

In memory of Roger Hume

Roger Hume passed from this life on 2 February 2015.

Roger was a much loved and respected figure. For even if you did not agree with him, no one could doubt his dedication to this community.

From the outset of his time in this place he was involved. Welcoming new folks, assisting the community and checking up to see promises were fulfilled by developers. I could go on and on about how instrumental he was in shaping this community and all that he has accomplished, which includes this very publication.

But a man is more than the sum of his accomplishments, greater than his tasks or achievements. And frankly I am not sure he would want a huge deal made of what he has done, as really the work was just a by-product of who he was.

Roger grew up in a generation which got things done because they needed doing, rather than whine about it for ages or sit in a circle and discuss your feelings about a difficulty. He simply got stuck in and sorted it out then moved on. He was not looking for fanfare or publicity and although he got a fair amount, it was not his motivation. His involvement was far beyond mere necessity and showed a caring that is rare in what some would call a public figure. As I contemplate this it reminds me of a Bible verse.

Philippians 2:20 For I have no man likeminded, who will naturally care for your state.

In the context of service for this community, I know of no other who has done more naturally, voluntarily and without any larger agenda, but the fact that the work was there, than Roger. In an excerpt from the e-book of Cambourne Roger himself said: "Cambourne has achieved a magnificent community which I am proud to have played a small part in."

Hundreds of people have conveyed their sentiments about his life and the great impact he had upon their lives and upon this community. One message said that Roger told them he was never too busy for anything Cambourne.

Roger Hume 12/4/1947 - 2/2/2015, we bid you farewell friend.

SKATEPARK EXTENSION

Back in June 2013 the Parish Council was approached by a group of local young people, led by Ben Keppie, who use the skatepark, requesting that the Council consider building an extension.

The council were impressed by their initiative and have worked with them to bring this about. As well as funding from the Parish Council, a grant of £20,000 was obtained from the Amey Cespa Community Fund and a further £1,500 grant from the South Cambs District Council Community Chest fund. The Amey Cespa Community Fund award panel were impressed by the involvement of the young people who had put together a presentation explaining why the extension was necessary, Ben also wrote to Andrew Lansley MP who gave his support to the grant application.

The equipment, chosen and sourced by the young people, has just been installed and we are hosting an Opening Ceremony on Saturday 21st March 2015 starting at 2.30pm. Details are to be finalised but it is hoped that there will be a BBQ and a display of skateboarding. Everyone is welcome. Please check the Parish Council Facebook page and website for further details.

CAMBOURNE COMMUNITY FETE

Following the success of the BBQ event held in September of last year, the Parish Council is pleased to announce the first annual Cambourne Community Fete will be held between 12pm – 6pm on Saturday 12th September at Great Cambourne Green.

The fete, organised by the Parish Council in conjunction with various community organisations will play host to a wide range of stalls and attractions put on by both the residents of Cambourne and commercial operators. Come along and sample foods from around the world while throwing wet sponges at the Parish Clerk, (who will be spending most of the afternoon in the village stocks!)

Volunteers to help with the organisation as well as running events on the day are needed. If you have a few spare hours and wish to help, please contact the Deputy Parish Clerk – Liz Pinchen on (01954) 714403 or email fete@cambourneparishcouncil.gov.uk.

See the Parish Council Facebook page for further details and announcements.

PARKING ON VERGES AND PATHS

Parking is a major issue with a number of vehicles parking and driving on the verges in Cambourne. The damage this causes to the grass and kerbs, especially in the current spate of very wet weather, contributes to the delay in transferring the roads to the County Council. If the situation continues after the verges are transferred to the County and Parish Council it will be you as Council Tax payers of Cambourne who will have to pay for their repair. Parking on the verges causes inconvenience to neighbours and residents using the footpaths and is a safety issue for children.

VACANCIES

We are currently looking to recruit a Skilled Groundsman and an Apprentice Groundsman (new position) to start on 1st April 2015. The positions will be advertised on the Cambourne Parish Council Website, Facebook page and noticeboards as well as Jobcentre Plus. Please look out for the advertisements or contact the Parish Clerk for further details.

Monkfield Medical Practice

APPOINTMENT BOOKING

Routine/Non Urgent appointments with a GP or Nurse Practitioner are pre bookable and can be booked by phone, in person or online*.

Requests for on the day appointments (which should be requested by 11am) will be allocated by the Duty Doctor after they have carried out a telephone triage to assess the urgency of the problem. Please only use this service if you feel that your condition cannot wait until the next available appointment.

**to use the online booking system you will need to come in person with photo ID to collect a username and password from the practice (for those patients aged 16 years and under, we need to see parent/guardian ID). This is to ensure we issue the correct log in details to the correct patient thus protecting your medical records.*

Appointments for the following cannot be booked online:
Nurse, Phlebotomy (Blood Tests), Midwife, Baby Immunisations, Clinical Pharmacist.

ONE APPOINTMENT - ONE PATIENT

Our clinicians are often asked if they can 'take a quick look' at another family member during an appointment. This results in the consultation taking much longer than planned and long waits for other patients. **Please remember that an appointment is only for the patient in whose name it has been booked** – if more than one family member is

unwell, you will need to book a separate appointment for each of them.

The NHS Friends and Family Test

The NHS Friends and Family Test is a way of gathering your feedback so we can continually review our service. It is based on one simple question **"How likely are you to recommend our GP practice to friends and family if they needed similar care?"** with five possible responses ranging from 'Extremely likely' to 'Extremely Unlikely'. There is also space for you to add a comment to explain your answer. Your feedback will help us learn more about what you think about your experience – what you like and what you think we could improve. **The feedback forms are available in reception with a box to post it in once completed.** Data will be published monthly on our website and within the practice. We are pleased to report that the results for January were very positive! Out of 25 completed responses, 24 answered 'Extremely Likely' or 'Likely' to the question, with only one negative response. There were also some very kind and positive comments about the practice which have been passed on to all staff. We hope that the coming months remain as positive and of course will aim to address any constructive feedback received.

Practice Closure

The practice will be closed from **1pm on Thursday 19th March** for Clinical Governance Training. We will re-open as usual on Friday morning. If you require urgent medical care during this time, please call the surgery number and you will be automatically diverted to the out-of-hours service.

Friday walks

A small group drove to Anglesey Abbey for the February walk, and walked from there to Quy. It was a lovely walk, and not too muddy.

The next walk is planned for Friday 13th March, when we will be walking from St Ives to Houghton Mill. The walk is approximately five miles, along the river. We meet in the library at 10.15am - always the second Friday of the month - before setting off. Please don't worry if you don't have a car, many of us do. Please feel free to join us, or contact Pam Hume on pam.hume@mail.com or 01954 201808 or Penny Flanagan on 01954 200126 if you'd like more details.

Sunday walks

The next walk will be on 22nd March, starting at 10am at the Monk's Wood car park on School Lane. We are thinking about walking from Hardwick to Coton, but as always we are open to suggestions.

There is a good cohort of walkers now and a group of us often find ourselves having Sunday lunch afterwards, so please join us, for the walk, or the walk and lunch. Contact Dave for more details: david.ellis910@ntlworld.com or 01954 202792.

Loving Who We Are:

It occurs to me that we all struggle with temptation – wave a cake under my nose or leave chocolate lying around and my willpower disappears fast. As you read this month's Crier, the Christian church will have just entered the season of Lent. During this season we remember how Jesus went into the desert for 40 days and nights and was tempted by the Devil. You see Jesus knew what it was like to be tempted too, and whilst not chocolate it was bread, wealth and power, some key temptations in our time. So how do we overcome the tempting things in our life? For me it comes down to knowing our identity and learning to love who we are. Jesus knew he was God's son and he lived in a relationship of love with His Father. Becoming secure in who we are can often be the journey of a lifetime, but it can only start when we stop to think about what makes us who we are and perhaps even to have the courage to recognise the more destructive temptations that come our way. My prayer this Lent is that you may take the words of the Psalmist to heart *"I praise you because I am fearfully and wonderfully made, your works are wonderful, I know that full well."* Psalm 139:14. Lenten blessings to you all.

Pastoral Thoughts

We celebrate Mother's Day this month. Now I know it is not a biblically mandated holiday. But that does not mean that the subject of parents and children should not be covered. Indeed the Bible has much to say on the subject. The family is a precious thing.

Before the rise of governments or nation's or even tribes there was the family. Now regardless of what some groups may say, the family unit is the building block of society as a whole. If there is a breakdown in families then it will hurt the entire society. But with strong families with decent convictions and standards the entire nation is strengthened.

One of the great issues in society today is that of the parent-child relationship. Now you might think surely this is inconsequential in the face of national problems. For I would put it to you that a great deal of our national problems have their roots from the parent and child relationship. Which is why we need to do what we can to strengthen and support strong families.

Now we will often give a gift to the mothers in attendance that Sunday and speak on a related Biblical topic as we do at Father's day, but really every day we need to support the foundations of our society and with believers that is based upon Faith. Faith in God and His Word. This gives us guiding principles for family and beyond.

And with so many mothers in Cambourne they need all the help and support and even encouragement we can give and we here at Peacehaven pray for you all to have a good Mother's Day and you would remember how important you really are to the future of your children and the nation as a whole.

If you have questions or if you need to talk let us know.

SHINE CHARITY COFFEE MORNING

My name is Callum and I am organising a charity coffee morning in aid of SHINE on:

SATURDAY 14th MARCH 2015

from 11am till 2pm

at THE HUB, GREAT CAMBOURNE (opposite the library and health centre)

SHINE is a charity which helps and supports families and individuals affected by Spina Bifida and Hydrocephalus. My sister Cassie suffered from hydrocephalus and I am raising money for SHINE because they need funds to help more people affected, their families and do more research. For more information please go to: www.shinecharity.org.uk

I am in desperate need for people to donate raffle prizes, tombola prizes and cakes for the day! If you have anything to donate I'd be very grateful, please email me on: callumcuruk@yahoo.co.uk

*If you can't make the coffee morning please make a donation at:

Preparing for Easter - Reflections for Lent

The 40 days of Lenten prayer, fasting and giving to the poor are designed to turn our hearts to God and to the needs of others especially the weakest around us.

Pope Frances encourages us to rediscover the joy of the Gospel, which will help us to experience a personal encounter with Jesus by reflecting on his words and actions. Above all, are our actions a witness to the true spirit of Christianity?

During Lent we read how Peter, James and John had their special encounter with Jesus when they took time out of their daily concerns. Just as we arrange to meet a friend to discuss their joys and sorrows, so we can create time and space to meet Jesus even in those times when we can't get to church.

During this period we also read about how Jesus was tempted to make himself special, how to lord it over others but chose the path of humility. Are we moving in the footsteps of Jesus or are we letting the quest for power, prestige, pleasure and

economic security stop us from fulfilling our mission? Fasting is a way of discovering what we really need so that our appetites don't just lead us to consume ever more.

During the third Sunday of Lent the Gospel invites us to stand with Jesus as he speaks to a woman who was seen by many as a 'bad' person. In the same way Jesus calls us to make our community a place of welcome and inclusion so that people can experience the joy of the gospel in their lives. Giving to the poor has to go beyond giving a pound to the homeless person so they'll go away. Being a disciple means being constantly ready to bring the love of Jesus to others, and this can happen unexpectedly and in any place: on the street, in a city square, during work, on a journey. It may be a kind smile, a word of encouragement or simply taking the time to listen!

The Cambourne 10K and Fun Run

Cambourne 10k is off and running!

Entries for the popular Cambourne 10k have been open for a few weeks and spaces are filling up. Over 1,000 runners are expected to take on the attractive parkland course on Sunday 12th April. The race starts at 11am and will finish by about 12.30pm. The course starts on the edge of the Cambourne Business Park and runs out through the country park, crossing School Lane near the roundabout. It then does a big loop out to the Vine School and runs along Brace Dein before returning to the country park alongside the lakes and retracing its steps back to the Business Park.

Local residents should note that SCHOOL LANE will be closed at its western end from 10.45am until approximately 12.15pm and that there will be runners on the course during that time. Stagecoach buses will turn round on the eastern side of the road closure.

There is a mile long fun run for those not yet ready for the full 10k starting at 11.05am and an enjoyable festival atmosphere at the finish with a number of stalls and activities.

For further details, please go to www.cambridgefestivalofrunning.com. Entries can be made online or just turn up to enjoy the atmosphere and cheer on the runners.

All submissions for the next edition must be received by 9pm on the 19th of the month. Please send all editorial content to editorial@cambournecrier.org. The Cambourne Crier is published online at www.cambournecrier.org - in full colour.

Items and attachments must be named to suit content or are likely to be rejected. For paid ADVERTISING, e-mail: ads@penpub.co.uk or tel (01954) 267842. For LEAFLET deliveries with the Crier, e-mail: delivery@cambournecrier.org

CAMBOURNE GARDEN CLUB

The club meets informally in the bar of the Belfry Hotel at 7.30pm on the fourth Wednesday of the month, so the next meeting will be on March 25th. If you have an allotment, a garden or just a window box, come along and share your problems, hints and questions with like-minded people, some with green fingers and some just with muddy fingers.

This is a light-hearted and friendly self-help group.

There is no charge while the club is meeting at the Belfry, apart from the price of a drink.

For further info on the club, contact Wendy on 01954 202484

WORDS FOR PLEASURE

A friendly, fun and welcoming writers' group which meets on the first Thursday of the month in Cambourne Library at 1.30pm.

Details: Call Pat Callaghan on 01954 718836, ask at the library or just turn up on the day.

WATERCOLOUR CLASSES

There is now one combined group which meets weekly on Wednesday morning in the Sports Pavilion. The tutor is a local artist and experienced teacher. *Details: Please phone 01954 710858 if you would like to sign up for a future beginners group, at a cost of around £60 for 10 sessions. This is a non-profit making group.*

PHOTOGRAPHY GROUP

This is friendly and helpful group, to which new members are very welcome. Levels of expertise vary from beginner to advanced. *Details: Call Nicola Marriott on 07811 154901*
<http://www.flickr.com/groups/cambournephotohographygroup/>

LIFE DRAWING GROUP

Now under new management, this is still an informal, untutored group meeting on the last Tuesday of the month for a two-hour life drawing session with either a male or female model, but the group will now be held at **Cambourne Village College**. Next meeting 7.15pm, 24 March. £18 for 2 months or £10 for a single session.
Details: Email kevinianfield@hotmail.com or join the Cambourne Life Drawing facebook group.

New arts group planned

A new arts group is being planned which would take the form of a series of workshops introducing a range of materials and techniques for all levels of ability, but with a focus on encouraging people to explore new ways of being creative and to have fun with art, and taking inspiration from nature and the local environment.

The introductory sessions would focus on a range of drawing skills aimed at taking away the 'I can't draw' fears that so many people have. This could include drawing negative spaces, continual line drawing and 'drawing without seeing'.

Our tutor would then start to introduce a range of materials and approaches, including colour work, collage, printing and painting, with an emphasis on techniques that can be developed both at home and in subsequent sessions. As the weeks progress, she would work with participants to help decide the direction of the sessions, introducing new materials and techniques depending on their interests.

If you are interested, please get in touch with Fran on 01954 710858 or fran@panrucker.eclipse.co.uk, saying whether you would be able to make a daytime or evening session. Provision could be available in cases of financial difficulty.

The Vine Inter-Church Primary School

Year 4 residential visit to Burwell House

Day one

A very excited Year 4 arrived at Burwell House and after learning about the history of Burwell House, the children were ready for their first activity outside in the grounds. The snail trail game allowed them to explore the amazing gardens in groups.

After this we were treated to a home cooked lunch and doughnuts, before having a go at a variety of team-building challenges, earning lots of points for 'The Great Eggscape!' This proved to be an 'eggtremely eggciting' activity which required us to put our teamwork skills into action to create an egg-filled container capable of surviving falls from great heights. Not all the eggs survived their trip!

Day two

The day started with a round of room inspections before a good breakfast to set ourselves up for the day ahead. We were very pleased to be joined by the remaining members of Year 4.

Activity 1

This was the map walk activity with Mr Yates where we could practise our orienteering skills using the grounds of Burwell House. First we had to explore our surroundings and learn how to orientate our map. After this we were ready to complete the challenge with a partner, using our teamwork skills. We made our way around the course, finding as many control points as possible on our way.

Activity 2

This began with a sketch of Burwell House where we noticed lots of interesting features. We then made our

way to Bramley Barn to create our very own clay tile using our drawings to help us. After the tiles had dried overnight, we each had a unique souvenir to take home!

Activity 3

Toni, one of the Burwell staff-led this session with lots of different games; there was the sky eye walk, where we used mirrors to explore the sky and trees around the grounds. We also made use of the Burwell herb garden to create our very own smelly cocktails; some of them were particularly potent! After this there was still time to play musical trees in the orchard.

Activity 4:

Mrs McBride and Mrs Jones ran their own eight-point compass activity, using a compass to navigate around the gardens to find carefully hidden clues. This was quite challenging but also very rewarding.

Delicious food throughout the day included a tasty roast dinner and later on homemade fish fingers!

Evening activities:

The lounge was transformed into the Burwell Bingo Hall and the winners were Asha, Tye and Jason.

Day three

Of day three's activities, the Burwell Challenge was a favourite, where you had an obstacle course to complete, blindfolded, whilst the rest played Smugglers Run then we swapped over. Our final activity was Burwell Fox which was like a giant game of hide and seek while completing a quiz!

A fabulous way to finish our visit! See you next year Burwell House. Many thanks to all involved in this successful trip.

Polar explorers take over Jeavons Wood

The start to 2015 has been a busy one for the children at Jeavons Wood. In particular the children in Key Stage One have been excited by starting their new year with our 'Frozen' topic.

This term we have turned our role play area in our classrooms into a 'Polar Explorers Base Camp' and, having found out from the children what they wanted to learn, planned a jam packed topic!

The spell of cold, wintery weather was certainly useful in helping the children to find out more about what it would be like to live in the Arctic and Antarctic.

The children have loved science this half term! We have been busy investigating with ice and hot chocolate. They have received lots of letters from the Inuit people and explorers in the Polar Regions asking for their help in finding out the answers to the questions 'What is the best way to keep hot chocolate hot?' and 'How can we stop our igloos from melting?' To find out these answers the children have carried out science investigations – they are getting really good at predicting and carrying out fair tests.

In geography we have been working on our map skills and planning our route to Antarctica.

We have been thinking about what items we would pack in our suitcases if we were to go on an expedition to the Polar

Regions and have located where hot and cold places are on a world map.

The sprinkling of snow we have had has been a great addition to our topic! The children loved wrapping up warm in their coats, gloves, scarves and snow boots and playing on our school field in the snow. We used the winter weather as inspiration for our own poetry and story writing. It definitely helped the children to create some fantastic descriptions of cold, blistery conditions. We are hoping to share our own 'Lost and Found' stories with the residents of Cambourne when we take a visit to our local library.

We are looking forward to developing our knowledge of the Polar Regions further next half term where we will be learning about the famous explorer, Captain Scott as well as finding out about how certain animals are adapted to the cold, harsh environments of the Polar Regions.

CAMBOURNE WI

This month's speaker (as always on the 2nd Thursday in the month) will be Wendy Marshgreen who will be discussing The Art of Accessorising.

So do join us on March 12th, at 7.39pm in the Hub for some interesting hints and tips.

Membership for the year is £36, but if you prefer to come as a visitor, then we make a small charge for the evening.

Our next coffee morning will be on March 27th, as always on the last Friday of the month. We meet in Greens at 10.30am. Feel free to join us for a chat and a cuppa.

The WI book group still meet at the Belfry on the first Thursday of the month. Contact Fran Panrucker on 01954 710858 for further details.

The darts group meet at 7.30pm each Monday at the Monkfield Arms. They have entered a team of six into the competition again this year. But new members and drivers would be most welcome to learn how to play. Please contact Joan Roe, 200908 for further information.

For more information about the WI, please contact Pam on pam.hume@ntlworld.com, or telephone 201808 for a chat.

The Blue School

Vacancy for a school governor

These are exciting times for Hardwick Community Primary School. In September our Cambourne campus will move from the temporary "Blue School" site on Eastgate to a brand new purpose built school next to Cambourne Village College on Sheepfold Lane.

We will also be opening a nursery class on site and to recognise our new permanent site in Cambourne, the name of the school will change to Hardwick and Cambourne Community Primary School.

We currently have a vacancy for someone who would like to join our enthusiastic and supportive Governing Body.

We already have governors, from both Hardwick and Cambourne, who represent the parents, staff and Local Authority, but would like an additional governor from Cambourne, whether a parent or not.

We need someone who can spare some time and is keen to work with us on supporting and improving the education of our pupils both in Hardwick and Cambourne.

Our work includes committees that focus on finance, personnel, premises and curriculum matters, as well as working with school staff on the development of the school as a great place for teaching and learning.

- What we need from you is a commitment of two or three evenings a term for attending meetings and, if possible, occasional daytime visits during school hours to see how the school works and to meet with staff.

- What we can offer is a good opportunity to give something back to the community, excellent support as you get started and throughout your four-year term, and some stimulating debates and discussion on the education of young people.

If you are interested in finding out more, please contact the school offices by phone on 01954 719085 or 01954 210070, or via email, office@hardwick.cambs.sch.uk and they will put you in touch with our chair of governors, Jane Cadwalladr.

CAMBOURNE PRE-SCHOOL

At the Blue School, Great Cambourne

Telephone: 07875 083163

Email: cam.preschool@btinternet.com

As Cambourne's longest standing independent pre-school we are delighted to announce that as of September 2015 we will be moving premises into The Blue School's current foundation stage classrooms.

We are very excited at the changes and progression this will allow the pre-school and the benefit to the overall learning of the children. Watch this space for more information over the coming months!

A big thank you to Oliver and his family for caring for our two Giant African Land Snails over the half term week, we hope you enjoyed it!

Thank you also to Liz and Lorraine who donated lego to pre-school this term, we have seen some fantastic constructions from the children - this activity links to the EYFS in so many ways, fine motor skills, creating and thinking critically, language, social skills (such as turn taking), to name just a few.

Cambourne pre-school is a registered charity and a committee-led setting, we therefore rely heavily on fundraising in order to buy resources for the children. Please do contact us on the above number if you can help in any way.

We currently have limited spaces for 2-, 3- and 4-year-old children please contact us on the above details. We can also take enquiries for September 2015.

Monkfield Park Primary School

The children at Monkfield Park have had an incredibly busy half term! At the start of this term we had Science Week with the theme of 'What makes a scientist?'

During the week we had visitors coming into school to provide exciting learning experiences for our children. Year 6 looked at seaweed extract and how this can be turned in to jelly worms!

Year 2 had a visit from Mad Science where they learnt about electricity and had a very exciting demonstration with a Van De Graaff Generator. Once the workshop had finished our hair was standing on end!

Science Week was quickly followed by a very exciting 'Magical Maths' day. Our day started with an exciting game of Play Your Cards Right, which saw teachers competing against each other to win for their team. During the day all of the children took part in various 'magical' activities, from cards

tricks to mind reading games. A great day was had by all.

This term year 2's wishes came true in their production of 'The Moon Thieves.' From market traders and dancing fireflies to jumping chickens and a sad rat, the children spread their message of always trying to achieve your dreams and aspire to great things.

All of the children looked fantastic in their costumes and the rats which performed a tango were definitely a highlight!

Wildlife Review March 2015

This month I have news from the Cambourne Wildlife Watch Group. They are in need of extra helpers, if you are interested please contact me and I will forward your details

to the Watch Leader, Zeena.

Our half term event, Brilliant Birds went very well, see details below of our next event in the Easter holidays. And a final call for teams to raise money for the Trust by taking part in the Cambourne 10k run.

Cambourne Wildlife Watch Group

It's been an eventful and exciting start to 2015 for the Cambourne Wildlife Watch Group. In January we made waterproof electric lanterns to use on exciting nature trails in Oaks Wood! We also learnt all about our wonderful badgers, the importance of protecting

them and their environment and how best to do so. In February we are very much looking forward to an exciting up and coming visit from The Cambridge Zoological Museum when we will learn all about incredible animal anatomy! We'd also like to offer a huge congratulations to all the staff and amazing members of our Watch Group for winning the National Wildlife Trusts Best New Wildlife Watch Group of the Year - an amazing achievement – well done! Easter Event – Amazing Amphibians

Thu, 09/04/2015 - 2:00pm - 4:00pm

Discover the amazing world of amphibians! Get creative and design your own amphibian - will it be an exotic frog or a

stealthy newt? Play our games to discover more about your local amphibian species and where they live. Learn how to tell great crested newts apart and try your hand at building a shelter for them.

This is a drop-in event and costs £5 per child or £10 per family. It is suitable for children aged 4-10 years old. Please note there is no car parking available at the venue.

Does your company have what it takes?

Are you up for the Cambs Boot Camp 10k Business Challenge? Sunday 12th April 2015 will see the 7th Cambourne 10k race take place around the beautiful nature reserve and country park. This popular race is ideal for first time runners as well as seasoned racers. We are challenging local businesses to enter teams of four into our business challenge, sponsored this year by Cambs Boot Camp, to race against each other to win the coveted 10k Business Challenge trophy and raise money for the Wildlife Trust BCN. Lots of local companies are already signed up but if your company has what it takes get in touch with Kim Scoltock on kim.scoltock@wildlifebcn.org to find out more!

MARCH BULLETIN FROM CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

How many times have you tested your smoke alarm since the start of 2015? If the answer is zero, please go and do it now! We're asking residents to test their smoke alarms every month – mark it in your diary and make sure you press the button.

If you have young children, then why not devise a fun game to get them involved in testing the smoke alarms in the household? If you can't quite reach it, then use a broom handle to press the test button.

Don't forget to also test the smoke alarms of those you love. If you have an elderly or vulnerable relative, friend or neighbour, pop by and make sure they have a working smoke alarm. If you think someone is vulnerable and could be at a higher risk if a fire broke out in their home, then please call us on 0800 917 9994 and we can provide advice and support.

Log on to www.cambsfire.gov.uk for the latest incidents, news and safety advice. Find us on Twitter, Facebook and Instagram.

All our age groups are developing well, playing great football, and achieving some fantastic results! We have some big games coming up in the League and Cup Competitions over the next month but we know we are all up for the challenge!

Academy The Eagles Academy continue to train at CamVC school gym with excellent attendance. They had a very pleasing friendly game with Longstanton recently and will look to have more friendly fixtures as they prepare for the mini soccer league, next season.

U8 Reds have continued their good form since the last update, really keeping their shape well and attacking teams fast on the break! Their tackling has been ferocious and their finishing deadly! The coaches are really pleased with the team and the way the team are all pulling together, supporting each other and fighting for the Eagles badge! Forever Eagles and our quest for having good fun!

U9's gave a fantastic performance in their recent cup game, they defended really well, with some great saves from Oscar in goal. All the boys gave 100%. It was great to watch and they are now looking forward to the quarter finals! Also congratulations to James who made his debut against Cottenham recently, welcome to the team!

U12's The U12's are all primed and ready for a busy month and a promotion push. Then a cup competition after Easter.

U13's have only three matches left to play, including their league winner decider match which has had to be postponed! The boys are training hard to ensure they are in tiptop condition to take on this upcoming battle!

In other news... Cambourne Eagles are proud to be on board as a Grassroots Partner Club to Cambridge United's Youth Development Programme. We were recently invited down to the R Costings Abbey Stadium to celebrate this partnership, where we were represented by our Club Secretary, Danny Brooks. We have a number of players across our age groups that benefit from being part of the Youth Development Programme, whom we are very proud of. Cambridge United will be launching a Soccer Centre in Cambourne in May, offering opportunities for other wannabe Ryan Donaldsons and Chris Dunns to benefit from additional training opportunities. Further information can be found at www.cuyouthdevelopment.co.uk

Cambourne Cricket Club

Club Mark Status

Cambourne Cricket Club has been presented with its ClubMark re-accreditation certificate, which confirms our ongoing commitment to being a safe, effective and child-friendly cricket club.

This is a notable achievement for the club - and reflects a lot of hard work put in by a number of people within the club. Thank you to all of those involved!

The presentation was made at the Cambs Cricket Board AGM in February, and Cambourne CC was praised for having made great strides in such a short period of time.

Let's hope that this season we can achieve similar progress on the pitch.

Indoor Nets:

To help prepare for the new season, we have been hosting indoor nets sessions at Cambourne Village College, on Tuesday nights, since the New Year.

Date: Every Tuesday (to 23rd March)

Time: 7.00 - 8.00 pm for junior players (u10s - u12s teams)

8.00 - 9.30 pm for senior players (u14s and above)

Cost: Free to all Club members If you would like to play for Cambourne in 2015, why not come down to one of the net sessions and meet some of the players.

2015 Captains At the Club AGM in January the following team captains were appointed for the forthcoming season:

1st Team: Liam Healy

2nd Team: James Darrington

3rd Team: Graham Saint

We wish them every success in 2015.

If you'd like to know more about the club, check out our website: www.cambournecc.com, or email

Cambourne Netball Club

LEAGUE NETBALL – All four adult teams continue to play in the Cambridgeshire Winter League and, with just a couple of months left, the competition for positions and possible promotion is hotting up! Cambourne 1, competing for the first time in the Premier League, were successful in obtaining a place in the upper half of the results table for the second half of the season - this means they will go on to play only the top teams.

JUNIOR NETBALL – Training continues to develop the netballers of the future! It is hoped that Cambourne will enter a junior team into the Summer League. For more information on Junior Training please email cambournejuniornetball@outlook.com

ANNUAL TOURNAMENT – Cambourne Netball Club has been nominated to organise this year's Cambridge & District Netball League AGM Tournament. It will be held on 9th May in Impington and nominations for the charity to receive monies raised on the day are currently being considered. Further details will follow for anyone wishing to sponsor or support the event.

Cambourne Open Gardens
will be on the weekend of
13th/ 14th June 2015**

**Great and Upper on the Saturday
followed by Lower on the Sunday**

Would you like to open your garden
to be part of this community event?
Now in its eleventh year.

"I don't know most of my plant's common names let alone the Latin.
I have bare patches and barely enough time to spare gardening.
Yet, because I like my garden I believe others might too.
And so, I have regularly opened my garden for this event.
Why? - Because I really enjoy meeting all the lovely people who visit.
Join me and open your garden this year.
It's really rewarding and helps make Cambourne the friendly place it is."

For more details of how to join the fun
Phone Pam on 01958 201808 or better still
Email on pamhume1@gmail.com

Tickets will be on sale in the library a week before the event.
