CAMBOURNE OPEN GARDENS 2015

13-14 June, 11am-5pm

Tickets for the 11th annual Cambourne Open Gardens weekend will go on sale in the library from 8 June.

Priced at just £4, money raised will be donated to the Church to support their work with young people.

Participating gardens will be open in Great and Upper Cambourne on Saturday 13 June, and in Lower Cambourne on Sunday 14 June.

The organisers would like to thank everyone who has kindly volunteered to

open their garden and the Parish Council, which kindly prints the tickets.

There should be some plants for sale on the day, and at least one gardener will be selling small items, also in aid of church funds.

Heidi Allen MP: working for you

“ I am absolutely delighted to be able to write to you as your new Member of Parliament! In the early hours of 8 May 2015, I was elected to represent every person, every business, every school and organisation in South Cambridgeshire and I can't tell you how proud that makes me feel.

During the election campaign I tried to meet as many people as possible and convey to them that if successful, I would always be approachable, available and crucially listening. I come to politics from business having worked in both the public and private sectors

and more recently running my own firm. In my working life I discovered that the best decisions I made were as a consequence of listening to the people who would be affected by those decisions. I want to carry that ethos forward, so if you are worried about anything, need my help, want to talk to me – please feel that you can. You can call my office on 01954 211444, email heidi.allen.mp@parliament.uk, write to me at 153 St Neots Road, Hardwick, CB23 7QJ or tweet me @heidiallen75. I am here because you put me here, and I will NEVER forget that.

CRIER COMMUNITY FUND

The Cambourne Crier operates a community fund which enables us to make grants and donations to local clubs, societies or causes. The fund has derived from advertising revenue and is normally given towards items for use throughout the year. We have recently given a large donation to Cambourne Village College, which we hope will ultimately enable them to qualify for an Arts Council grant for funding to install tiered seating in the main hall, as well as purchase a grand piano.

The last group we were able to help was the Wildlife Watch Group, which involves young people in wildlife activities. As a result they have a board on which they can display photographs and posters and publicise activities. We also helped Peacehaven After School club to purchase a large protective mat for their art club.

Do you need new equipment for your group? Or are you thinking of setting up a new group and need some funding to get going?

Contact pam.hume@ntlworld.com or download the application form at www.cambournecrier.org

Cambourne Community Car Scheme

The Community Car Scheme provides door to door transport for people who cannot make the journey by bus or do not have car access. We provide this service seven days a week for residents of Cambourne, Caxton and Papworth.

To request transport please either: send an email to: cambournecommunitycarscheme@gmail.com or phone the car scheme mobile on 07858 933230. If there is no response, please leave a message and we will call you back.

The service is run by volunteers based in Cambourne and we cannot guarantee to meet all requests so please provide maximum notice. Our aim is to give preference for essential trips to hospitals, doctors, dentists and opticians but we also cater for visits to social clubs. Typical costs are Addenbrookes £9, St Neots £7. There is a minimum charge of £2.50 for local journeys. *Co-ordinators Paul Belo/ Eric Cawkill*

Taxi card scheme

If you have difficulty getting around, are unable to take a bus and have no access to a car, the developer-funded Taxi Card scheme is a little used benefit to Cambourne residents. It gives access to a taxi at 30 per cent of the normal fare. Buying vouchers in advance, they are used in the same way as cash. The taxi company get the full fare later. Not all taxis are able to offer the service but you can get a list of participating companies. Telephone the County Council on 0345 045 1151 or email: community.transport@cambridgeshire.gov.uk

Police Contact Point

The Police Contact Point will be operating at Morrisons supermarket between 6-8pm on:

Friday 12 June, Friday 26 June,
Wednesday 8 July, Friday 24 July,
Wednesday 5 August, Friday 21 August.

Other dates to follow.

If you would like an officer to contact you, please leave your name and details on the cards provided and put them into the Police letter box.

Waste and recycling collections

Black bin: Thursday 18 June / Thursday 2 July

Blue bin, paper caddy, green bin:

Thursday 11 June / Thursday 25 June

Bins will be collected a day or two later (Fridays or Saturday) on weeks containing a bank holiday.

Bulky household items by arrangement.

There is a charge of £30 for the first three items and £5 per extra item.

Upper Cambourne Play Area Extension

The new extension to the Upper Cambourne Play Area, incorporating sand and water play elements and an aerial runway, was officially handed over to the Parish Council on 18 May 2015 and the Grounds staff completed their training on the care and maintenance of the equipment before the park was officially opened in time for the May half term holidays. Prior to the opening a photo shoot was held by South Cambs District Council as they are featuring the new play area on the cover of the latest issue of the South Cambs magazine.

Grounds Staff

The Grounds team has recently been joined by Groundsman Christian Smith and Apprentice Groundsman John Smith and will shortly also be joined by Kevin Taylor, who has worked as cleaner for the Parish Council since 2012. Kevin, Christian and John will be assisting in the maintenance of much of Cambourne's 200 acres of open spaces and outdoor facilities, as well as maintaining all the Parish's outdoor sports facilities. The team also undertakes other projects such as the gritting of footpaths during winter. Cambourne Parish Council welcomes Kevin, Christian and John to the Grounds team and wishes them well in their new roles.

Yellow Line and 20mph Speed Restriction Consultation

The consultation on the next phase of yellow lines and a blanket 20mph speed restriction throughout Cambourne has been extended until **16 June 2015**. A link to the survey can be found on the Parish Council website cambourneparishcouncil.gov.uk and Facebook page facebook.com/cambourneparishcouncil and paper copies are available from the Parish Office in The Hub.

Parish Plan - Your Say For The Future

The Parish Plan Steering Committee will undertake a consultation with the residents of Cambourne through a parish-wide survey to produce a Parish Plan. This will assist us in understanding what our community requires over the next 10 years. The committee is currently planning the survey questionnaire and working out how all households in Cambourne can participate when it is published later in the year.

They are asking residents from across the community what they "Love & Hate" about Cambourne, the responses being fed into the framework of the survey. They would like to hear your views so please tell them your "Loves & Hates" and topics you wish to be considered in the survey.

If you would like to volunteer in any way in this community-led project for the Parish Council or require more information then please make contact on info.parishplan@cambourneparishcouncil.gov.uk.

Public Attendance at Council Meetings

All Council meetings are open to members of the press and public. At the start of every meeting there is an opportunity for the public to address the Council on any item on the agenda, however there is no public participation once the meeting has convened.

Residents' Meetings

Taking place in The Hub, these meetings are open to all ages and are an opportunity for everyone to give their point of view. The goal is to put together a list of issues/concerns which will then be presented to the Parish Council for response. The next meeting is on 29 June at 7pm. Any last minute updates can be found on the Parish Council's Facebook page facebook.com/cambourneparishcouncil

Cambourne Timebank now offering Time Credits

In the Timebank you volunteer to help another member by giving your time doing something you enjoy, such as befriending someone, and in return you can receive hours from members to get your jobs done, such as gardening.

Now you can also choose to exchange the time credits in your account for paper Time Credit notes which can be spent at leisure and tourism attractions across the UK. One hour = One Time Credit note. To find out more and to see where you can spend time credits visit justaddspice.org

You can spend time credits at the following London attractions: St Pauls Cathedral, Museum of London, The British Museum Exhibitions, Tower of London and Tower Bridge Exhibition. Our partner, Spice, is in the process of also signing up businesses and organisations in Cambridgeshire where you can spend the credits. At present there are a small number of spend partners in Cambridgeshire, but more will come online. Currently you can spend credits at: Cambridge Junction - family shows, theatre and dance;

Cambridge University Institute for Continuing Education; Burwell House - residential weekends; Outspoken - Bike repair workshops; Fens Falconry, Wisbech St Mary including their new open days; Light Cinema, Wisbech; 4x New Vision Leisure Centres across Fenland; Strikes Ely; College of West Anglia - health and beauty treatments including full spa days.

We also have a scheme in place which allows members to spend their hours at Everyone Active Cambourne. They accept our vouchers for family roller-skating, badminton, trampoline, kids' activities and over 60s activities.

For more information about Cambourne Timebank, contact Laura Papanikolaou on lpap@chsgroup.org.uk or 07540122624.

Bring and Share BBQ for Girlguiding's helpers

Since the first houses were completed there have been Brownies in Cambourne. Diane and Christine responded to a call from the Guide District of Comberton to form the first Brownie unit in Cambourne and soon a second unit was needed and Rebecca and Laura came forward.

The younger girls wanted to join in and Cat formed a Rainbow unit. The Brownies grew up and wanted to join Guides, so Lizzie and Claire came along and ran them. They met wherever a space could be found.

Comberton District grew so big that it decided to split and the new District of Childerley was registered. It consisted of Brownies, Rainbows and Guides from

the villages of Hardwick, Caldecote and The Cambournes whilst the remaining villages became the new District of Toft.

Childerley District went from strength to strength and by 2007 there were three Rainbow units, three Brownie units and one very large Guide unit. There were more than 20 Leaders,

Leaders in Training and helpers.

Annette headed the Childerley District team, helped by Penny from the WI. This team has been magnificently run by Kim for the last six years.

Once again Annette has been asked to help, only this time it is to run a get-together to celebrate Girlguiding and its success in Cambourne.

Anyone who has helped in the past, is helping now or thinks they can lend a hand in the future is asked to come to the Bring and Share BBQ run by the Trefoil Guild on Friday 26 June 7-9pm at the Sports Pavilion, Great Cambourne.

19 The Coffee House eats its way to a record

On Saturday 16 May, 87 people from Cambourne and beyond came to 19 The Coffee House at Cambourne Church to help set a world record attempt for the most bacon rolls eaten in 20 minutes.

197 rolls were eaten by people of all ages, the most one individual managed was 6! This is now being submitted to Guinness World Records to see if the record has been set! Jacqui Huckle, church member and co-manager of 19

The Coffee House, said: "It was the first time we have done anything like this so it was a step into the unknown but it was great fun – people really entered into the spirit of it," she said.

19 The Coffee House is staffed purely by volunteers. Jackie and Gerald would love other members of the community to join them in 19 The Coffee House. A variety of shifts are available to suit people's personal circumstances.

For more information on both the world record attempt and volunteering at 19 The Coffee House please go to 19thecoffeehouse.org/home or email 19thecoffeehouse@cambournechurch.org.uk.

A big thank you to the team of volunteers who helped make over 200 bacon rolls and also to Morrisons who provided the bread rolls for the challenge.

Energy efficiency

New research by Cambridge Architectural Research and Anglia Ruskin University, commissioned by Campaign to Protect Rural England (CPRE), suggests we need a massive reduction in our energy requirements if we are to avoid inflicting widespread damage on the countryside. Our Warm and Green report (<http://goo.gl/WFo2gg>) claims energy efficiency has been grossly underplayed in the approach to England's future energy supply.

The report highlights the potentially huge impact of infrastructure on the countryside if old and new homes remain energy inefficient, and illustrates the dearth of funding for improvements, especially in rural areas. To find out more about energy efficiency incentives in your area, contact the District Council. To find out more about CPRE please e-mail office@cprecambs.org.uk

Cambs police campaign: Report it, stop it

Cambridgeshire police ran a campaign in May encouraging people to report concerns about vulnerable adults. Vulnerable adults tend to be more likely to become a victim of crime or abuse but are often less likely to report it.

The force has been urging anyone who has concerns about someone – a relative, neighbour or just someone they know – to "Report it, stop it".

It is the latest strand of the force's Get Closer campaign, which aims to communicate with the public about key issues. The force receives more than 6,000 reports of adults at risk of abuse each year.

The Multi-Agency Safeguarding Hub (MASH) provides a safeguarding response where vulnerable adults have, or are at risk of being abused. It sees a wide range of partner agencies working together to deliver coordinated safeguarding activity in line with requirements under the Care Act.

Additionally the force has a dedicated team, the adult abuse investigation unit (AAISU), based at Chord Park, Godmanchester, which is responsible

for investigating adult abuse in co-operation with partners.

Detective Chief Inspector Neil Sloan said: "vulnerable adults who are victims of crime or abuse often do not report it because they may feel ashamed, embarrassed, upset or may not even realise they are a victim."

"This is why we need everyone to help us protect them by recognising the signs that something is wrong and not turning a blind eye."

"It could be your grandparent, another elderly relative or neighbour. Their behaviour may have changed in some way; they could have outstanding bills, or an unusually high credit card balance; these are all signs of potential crime or abuse."

"The person taking advantage of the vulnerable adult could be a relative, carer, neighbour, or someone they consider as a 'friend'."

"We will take all reports seriously and fully investigate. Those found committing crimes frequently get jail sentences because the offences often involve a breach of trust."

Think twice before jumping into open water this summer

Would you jump into a river, lake or any other open waterway on a hot sunny day? Do you know what hazards lie beneath the water? Or how cold the water is?

Your fire service has pledged to deliver water safety education to every school in Cambridgeshire following the tragic death of a teenage boy last summer. But there is only so much we can do and we're calling on parents, carers and peers to talk each other about water safety.

Remember, you do not know what hazards lie beneath the surface of rivers, lakes, canals, etc and strong

undercurrents can be tough to conquer, even if you know how to swim.

Cambridgeshire's waterways are cold – even on the hottest days of the year – and this has a dramatic effect on your body's ability to swim and get yourself out of trouble, should you get stuck.

If someone is in trouble, call 999 immediately. Do not hesitate to call the emergency services and give clear details of your location.

For the latest news, incidents and safety advice, or to contact us, log on to www.cambsfire.gov.uk. Find us on Twitter, Instagram and Facebook. Call 01480 444500 for enquiries.

Wildlife Review

June 2015

Ground nesting bird recording on Crow Hill has started to yield results. After the slow start to the spring we are now managing to find nests and the first skylark chicks were ringed. Thank you to the dog walkers that are keeping their dogs under control and staying on the paths.

Hedgehogs

One Cambourne resident recently emailed with the news that they had seen a hedgehog in their garden again after several years without. But they were concerned about the ability of hedgehogs to move through Cambourne. The green spaces are well connected with Greenways linking formal and informal areas. Gardens are also a very good resource for hedgehogs, and they are useful to the gardener in eating slugs and snails. A simple thing house owners can do to help is make a small hole (13cm/5 inches wide and high) in your garden fence. Hedgehogs will range 1-2km in a night and visit many gardens, they cannot survive in just one garden.

GET IN TOUCH

If you have any comments, questions or suggestions about the green spaces in Cambourne please get in touch. Email: jenny.mackay@wildlifebcn.org
Call: 01954 713516 or call the main office number 713500 if urgent. Find us on www.facebook.com/wildlifebcn and Twitter @wildlifebcn. To find out more about your local Wildlife Trust, what we offer in Cambourne and how you can support us, please visit www.wildlifebcn.org

Other things you can do to help include:

1. Making ponds and sunken areas safe by ensuring there is a way out, a shallow edge or ramp at less than 30 degree angle and at least 20cm wide.
2. Keep netting taught or tie it up when not in use so that hedgehogs don't get tangled.
3. When it is hot, put out water (not milk) for them to drink in a shallow dish.
4. Avoid using slug pellets.
5. Leave a scruffy corner in your garden over winter so hedgehogs can nest.
6. Check bonfires before lighting and before strimming any rough areas.
7. If you want to put food out, mealworms or meaty cat or dog food are best.

The People's Trust for Endangered Species has a project called Hedgehog Street which encourages neighbours to work together to improve their street for hedgehogs.

For more details visit www.hedgehogstreet.org

We hope to be doing some recording of hedgehogs in Cambourne later in the year by using footprint traps, so please let us know if you have seen hedgehogs in your area.

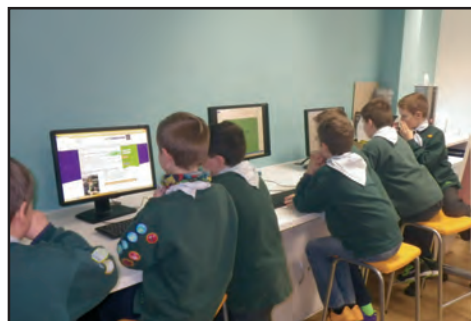

Busy term for 1st Cambourne **cubs**

The Cubs have had another busy term. We started off by doing our ICT badge.

We were very lucky that Tesco's at Bar Hill allowed us to use their community room.

This gave us access to computers that we used to make some fabulous posters to advertise our Cub pack.

We were also lucky enough to go to 'Pets At Home' at the Beehive centre in Cambridge. We learnt about how to care for small animals including; hamsters, gerbils, chinchillas and reptiles. The Cubs enjoyed being able to touch some

of the animals and have their many questions answered.

We finished off the term with our annual Easter event which involved

following a trail (set by the Scouts) around Cambourne. We were rewarded at the end with an Easter egg.

This term has already got off to a flying start. Last week we hiked to Bourn windmill. We are also looking forward to a 'behind the scenes visit' at Tesco's and being one of the first Cub packs to gain the new 'Farm to Fork' badge. Would you like to be part of an active Cub pack?

Could your company offer our Cubs an entertaining evening out? Please get in touch: 1stcambournecubs@gmail.com

Our Website is being updated

Over the next few weeks, we will be moving to a new website provider called 'My Surgery' so our site will be having a long overdue make-over!

You will notice lots of changes and new interactive features, which we hope will improve your online experience. Our address will remain the same:

www.monkfieldpractice.co.uk

Registering for Online services

In line with all GP practices, we have made changes to the registration process for access to online services (such as ordering repeat prescription and booking appointments) in order to keep your details as secure as possible.

It is imperative that we have a robust process in place as you may now also request online access to your medical records (currently you will only be able to view your 'Summary Care Record' showing repeat medications, allergies and adverse reactions, but in future access to your full record may be possible). To register for these services you will need to come in person to the surgery to fill out an 'online services' registration form - you will need to provide 2 forms of ID, one being photo ID and one showing address - for example a

passport & driving license or recent utility bill. The registration form will be passed to a GP for approval, the application will then be processed and a unique username and password will be created -you can then collect these in person from reception (with ID) or we can post them to you if you prefer. Please note that this process may take up to 2 weeks.

N.B. - parents/carers may request access to their children's records up until the age of 14 (this has been lowered from 16) and access by the parent will automatically cease on the child's 14th birthday. From 14 years old, the child will need to request access themselves.

Smoking Cessation Clinic

From 8th June, we will be holding a weekly smoking cessation clinic between 3 - 6pm. The clinic will be run by Brigitte McCormack, an advisor from the CAMQUIT service. If you would like help to stop smoking please ask to book an appointment with Brigitte - initial appointments will be 30 mins with follow-ups being 15 mins.

If Mondays are not convenient, then our Practice Nurses, Sue, Trish & Paula, and Laura our Senior Health Care Assistant also offer smoking cessation advice, so please ask to book a convenient slot with one of them. **Don't delay! Get on the road to quitting now!**

Annual Reviews

In an attempt to reduce the costs spent on postage at Monkfield Surgery. We will be where, possible, reminding patients to attend for their annual review via sms text or notes on prescriptions rather than letters.

Community is a wonderful thing

I have been fortunate over the past few months to be part of the team leading the Parish Plan. This is a project to listen to the residents of Cambourne and discover the aspirations of members of this community in respect of the environment, economy, transport, social and community life, and more areas that underpin our life together.

The results are important as they will help the Parish Council shape life in Cambourne in the years to come.

However, what is also important is the process of listening to each other, which in itself has huge significance. When people feel listened to and understood they so often feel better valued and more able to engage.

It occurs to me that Jesus was a community builder. His followers came from a range of backgrounds, tax collectors to fisherman, and he drew out their gifts and skills. Jesus also drew alongside people, especially the marginalised, and encouraged them back into community. And, finally, in the story of the widow's offering told in Mark 12 we see that the smallest offering is of significance.

Community is a wonderful thing and its richness here in Cambourne comes from our diversity. Let's celebrate and give thanks for each other.

Pastoral Thoughts

Dear Friends,

This has been an interesting time with me doing increased preaching times both here and also at New Testament Baptist Church in Kenny Hill, Suffolk on Sunday nights. It is easy to get fatigued dealing with the extra workload, but just because it is harder does not mean we give in.

We have seen some new folks come to visit over the past few weeks. Some from England and some from Germany, Russia and Singapore. We are a small church, but our impact is worldwide.

This month we will be having our usual Father's Day service. Although I have not

yet decided on the gift for the men that day. I have done lights, hammers, mini tools, safety equipment, and magnifying glasses. All accompanied by a relevant message for men and fathers in particular. So, who knows what it will be, maybe ratchet straps or duct tape but something for men.

Being a father though is the bigger challenge. Men we must be prepared to be the "Bad Guy". In a two parent family there usually is one. The one who will say NO and mean it. The one to make the hard choices and stick by them. The one who is more concerned with the protection and provision than the pleasure of the child. We need to

understand we cannot always be our child's best friend. They can have many friends, but they need parents.

Fathers need to be consistent in their word. Promises should be rare, but when given they should be kept, even when it is uncomfortable. Be the type of man you want your son to grow into or your daughter to marry. Honesty and responsibility and even dependability should be synonymous with your life. Committed relationships to your spouse and children are vital. The best way I have found to achieve that is by first committing yourself to the Lord, and following his plan for family.

Pastor Donavan Bangs

Cambourne Catholic Church

We have all attended job interviews. The first things we generally want to know are 'How much will I earn?' 'What do I need to do?' This month we celebrate the feast of St Barnabas who worked by the side of St Paul as an apostle preaching and curing the sick. The apostolic job description came from Jesus himself and asks us for a degree of humility. Jesus asked the apostles to travel light, carry few clothes and little money. You have to wonder how they must have felt.

Our daily tasks may seem far removed from the work of the apostles but the baptism we share does entail responsibilities. Attending Mass and other sacraments are important building blocks that keep us together but our work does not stop there. Every time we read the New Testament we are continuously challenged on caring for one another and to make the gospel alive in our own ways, so others may see with our help. This is what we seek to do in the Cambourne Catholic Church community. The gospel is our ongoing job description and we are constantly shaped by it. In this spirit we are seeking to set up a group for those who are bereaved to help give support during one of the harder parts of our journey through life. If you would like to attend or be involved please contact Loretta Peck at lpeck229@gmail.com

We also invite those who wish to attend a Mass of Anointing of the Sick at Our Parish Church, Our Lady and the English Martyrs, Hills Rd, Cambridge, followed by a tea in the Parish Centre, to join us and let us know if they would like a lift. Contact Mel on 01954212714 by Friday 19 June.

Have you ever wondered what a dinosaur would eat at a picnic? This is a question that our Reception children had no problem in answering – herbivore and carnivore sandwiches of course! Not only did the children produce some delicious examples of these sandwiches, they also explored the type of habitats dinosaurs would prefer and created examples of these using a range of natural materials found in the outdoor environment.

fantastic pieces of writing ranging from information texts on how global warming is changing the polar environment to non-chronological reports and diary entries, in addition to analysing the leadership skills Shackleton demonstrated in the extreme circumstances he and his crew found themselves in.

As the weather has improved our green fingered horticulturists in Year 3 are beginning to see the rewards of their hard

work in the KS2 courtyard. They have been investigating how to keep a garden green by studying the life cycle of plants. Everyone has been delighted to see that their plants are growing rapidly and we look forward to some beautiful blooms very shortly. Chelsea Flower Show look out!

The children in Year 1 and Year 2 had a truly magical experience when they visited Cambridge Arts Theatre for a performance of 'Room on the Broom'. This wonderful adaptation of the much loved story by Julia Donaldson enchanted all the children and adults with its special effects and energetic storytelling. Since returning to school the children have been inspired to create their own stories full of imagination and their own unique brand of magic.

In Key Stage 2, Year 4 have been learning about what life was like for children in World War 2. They have done lots of problem solving involving rationing, have constructed their own Anderson bomb shelters and have even designed and made rag rugs, which was much harder on the fingers than the children had anticipated. This is all part of the preparation for their forthcoming visit to Stibbington Education Centre where they will be spending the day living as children who were evacuated to the Cambridgeshire countryside from London in the summer of 1940.

Meanwhile, Year 5 transported everyone back to Ancient Greece with their glorious rendition of 'Troy Story'. In this musical extravaganza the audience was introduced to many famous characters from Greek mythology as they followed the adventures of Achilles, Helen of Troy, Paris and a very large wooden horse. The children really gave a superb performance with everything an audience could wish for in a musical. Even though summer is beginning Year 6 have remained in much chillier climes as they have continued their study of Sir Ernest Shackleton, the great polar explorer, and his incredible exploits during his expeditions to Antarctica. The children were lucky enough to have a visit from a real life Polar explorer who gave them an insight into the hardships faced by those who continue to explore this inhospitable environment today. The children have used these experiences to produce some

A colorful poster for 'The Vine Primary School 10th Birthday Summer Fete'. At the top, there is a string of colorful triangular bunting. Below it, the text reads 'The Vine Primary School' in a purple font, followed by '10th Birthday' in a large, stylized font, and 'Summer Fete' in a bold, black font. The date 'Friday 17th July' is written in a bold, black font. The time '5.30 - 8.30pm' is written in a purple font. Below the time, it says 'With lots of entertainment and fun for all the family.' in a red font. A list of activities follows: 'Barbecue, licensed bar, live band, grand raffle with fabulous prizes, bouncy castles, home-made cakes, ice-cream, hook a duck, beat the goalie, soak a year 6, temporary tattoos and much much more!' in a multi-colored font. At the bottom, it says 'So come and join the party' and 'Everyone welcome!' in a purple font. There are three gift boxes at the bottom: one red, one green, and one blue, all with white bows.

In Coral and Ruby Classes we have been welcoming some very special visitors... our parents! They have been coming in to watch our maths lessons and help us with our learning. Firstly we have been showing them all of the fun counting games we play along with how good we are at counting in ones, twos and tens.

Next we demonstrated how we solve real life problems using money by investigating how much ice creams cost and

adding amounts together. After that we spent time working with our parents using maths games, practising writing our numbers, solving more problems and showing them how much fun we have with maths in our classroom every day.

We all enjoyed having our parents come in and we think they enjoyed visiting us too, as lots of them commented at how much fun they had and how impressed they were with our learning.

CAMBOURNE PRE-SCHOOL At the Blue School, Great Cambourne

Telephone: 07875 083163

Email: cam.preschool@btinternet.com

Staff and children were sad to say goodbye to Salma recently after two years as a Play assistant, we wish her lots of luck for the future and hope she keeps in touch.

We are pleased to welcome Jo Oxenbould to the Pre-School team after May half term. Initially she will work on Mondays increasing to a full time position in September. Jo has previous experience and a level 4 qualification in Early Years.

Looking to the future we are excited for our upcoming trip to Wimpole Farm for all of the children and their families, also to our yearly 'toddle' for Barnados, which is always a wonderful event, as well as meeting our new September starters at our open day and preparing our school leavers for their transitions to 'big school' - a busy term is planned!

Cambourne Pre-school will relocate into the current 'Blue School' building in September giving us bigger rooms as well as larger outside space, we are all very excited about the transition and the opportunities it will offer.

For details about the Pre-School and September 2015 admissions please contact us on the details above.

Cambourne Pre-School Summer Fete! Friday 3rd July, 3-5pm

Come along for a fun filled afternoon including: bouncy castle, face painting, stalls, refreshments and lots lots more...

Meet other families in Cambourne and take the opportunity to meet and chat to Cambourne Pre-School staff!

If you wish to have a stall at the fete or feel you are able to donate a raffle prize, teddy for the tombola or a filled bottle please contact the Pre-School directly.

Jeavons Wood, Egyptian style

In Year 3 and 4 at Jeavons Wood we have been very busy learning about life in Ancient Egypt this term. We all took part in a great history day with History Off the Page, where we were visited by an Egyptian High Priestess who showed us how to make precious objects for a new temple. This included making our own ink for hieroglyphics, modelling oil lamps from clay, grinding wheat for bread dough, making a mummy, and carving a scarab beetle!

We all enjoyed presenting our plays and dances to the Pharaoh and his Queen in the afternoon.

All of this knowledge has helped us to plan some fantastic stories set in Ancient Egypt, and produce some posters all about the River Nile and farming Ancient Egyptian style!

In science we have learnt all about our digestive system, so we really understand how tricky the mummification process must have been!

CAMBOURNE BOWLS CLUB

Bowls Club
Nights continue
on Mondays and
Thursdays from
6pm – all
welcome. The

sessions are particularly designed to get more Parishioners interested in playing bowls and you can be assured of a warm welcome.

There is no charge and all equipment is provided.

If you wish to play bowls at other times we have a membership scheme available. For a modest annual fee you will be issued with a membership card and when presented to the reception desk at the Sports Centre you will be issued with a set of keys for the bowls facility. The green is available for general play every day of the week except club nights and when the green is being maintained. We did not enter a league this year but it is our intention to play some friendlies against some of our local clubs. For further details please contact Robin Bailey on 01954 719223 or robin.doreen@btopenworld.com

Cambourne Women Runners welcomes new members

The annual Cambourne 10km race took place on Sunday 12 April and nine runners from Cambourne Women Runners took part.

It was a fairly challenging race, the undulating course followed off-road trails around the country park and the water station at the Vine School, along with enthusiastic supporters, was a welcome sight to runners as they passed the half way point and headed for home.

The race is always very well supported by the local community, there were spectators along the whole route

and in the Business Park crowds of people cheered tired runners over the finish line. We are lucky to have such a great event on our doorstep, the one mile fun run also provides a great

opportunity for youngsters to follow in their parents footsteps.

Cambourne Women Runners is a friendly, informal running club, we welcome new members throughout the year, or if you are new to running you may like to join one of our beginner's courses, run twice a year.

We meet on Tuesday evenings, 7.30pm at the Ark in Gt Cambourne, please feel free to turn up and join us. We would also like to invite women runners of Cambourne to join us for a 5km run and social on Tuesday 7 July, 7.30pm at the Ark.

We have had a great season. We have some exciting tournaments coming up over the summer months and are looking forward to our trophy night.

Academy took part in the U6 competition arranged by Cambridge United FC with a very successful outcome. We followed that up with a game with Cambourne FC. We now have a number of tournaments arranged throughout the summer to get the children ready for the mini soccer league next season.

U8's The Under 8 Blue Team's season has now finished and we are really pleased with the progress shown by all the boys. Thanks as always to our super parents for their support. Next season we start 7 v 7 matches and we can accommodate a couple of additions to our squad. Our team is made up of boys from the Vine and Bourn primary school

catchment areas. If you would like more details please contact Alec Pybus on 07717 575542.

U8's The Under 8 Red Team have had a successful season! We have been pleased with their determination and ethics. These boys just pull together every single week! We look forward to the challenges of next season and are excited by the prospect of a larger pitch, more players and more time to run around! A big thank you to all the parents for your unwavering support. Special thanks to Lesley, fantastic oranges! Matt "the Howard Webb of Cambourne"! Steve for helping make sure everyone gets equal time and of course Simon for warm up, strategy and most of all putting up the goals! We are looking forward to our summer tournaments starting at Hardwick on 13th June. It's going to be great!

U9's Have been unbeaten in the league since Christmas. Special mention to Jack who had a great season and is on the comeback trail after his injury. The boys are excited to play with Heath next season too! Finally, thanks to Jason Mills who started the team but is stepping down as Co-Manager at the end of the season.

U10's Are training until summer break. A thank you to this season's Head Coach Martin Withers for his dedication to the team. We are recruiting new players for next season; anyone currently in Year 5 is eligible.

The U10's will be holding try-outs on Wednesday 17 June at 6pm at the MUGA. Emailing jencollins4@gmail.com to sign up.

OFF TO A FLYER!

Cambourne Cricket Club has five teams, playing youth and senior cricket on pitches in Lower Cambourne (The Green, Woodfield Lane, CB23 6FD) and Back Lane, Upper Cambourne.

We have three teams playing 40 over cricket on a Saturday afternoon; we also play some friendly games in midweek or Sunday afternoons. Midweek nets are on Wednesday evenings from 6pm at the pitch in Lower Cambourne.

Our 1st XI started the season in fine form, with successive wins to top the table as the end of May approached, including a win by over 150 runs, and another by more than 250 runs the following week.

With three teams playing each week, we have a packed programme of fixtures - so if you would like to join in, just come

along to midweek nets on Wednesday, or email the club:

ccadmin@cambournecc.com

If you are not sure about signing up, why not just come down and have a chat with us on a match day or training session? We'd be delighted just to talk about the game with you!

YOUTH CRICKET

Cambourne also has a growing youth section for boys and girls.

We have two teams registered to play in the local youth leagues this season, at under 10s and under 12s.

Our qualified youth coaches also run weekly training sessions on a Sunday morning (10am to midday) in Lower Cambourne, if your son or daughter is interested in cricket.

Player of the Month:

Humberto De Sousa (pictured) became the first Cambourne player to hit a double century, in a 1st XI fixture vs Haslingfield in May.

Cambourne scored 348 runs - a club record, and won by 253 - also a record.

Soccer School – We had a great time playing Cambourne Eagles Academy in a friendly match between next seasons U7s teams. Special thanks to Paul & Paddy the Eagles managers. Our younger players are growing in confidence and will be training throughout the summer – all newcomers welcome.

U7 - The under 7s have had a great first season, with our strikers Louis Jones and Riley Prendergast scoring 80 goals between them.

U8 - The team has been unbeaten since December. Defence has become more resilient, forwards continue to bang in the goals and our raft of mid-fielders create chances and willingly help defend. Training continues on Tuesdays at 6pm, we welcome new players!

U9 - Winning the U9 League Plate was a fitting finale, showcasing the dominant determination and precocious skill, which define these boys. Every player has scored, with Jordan Hien's cup-final wonder-goal surpassing Charlie Adam for season's best strike.

U10 White – Its been a great season for all players, securing promotion to the B League after Christmas. We're working hard in training to further improve our game. Tadi joined last September and became a fantastic addition.

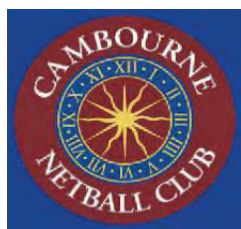

U10 Black - Since being promoted at Christmas the U10 Black team have enjoyed a fantastic second half to the season, including some outstanding performances against tough opposition. The boys are now looking forward to participating in a summer tournament before the start of next season, which sees them move up to 9V9.

U11 – We've had an excellent season having only lost 1 match this year. We've net 69 goals this side of Christmas, conceding just 19, plus 4 clean sheets show just how well the U11 super-duo are doing in front of the net. A great effort, with everyone getting a real sense of achievement. Every member gives their all, and you cannot fault the commitment of the squad!

U12 - The season unfolded as a game of two halves. The first consisted of qualifying matches which we won all four placing us in the strongest Cambridgeshire FA Colts league. The second half included a 2-1 win against Shelford & Stapleford Strikers, who were unbeaten in the league for three years. Cameron Booth stopped a late penalty to secure our victory, plus a big 6-2 victory against Spartak78 Youth. We finish 6th in the United table.

U13 – We were joined by Dylan Henry in September who proved himself as a valuable member of the squad. The team settled into 11-a-side and the team spirit has been high. Some of the season highlights include our win over Chatteris Town Youth and great results against Over, Isleham and Newmarket.

Cambourne FC are now looking forward to Trophy Day on June 20th and would like to thank all Players, Managers, Coaches, Parents, Families and Sponsors for your continued support throughout the season!

Cambourne Netball Club

ANNUAL NETBALL TOURNAMENT

Cambourne Netball Club hosted this year's Cambridge & District Netball League's tournament in Milton. Twenty-four teams from around the County gathered on a blustery Saturday to compete in a netball competition which saw Cambourne come second and Swifts ultimate winners on the day.

As part of this fun-filled day the Club were particularly pleased to be raising money for East Anglia's Children's Hospices. A raffle, cake stall, ice creams and sharp-shooting competition all helped raise over £1300 for the charity.

Cambourne 3 were delighted to collect their Division 5 runner's up trophy on the day after securing promotion to Division 4 following end of season playoffs.

The club is very grateful to have recently received sponsorship from Tinc. Cambridge and the girls were thrilled to be given a new kit bag for the club as well as water bottles.

CAMBOURNE JUNIORS

Cambourne Junior Netball Club is going from strength to strength. The club introduced weekly training sessions for girls in years 5 and 6 at the start of this year and the sessions have been a huge success. The club is now operating a waiting list for these sessions but will be taking on new players in September. The year 5/6 sessions take place on a Tuesday from 4.30-5.30pm at Cambourne VC and the cost is £20 per term. If any new players would like to put their name down to start the sessions in September, please email cambournejuniornetball@outlook.com
