. We need **2 clear working days (4 clear days if being collected by Lloyds Pharmacy)** in which to process these due to the volume that we receive and to allow for any queries to be passed to a GP. We get several 'urgent' requests a day from patients who have already run out of their medication, particularly on Fridays, and this creates unnecessary strain on the Duty Doctor. We therefore **cannot guarantee** that such requests will be dealt with the same day.

The responsibility is with you, the patient, to ensure you order your medications in plenty of time.

Do you really need to be seen?

We are now into the time of year when demand for appointments is at its highest as the inevitable coughs, colds and flu are rife. As you have probably read in the national press, hospitals and GP practices across the country are struggling to keep up, as the demand this year is higher than ever. We would therefore urge you to consider other options before calling the surgery for an appointment as most minor illnesses can be managed at home without the need to see a Doctor. Your local pharmacist will be happy to give advice on suitable over the counter medications and the NHS 111 service can provide advice and information (this service is available 24 hours a day, 7 days a week, 365 days a year and calls from landlines and mobile phones are free). Of course, if they feel you do need to see a GP they would advise you to do so. ***With your help in this way we can make sure that appointments are available for those who really need them.***

Consultation on a future model for NHS 111 & GP Out of Hours Services

This is a nine week consultation to gather feedback on how to provide good quality NHS 111 and GP Out of Hours services to the residents of Cambridgeshire and Peterborough. The aim is to help residents get to the right place for help and advice. Copies of the consultation are available in the waiting areas and at reception. **The deadline for responses is 5pm on 6th March 2015.**

MEET OUR NEW EDITOR CALLUM CURUK

I'm 17 and I like helping out people, I've done volunteering since I left school. I volunteered at Addenbrooke's Hospital for 9 months, I still help out at Addenbrooke's but not volunteering on wards I help out the Addenbrooke's Charitable Trust when they need assistance with any events. I volunteered to help out at Cambourne Fireworks back in November and I also help set up for the Cambourne Christmas Lights Switch on last month.

I am due to go on training in March for Care Network Cambridgeshire so I am able to become a help at home volunteer and I am also looking into volunteer with the Red Cross. I have also done a lot of fundraising for various charities, my first ever fundraising event was back in 2012 when I held a coffee morning in aid of Neonatal Intensive Care Unit & Special Care Baby Unit at the Rosie Maternity Hospital and raised just under £3,000, I have

also raised money for East Anglia Children's Hospice and I am planning an event in March for SHINE.

I am really enjoying volunteering for the Cambourne Crier, the editing team are so friendly especially Roger who has helped me get started and will help with any problems or questions you have! I hope to help the Cambourne Crier for some time as helping to put some articles together for the January was such fun you can do almost

anything you want to make it look nice and I look forward to editing future issues. I would encourage anyone to come and help us at the Cambourne Crier we are all very friendly! **Callum Curuk**

THE GIFT OF COMMUNITY

The church held an away day in January to consider where God is calling us to be as church in Cambourne. That away day began by thinking about the community of Cambourne and the people who choose to call this place home.

One of the great things about living here is that there is a sense of community to which we all belong, people have a concern for what happens here and we gather together to celebrate events such as Light Up Cambourne and the Summer Fete.

Cambourne is of course unfinished; the developments in Upper Cambourne see new residents moving in daily. On the horizon, whatever your view, is Cambourne West, which if it goes ahead will see

our community grow further. People come to live here from many countries and many backgrounds and this diversity enriches the sum total of who we are together. It is a wonderful thing to be able to celebrate different cultures, languages, faiths and perspectives.

Also in January, the Parish Council held a launch event for the Parish Plan which will explore how our community will grow and what is required for it to grow 'well'.

Jesus was no stranger to community; he formed around him a group of followers and taught them to love, respect and support each other. Belonging to a community is a precious gift, a place where people belong and have value, a place where friendships can be formed.

Let's celebrate together as we continue through 2015 the gift of community we enjoy in Cambourne.

Pastoral Thoughts

February already and of course many people talk about valentines day and love. I will be speaking on that subject in a message this month. I remember in my youth a song by Howard Jones who sang, what is love anyway? Well let me tell you it is not about flowery words and candles. It is not compassed in music and chocolates. Love is sacrifice for the sake of another. It is not proven in happy sweet moments that would be at home in some romance novel, but rather in times of pain and endurance, sickness and weariness. Love that inspires and drives you to keep on going well past the comfortable and socially acceptable. Putting another's needs and desires before your own. A self aware act of the will, not an emotion but a choice. Not a passing lust but an enduring need to do what you can for this individual. It is the love of a parent for their child or the love of a husband for his wife or vice versa. But more than these it is the love of a God for His children. So that will be some of the subject matter, as well as a continuing study in abounding grace in 2 Corinthians during the Sunday school hour. I am also available to help at other times whether it is a chat, or you need prayer or , maybe you are just curious about what the Bible says on a certain subject.

If you have questions or if you need to talk let us know.

Pastor Donovan Bangs

AIR CADETS

Cadets from 2484 (Bassingbourn) Squadron Detached Flight were granted use of 3 classrooms in Cambourne Village College, which has given them better facilities, and more scope for future success.

"It is with great pleasure that I report that 2484 Squadron paraded for the first time on Monday 12 January 2015 at Cambourne Village College. We thank all those involved in making this happen and look forward to a very long association with the school" said Flt Lt Andrew Kyprianou, OC 2484 Squadron.

Experience tells us that very successful

Squadrons arise from good school connections allowing for the use of their facilities such as the gym, IT Rooms, play

grounds and playing fields making for a very active squadron and a rewarding cadet experience.

2484 (Bassingbourn) Squadron set up a Detached Flight in Cambourne over 3 years ago and despite best efforts by all, suitable long-term accommodation was not available.

However, in a very short time the Detached Flight reached membership numbers greater than other full squadrons thus demonstrating the demand for this adventurous youth organisation. With the move into the school the Squadron sees a bright future that will allow the Detached Flight to realise its full potential, serve the local community and give the youth of the district opportunities for venture and adventure not possible at school or home.

The Air Training Corps recruits cadets from the age of 12 to 17 years of age and provide a range of opportunities and activities ranging from flying, gliding, adventure training and overseas trips which enable them to develop a range of skills.

healthwatch Cambridgeshire

Our job is to make sure you have a say when important decisions are made about local health and care services. We are interested in any recent experiences you have of local health or care services that you are happy to share with us.

The big health story in the news this new year is about pressures on our local hospitals. We know that these are linked to other issues like getting to see a GP when you need to and getting care in place when you are coming home from hospital. We have two new projects which will look at some of these issues from a different viewpoint.

In our First Steps to Health project we want to find out about the first thing you would do to solve different health issues. Would you work it out yourself, see a pharmacist, call NHS 111 or see your GP? Knowing what you do can help our local GP practices and the people who make decisions about local health services plan better care. Please do take part in our survey either on our website or by contacting our office.

We also need you to help us develop our local Care Home project. We want to use our statutory duty to enter and view local care homes. We have a legal right to visit places that provide public health or care services, to see what kind of care they are providing. We need to recruit volunteers to be authorised representatives. Your role will be to go into local care homes and talk to the people there about the care being

provided. This might include talking to residents, their relatives, friends and care home staff. You will get lots of training and support.

Do you have any recent experience of a local care home, or do you know someone who has? Please tell us about it. We will use what you tell us to plan which homes we will visit and what to look at. We are also talking to the County Council and the Care Quality Commission, to help us plan where we should visit.

• *Get in touch to find out more or we can come and talk to your group about Healthwatch. Call us on 01480 420628 or visit www.healthwatchcambridgeshire.co.uk*

We want to know what you think about our Local Healthwatch, so we can do more of the good things and less of the not so good things. What issues do you think we should work on in the future? This is important, as it helps us focus on what matters to you.

Please take three minutes to tell us what you think by visiting:

<http://www.healthwatchcambridgeshire.co.uk/how-are-we-doing>

Survey closes 8th February 2015.

Cambridgeshire Fire and Rescue Service needs you!

The recruitment process opens this month

Think the fire service is all about putting out fires and rescuing people from road crashes? Think again.

At Cambridgeshire Fire and Rescue Service, the men and women on our front line deliver important fire safety advice to dozens of different communities. From visiting schools to care homes, mother and toddler groups to community fetes, our firefighters play an integral role in keeping YOUR community safe.

We'd like you to think about joining us. The role of a firefighter is varied and exciting but most importantly, it can make a real difference to people's lives. It's a profession which provides development from the start, with opportunities to grow into management or specialist roles for those who want to.

The next recruitment process for wholetime firefighters opens this month (February 2015).

Wysing Arts Centre introduces its artistic theme for 2015, The Multiverse

The Multiverse is a theory that proposes the potential for multiple universes to exist in parallel with the known universe. During 2015, Wysing Arts Centre will take the theory as a starting point for a series of experimental research-based residencies, artistic retreats, an artist Masterclass and summer school, exhibitions, events and a festival of experimental music.

The programme will be launched at a special event on Saturday 21 February, 12-7pm, at which eminent scientists will speak about Multiverse theory, alongside philosophers, artists and writers. Contributors include Martin Rees, Emeritus Professor of Cosmology and Astrophysics at the University of Cambridge, Anne-Christine Davis, Professor of Theoretical Physics at the Centre for Theoretical Cosmology, University of Cambridge and Dr Simon O'Sullivan, Reader in Contemporary Art Theory and Practice in the Department of Visual Cultures at Goldsmiths, artists Beatrice Gibson, Joey Holder and Lis Rhodes and writers Tom Morton and Mark von Schlegell.

Alongside artists-in-residence, across 2015 Wysing will also host the arts organisation Electra in-residence. Electra will curate a series of public events during the summer of 2015 that will include exploring particle physics through musical scores. A highlight of the year will be Wysing's highly acclaimed festival of art and experimental music which is now in its sixth year.

Wysing's Director Donna Lynas said:

"The potential for other worlds to exist is one that has captured the imagination of writers, artists and scientists for centuries. This need to look to other worlds has become increasingly urgent as we struggle to understand the changes taking place within our own world, not least the effect of climate change and the influence of social media on our lives and identities. We are looking forward to exploring The Multiverse with some incredible minds and talents over the coming year and hope that it will provide fertile ground for new art to be created and new audiences to engage with it."

Wysing's artistic programme during 2015 includes: 21 February 12-7pm

Launch of The Multiverse with presentations by scientists, readings by writers and artistic contributions including the immersive installation *Light Music* (1975) by Lis Rhodes, screenings of work by Maya Deren (1917-1961) and readings

and interventions by Beatrice Gibson, Joey Holder, Tom Morton and Mark von Schlegell.

WYSING ARTS CENTRE develops new ways to support artists and enables art and ideas to engage a wide range of people in unexpected ways. Wysing's large rural site near Cambridge comprises artists' studios, education and new media facilities, a gallery and project spaces, a 17th century farmhouse and outdoor sculptures and structures. Wysing offers a unique environment for art to be developed and presented; with an ongoing and innovative artistic programme of events, exhibitions, retreats and residencies and a unique programme for young artists. Art developed at Wysing is shown at significant venues around the world, and Wysing is part of national networks including Plus Tate, Contemporary Visual Arts Network, and Arts Council England's National Portfolio.

VALENTINE'S DAY DINNER DANCE

THE CAMBRIDGE BELFRY

SATURDAY 14TH FEBRUARY

Valentine's Day was first associated with romantic love in the circle of Geoffrey Chaucer in the High Middle Ages, when the tradition of courtly love flourished. In 18th-century England, it evolved into an occasion in which lovers expressed their love for each other by presenting flowers, offering confectionery, and sending greeting cards, so why not celebrate with us.

On arrival, enjoy a glass of fizz before indulging in a four course dinner with coffee. After dinner be entertained by our resident DJ through until midnight.

New Foodbank Opening in Cambourne

****Opening Date Thursday 5th February 2015****

New Foodbank Distribution Centre for Cambourne.

From 5 February Cambourne will have its own foodbank distribution centre. Based at The Ark it is being opened with the strong support of Cambourne Church as part of the Cambridge City Foodbank (CCFb). The Ark will be CCFb's seventh food distribution centre but is the first to be opened outside the city.

The Ark will be open every Thursday between 10.00 and 12.00 to distribute food to anyone with a CCFb voucher. Vouchers can be obtained locally through Children and Young People's Services and the Housing Benefits section of SDCD in Sackville House, The Vine Primary School, Papworth's Children's Centre and Bedfordshire Pilgrim Housing Trust. A wide range of other agencies such as Citizens Advice Bureau, Centre 33, Cambridge Women's Resources Centre, social services, some medical centres and many others also hold vouchers.

Clients receive 3-days food provision for each member of their household in exchange for a voucher and may have up to 3 vouchers in a 6-month period. Volunteers from Cambourne will be running the centre to provide a warm welcome to clients.

Please note The Ark is not a drop-off point for food donations. Thanks to the generosity of local people in the lead up to Christmas, CCFb has very good food stocks of most items at present. The CCFb website keeps an updated list of current shortage items should you wish to make a donation, www.cambridgecityfoodbank.org
These can be dropped off at SCDC reception, the Monkfield Arms and Morrisons.

Cambridge City Foodbank is a member of the national Trussell Trust family of foodbanks and operates using its systems and standards. Phone CCFb on 07772 538628 for further information or Julie Whitbread for local Cambourne information at Julie.whitbread@cambournechurch.org.uk 01954 710644.

CAMBOURNE WI

We have an interesting programme for 2015, starting this month with The History of Pearls. On February 12th Gundal Haxton will be talking about this natural beauty. Pearl items will also be available to purchase on the night, so if you want to treat yourself before Valentine's night, come along to the Hub at 7.30 pm. Membership for the year is £36, but if you prefer to come as a visitor, then we make a small charge for the evening.

Not interested in pearls? Then perhaps next month's speaker (as always on the 2nd Thursday in the month) will be of more interest. Wendy Marshgreen will be discussing The Art of Accessorizing.

Our next coffee morning will be on February 27th, as always on the last Friday of the month. We meet in Greens at 10.30 am. Feel free to join us for a chat and a cuppa.

The WI book group still meet at the Belfry on the first Thursday of the month. Contact Fran Panrucker on 01954-710858 for further details.

The darts group meet at 7.30pm each Monday at the Monkfield Arms. They have entered a team of six into the competition again this year. But new members and drivers would be most welcome to learn how to play. Please contact Joan Roe, 01954-200908 for further information.

For more information about the WI, please contact Pam on pam.hume@ntlworld.com, or telephone 01954-201808 for a chat.

All submissions for the next edition must be received by 9pm on the 19th of the month. Please send all editorial content to editorial@cambournecrier.org. The Cambourne Crier is published online at www.cambournecrier.org - in full colour.

Items and attachments must be named to suit content or are likely to be rejected. For paid ADVERTISING, e-mail: ads@penpub.co.uk or tel (01954) 267842. For LEAFLET deliveries with the Crier, e-mail: delivery@cambournecrier.org

Cambourne School Reports

Monkfield Park Primary School

Happy New Year! The New Year gives us a chance to review our progress and set new goals for the year ahead. The children at Monkfield Park wasted no time in setting themselves a maths resolution, from improving number formation to using their knowledge of number facts to solve more adventurous word problems. You can see them in our photograph making a head start on this as they work on number programmes using the computers. Looking forwards to all the exciting learning opportunities coming up this term; Year 1 will be joined by Tatty Bumpkins to investigate the scientific discoveries of Sir Isaac Newton. The children are eagerly awaiting their visitors from the local community during Science Week, when we will be learning how useful science is in our everyday lives.

In fact the whole school is excited about our Science Week, which will be held later this month. Many thanks to all the parents and local companies who have volunteered to share their expertise with us. We expect

the children to be buzzing with enthusiasm for science after these inspirational activities.

Meanwhile Year 2 are preparing for their highly anticipated performance of "The Moon Thieves", which is bound to be as out of this world as the title suggests! An aspirational story with woodland creatures, magical dances and a happy ending. We can't wait!

We are all looking forward to the warmer days ahead as the Spring term progresses and to getting out onto the field again. Head@monkfieldpark.cambs.sch.uk

February 2015 Year 2 Christmas Performance

In the second half of the autumn term Year 2's literacy focus was recounts. We explored newspaper articles and wrote about our Remembrance Service with Year 6. We stepped into the shoes of Samuel Pepys while learning about The Great Fire of London and wrote an entry in his diary. Now we have written an article about our Christmas Performance "Children of the World".

On Tuesday and Wednesday the 9th and 10th of December 2014 Year 2 performed our Christmas play. It was called 'Children of the World'. We had practised for weeks and finally the day arrived. We were very excited. In the play the angels told how children from around the world celebrate the birth of Jesus.

First we put on our amazing costumes. Children from Australia wore clothes from the beach because Christmas there is in the summer. After we lined up in our countries we walked into the hall and got in our positions. The stage was big!! It was like a theatre. It was filled with mums and dads.

I was quite nervous because there were lots of parents.
Max B

When it was my turn to talk I used my big voice. Tymek

My mummy and daddy said it was fabulous. Bronte

I was proud of myself. Calum

It made me happy because it was fun. Gracie

I felt happy and the performance was good. Tommy

Mummy felt amazed and Daddy was proud. Philippa

I want to do it again, it was so much fun. Casey

I felt very excited because lots of people were watching.
Cherri

Now spring is around the corner, this half term we are finding out how healthy we are and how we can keep healthy. We are researching instructions and algorithms and are looking forward to following recipes and baking bread to share.

If you would like to find out more about The Vine School then Debbie Higham, Headteacher, would be pleased to hear from you on 01954 719630 or e-mail: office@thevine.cambs.sch.uk

Jeavons Wood Primary School –
Year 3/4

Year 3/4 had such a busy and exciting time with Christmas and the New Year! Everyone loved getting into the Christmas Spirit, watching the fabulous Foundation Stage Christmas Play, Key Stage one's performance of 'Baubles' and our own atmospheric

Christingle in the last week of the Autumn Term.

We came back in January, excited to put our New Year's Resolutions into Practice! Having set ourselves targets – for home and school – we launched into our new 'Under the Sea' topic.

Lots of children quickly engaged in some fabulous aquarium art – for our role play display or

their own 3d aquariums... But before we knew it, we had to pack our things, ready to board the Titanic! Both first and third class received their boarding cards and experienced the relative luxuries that the infamous ship had to offer.

From shovelling coal in the engine rooms, to high tea in the first class lounge, Year 3/4 were able to put their fantastic knowledge into practice. The differences in conditions in the first and third class cabins and the entertainment on deck was nothing compared to our moment of quiet reflection on the sinking of the boat. As the bell rang and the Captain called his orders, many first class passengers who made it to the life boats were moved to doff their caps in remembrance; "I'm going to take my hat off for all those poor people" *Alfie Taplin Year 4*

We are looking forward to learning more about the Oceans and Seas of the World and the amazing habitats found there-in!

Until next time!

Here at the Blue School we are enjoying the new term and the opportunities it has for us. Our Reception classes have spent time learning all about the cold in their topic 'Frozen' - and have been scientifically exploring the processes of freezing and melting, polar exploration comes next and the mysteries of why polar bears and penguins can never meet!

Year 1 and 2 have been absolutely enthralled their Pirates topic, learning every facet of famous Pirate life stories, the technical details of Pirate ships and the remarkable Pirate code! The whole school have certainly enjoyed learning sea shanties in singing assembly, even coming up with some extra verses themselves.

Stemming from our Golden Morning supplementary curriculum, we are very pleased to announce the first few issues of 'Blue News' - the Blue School newspaper. Our roving reporters have been busy collecting the most important news stories from the school each week (from what classes are learning in lessons to bumped heads in first aid!), the wider community of Cambourne (car crashes into lamppost!) and even getting some birthdays and weather reports in there

too. We have all loved reading it and look forward to future episodes.

Another great addition to our school community are our newly qualified 'Play Leaders'. These are children who have chosen to take up the Play Leader Golden Morning option, and have worked with Miss Galloway to learn how to support other children during playtimes, suggesting and teaching different games they can play. The Play Leaders themselves have really risen to the challenge and their sense of responsibility, and take a huge amount of pride in knowing that they are helping their peers. The other children have certainly benefitted from their efforts, and we look forward to seeing the Play Leader Team grow in time.

Over on the Hardwick site the Reception class have also loved their Frozen topic and our shared Pirate topic is also providing a great source of enthusiasm for the Y 1 and 2 classes. In Years 3 and 4 they are learning about The Wild West, so are practising their lassoing techniques, though no wild horses have yet been tamed! The oldest children in Years 5 and 6 are looking at the world in a different way, as their topic is "Tomorrow's World" and they are looking ahead to making our planet a sustainable and well-resourced planet for everyone globally. They are taking their futures very seriously!

New editor joins Cambourne Crier team

My career in publishing has spanned newspapers, books, magazines and the web; I've worked as journalist and editor and am currently a web developer and project manager.

As a relative newcomers to Cambourne - my family and I having moved here less than two years ago - the *Cambourne Crier* has been an invaluable resource for us in finding out what the community has to offer.

I am keen to put my experience and skills to work in helping the *Crier* go from strength to strength.

Wildlife Review February 2015

**Bedfordshire
Cambridgeshire
Northamptonshire**

There will be a few bits of work happening in Cambourne over the next two months. The two meadows on the south and

east boundaries are being re-fenced. The fences here are coming to the end of their life and need replacing so that we can continue to use grazing to maintain the meadow habitats. The bridleway that goes through skylark meadow will be separated from the grazed area, so there will no longer be gates to go through when sheep are grazing. Please be careful when walking, cycling or riding in this area while the work is being carried out by our contractor.

Wildlife Trust staff will be laying part of the hedge along Crow Dene bridleway. We have done sections of this in the past but not for a few years, so it will be nice to get back to this traditional craft again. This is an important technique for renewing hedges to give thicker growth at the base and by laying staggered sections there will always be hedge at different heights and ages to provide suitable conditions for a variety of different wildlife.

We will be leaving the bits of bramble and shrub we cut out of the hedge in piles alongside the bridleway while

we work, but will return with a chipper once we have finished laying to get rid of it all.

Get fit for Wildlife

Wanting to get fit this New Year? Are you up for the Cambs Boot Camp 10k Business Challenge? Sunday 12th April 2015 will see the 7th Cambourne 10k race take place around the beautiful nature reserve and country park. This popular race is ideal for first time runners as well as seasoned racers. We are challenging local businesses to enter teams of four into our business challenge, sponsored this year by Cambs Boot Camp, to race against each other to win the coveted 10k Business Challenge trophy and raise money for the Wildlife Trust BCN.

Do you think your company has got what it takes? This is a very popular race, with lots of teams already signed up so email kim.scoltock@wildlifebcn.org now to register your team.

My name is Callum and I am planning a Coffee Morning with a Raffle, Tombola, Tea & Coffee & CAKE!!! On:

Saturday 14th March 2015 at 11AM-2PM

The Hub, Cambourne (Opposite Library & Health Centre)

I am fundraising for Shine because my little sister Cassie suffers from Hydrocephalus and this charity is such a worthy cause because they help families that have this lifelong condition and help fund vital research!! I would be so grateful if you could come on the day and help raise as much money as possible! If you can't make the day please donate at

www.justgiving.com/Callum-Curuk-Shine or you donate by text:

text HYDR68 followed by your amount (£2, £5 or £10) to 70070.

I also would be so grateful if anyone can donate anything for my tombola and/or Cakes & Raffle Prizes, If you can please contact me on: 07972167735 or email me at callumcuruk@yahoo.co.uk

Thank you so much for your support!!!!

Twilight at the Museums

**Wednesday 18th February 2015
4.30 – 8.30pm**

Twilight at the Museums is almost here and we are getting ready for destination exploration!

It's time to make the most of those long winter nights as museums and collections across the city open their doors for after dark fun. With thirteen venues offering an exciting range of drop-in and bookable events throughout the evening, there will be loads for families to see and explore. Why not take

part in some torch-lit space exploration at the Whipple Museum; discover a world of deep sea darkness at The Polar Museum; or create some 'Creatures of Twilight' at the Museum of Cambridge?

The evening is all about fun and discovery and remember, the more places you visit, the more you will be able to see and do. Pick up a Twilight 'What's On' guide and passport from participating venues to help you plan and record your journey.

So wrap up warm, grab a torch and get ready for adventure!

The teams have all been braving the colder weather and enjoying the second half of the season with some great performances coming from all age groups!

U8 Reds have had a successful start since the Christmas break. The boys have come back full of enthusiasm, and it would appear over the break that some of the boys have developed the ability to hit long accurate passes to each other! I don't know whether this was gift from Santa Claus, but it is certainly a very welcome development! The weather is cold but our football and scoring is HOT at the moment, long may it continue!!

U9's ended 2014 in a strong position, and have an exciting 2015 to look forward to, particularly the 3rd round Cup game coming up. The boys are playing really well as a team now and special mention should go to Stanley and Lenny who both put in a confident performance in their first game for Eagles, welcome to the team!

U10's Eagles are refreshed and ready to win after the holiday break! We're looking to put up some big wins on our home pitch! We've had terrific defensive effort from Max W, Lucas B and Nia C. with scoring highlights from Clark M and Liam M in our first match of 2015.

U11's team are back in action after the Christmas break with some tough games, the leagues have been adjusted and we are facing some good teams. The boys however are standing up to the challenge and playing some great football. We are looking forward to the new cup competition too.

U12's, after an extended Christmas break the boys made a long awaited return to action against higher league opposition. A fine team performance resulted in a well earned draw. We are looking forward to the return to league action and hope to continue with our strong push for promotion.

U13's had a great start to the New Year with a 3-0 victory over Isleham at home, with the boys playing some great football. We would like to say a big welcome to Harry P who will be joining us as a goalkeeper. Welcome Harry!

THE YESTERYEAR ROAD RUN RETURNS FOR 2015

Cottenham Green

The gallant band of enthusiasts have got together to organise the Annual Yesteryear Road Run again.

We have booked Sunday April 19th 2015 for the major charity event that trundles through the villages in our local district. Cancer Research UK are once more backing our efforts in 2015 with the understanding that any monies raised will be used locally.

Last year the Road Run attracted over 300 entries, from live steam to classic sports cars, motorbikes, tractors to stationary engines, so there is something for everyone. We hope to get the same response from enthusiasts in 2015.

As usual the procession will assemble on the Cottenham Village Green, and then will head off through Rampton, Willingham, Over, Swavesey (where we will be stopping for lunch) Longstanton, Oakington and Histon, returning to Cottenham Green in the afternoon.

We are hoping that each of the villages along the route will support the Run by creating its own carnival atmosphere.

Maybe BBQs or refreshment stalls can help boost not only the collection buckets but the participants too!

We, the few, are also asking for volunteer bucket shakers, Marshalls and of course entrants to the parade.

Further information will be forthcoming as soon as we can get it together.

So look out for flyers and posters and if you receive an invitation to join in with the parade, don't throw it in the bin! If you don't want to take part, give it to someone who does.

Cancer affects everyone in some form or another.

Lets put our shoulders to the wheel to stop Cancer getting the better of anyone we know and love.

“ Together we can beat it “

For further information contact either Alan & Vivien Lampard 01954 200811 email vivien.lampard@ntlworld.com or David Norman 01954 250917

All help very much appreciated no matter how small.

Cambourne Netball Club

WINTER LEAGUE – The first matches of 2015 have set the bar high for Cambourne's four adult teams. Cambourne 1 had an amazing game against top of the premier league and previously unbeaten Cherries, winning by 20 goals! Having lost to Ely in the first half of the season, Cambourne 2 were determined to put on a good performance in the re-match. They proved themselves worthy of their top of the table position by winning the match convincingly and are now working towards promotion to division 2 at the end of the season. Cambourne 3 won their first game of 2015 by nine goals with an impressive team performance and they are now looking towards promotion to division 4. Meanwhile Cambourne 4 won their game by default as their opposition conceded the match.

JUNIOR NETBALL – Cambourne Juniors A Team won their first game in the Cambs County Junior League scoring a massive 50 goals! The junior teams have continued to show improvement in both their ball skills and game play and thanks to all those people who have been involved in both the setting up and running of weekly training sessions held at Cambourne Village College.

TRAINING AND DEVELOPMENT – Cambourne Netball Club is committed to the training and development of not only its players but officials too. Those people interested in becoming official coaches and/or umpires are encouraged and supported to pursue the necessary training. Currently there are a number of qualified coaches and umpires within the Club and many others pursuing qualifications.

#ThisGirlCan - This Girl Can is a national campaign developed by Sport England and a wide range of partnership organisations. It's a celebration of active women up and down the country who are doing their thing no matter how well they do it, how they look or even how red their face gets. This Girl Can celebrates the women who are doing their thing no matter how they do it, how they look or even how sweaty they get. They're here to inspire us to wiggle, jiggle, move and prove that judgement is a barrier that can be overcome.

Go to <http://www.thisgirlcan.co.uk/sport/netball/> and have a look for yourselves at the netball section of the website for inspiration.
