The new bench and plaque were unveiled by Madison's mum Kerry, dad Kurt and sisters Abigail, Emillia and Charlotte

In memory of Madison Sells

A new bench has been installed on Hudson Road in Upper Cambourne in memory of Madison Sells, who tragically died of an asthma attack earlier this year, aged just five years old.

Neighbours Kim Bowyer, Marie Easey and Lorraine Fitzpatrick came up with the idea of the bench, to give Madison's sisters Abigail, Emillia and Charlotte somewhere to sit and remember her.

The bench and a plaque in Madison's memory were unveiled at an event attended by more than 100 friends and family. The celebration of Madison's life also included a bouncy castle, bbq, face-painter, disco and a raffle - which raised £400 for Asthma UK.

"The bench means so much to Madison's family - it's somewhere for her sisters to go and sit with her," said organiser Kim Bowyer. "We as a community wanted the memory of this beautiful little girl to live on. We couldn't possibly forget her but it's lovely to look

Five-year-old Madison attended Jeavons Wood Primary School and lived in Upper Cambourne

out and see the bench sitting there and all the kiddies playing.

"I wish we didn't have to do this and could have Madison here with her family but it was not meant to be. I don't want this little girl's passing to have been for nothing - we need to raise awareness of this illness and just how serious it is."

The bench was paid for by CHS Group and the plaque was engraved and paid for by Terry Easey of TAD Ltd. Many local and national businesses provided raffle prizes, including Tesco, Morrisons, Woks Wagon, The Monkfield Arms, The Coffee Shop, The Beauty Cabin, Fish n Chickn, Eden Flowers, Toft Stores, Quay Mill, C&M Hair and Beauty, Su's Cakes, John Lewis, CHS Group, Home Bargains and Wembley Stadium.

"We're very grateful to everyone who came along to the opening of Madison's memorial bench and for all the donations which helped us raise so much money for such a good cause," said Kim.

Electric Gator

The Parish Council have recently invested in their first electric vehicle. The new electric gator will work alongside the existing diesel gator as a versatile utility vehicle that is capable of being used on a wide variety of terrains. The electric gator is charged up in a building powered by solar panels adding to its green credentials. The gators are used to attend to a wide variety of maintenance tasks in areas that are in hard to reach and are especially useful in off road tasks such as emptying the dog and litter bins.

The gators will be present at the Cambourne Community Fete on 12th September 2015 so why not pop along and have a look.

Cambourne Community Info Sessions

Make your opinion matter! Have your say! Previously called Residents' Meetings, these sessions have been running successfully for the last year. This is a chance for you to understand what is going on in Cambourne, ask questions and meet your neighbours in a relaxed, informal and child-friendly atmosphere.

Following on from the success of the "Healthcare" meeting in June, we are holding a CRIME & ANTI-SOCIAL BEHAVIOUR session on Saturday 3rd October at 10am at the Hub. With the Police, a representative from the office of Sir Graham Bright, Police & Crime Commissioner and also possibly one of our District Councillors, this promises to be a date not to be missed.

Children are welcome and toys will be available. So pop in, have a listen and let us know how you want our community to evolve in the near future.

Parish Plan: Your Say For The Future

The Parish Plan Steering Committee will undertake a consultation with the residents of Cambourne through a parish-wide survey to produce a Parish Plan. This will assist us in understanding what our ever evolving community requires over the next ten years.

They held a catch up event with those people who volunteered at the Parish Council Launch event in January and

- shared their plans and ideas to deliver the Parish Plan;
- set out what they have achieved so far and what is left to do;
- and most importantly, started to see how the volunteers' skills, experience and support could be used to best effect and help them move forward with the project.

The Parish Plan Steering Committee will have a stall at the Community Fete on Saturday 12th September, when everyone will have a chance to share

their thoughts, ask any questions and there will be a prize draw for anyone submitting an idea.

Would you like to help in any way in this community led project? Want more information? If so, then drop them a line at: info.parishplan@cambourneparishcouncil.gov.uk.

Health News

Antibiotics - what you need to know.

Antibiotics are a group of medicines used to treat infections caused by bacteria and some parasites. They will not work against viruses (e.g. colds or flu) or fungal infections (e.g. thrush) so doctors are not likely to offer you antibiotics for these types of problems. Only ever use antibiotics prescribed for you and always follow the instructions from your doctor and on the leaflet to make sure they work as well as they can.

Antibiotic Resistance

After a few days of antibiotics you may feel better. However, it is likely that some bacteria may still be in your body. If you stop taking the antibiotics too soon, there is a chance these bacteria can change and stop responding (become resistant) to the antibiotic. As the bacteria are passed on from person to person and move around the community, it may be that antibiotics no longer work.

Because antibiotics have been overused in the past and not taken properly some bacteria have become resistant and are harder to treat (e.g. MRSA and other 'superbugs'). For this reason, doctors are unlikely to suggest antibiotics unless absolutely necessary, and it is incredibly important to take the antibiotics correctly for the full number of days you were told (complete the course).

Heidi Allen MP

Parliament may be in recess but that hasn't meant South Cambridgeshire's Heidi Allen has taken a break! From supporting local innovation through to the opening of a local fete near you, life as an MP goes on for Heidi.

A week before Parliament's recess Heidi was presenting prizes at the Girton Feast. Taking in the atmosphere, and a wonderful display of baking by the Cambridge Ladybird WI Heidi said "It was a lovely display of community spirit and fantastic to see so many young

children getting involved with the WI baking".

The 18th July may have been an escape from the dizzying heights of Westminster but not from those of the Helter Skelter as the Duxford Village Show was opened by Heidi making the short trip from the top of the tower to the recreation ground below.

However, the easy goings of village fetes have been broken up by the more serious side of an MP's work. A parliamentary reception saw Heidi sponsor South Cambridgeshire based Alzheimer's Research UK as they looked to MPs from all parties for help in identifying desperately needed funding for research.

Following on from July's article, Heidi's work on the House of Commons' Work and Pensions Select Committee has begun to take shape. The agenda has been set and a meeting is planned with the local Papworth Trust to discuss the government's work programme.

The cross party relations of the select committee have not been left in Westminster though. To highlight her commitment to cross party relations Heidi held a meeting on 17th July with all non-Conservative local councillors so they could raise any issues they had. With a growing economy comes local innovation. Heidi's nomination of Girton based Visualplanet's touchfoil product for an award from the All-Party Parliamentary Manufacturing Group is evidence of the exciting businesses springing up all over South Cambs. Speaking about the work carried out by Visualplanet Heidi said "This is one of those rare examples of a simple idea being turned into a phenomenal business opportunity...I challenge anyone not to be impressed by this example of British innovation at its best. www.heidisouthcambs.co.uk heidi.allen.mp@parliament.uk Tel: (01954) 21270

Monkfield Medical Practice

Staff Changes

The surgery has recently said goodbye to Claire Suirridge and Jenny Moyes.

Claire has worked at MMP for 5 years; her most recent role was Assistant Practice Manager. She has been appointed as Practice Manager at a surgery in Cambridge. We are sad to see her go but hope you will join us in wishing her all the best for her future career.

Jenny Moyes was Assistant Practice Manager and then Maternity cover as Practice Manager. Jenny has now retired; we wish her the best of luck on her well-deserved retirement.

Our Practice Manager, Rachel Lovelidge has now returned from Maternity Leave. We are in the process of recruiting a Practice Business Manager to work alongside her.

Flu Clinics

As usual, we will be running 2 or 3 Saturday Flu Clinics during October and November. All eligible patients will receive a letter inviting them to one of the clinics in due course. Once again, all 2, 3 & 4 year olds will be called and we plan to run clinics for this age

group during normal surgery times (within school hours) - again, your child will receive a letter inviting them to one of these clinics. It is imperative that you bring your invitation letter with you to whichever clinic you are invited to as this will serve as both your proof of eligibility and your consent.

Please remember - No Invitation, No Immunisation!

Practice Closure

We have made changes to the registration process for access to online services (such as ordering repeat prescription and booking appointments) in order to keep your details as secure as possible. It is imperative that we have a robust process in place as you may now also request online access to your medical records (currently you will only be able to view your 'Summary Care Record' showing repeat medications, allergies and adverse reactions, but in future, access to your full record may be possible).

To register you will need to come in person to the surgery to fill out an 'online services' registration form - you will need to provide 2 forms of ID, (one photo ID and one showing address).

The registration form will be passed to a GP for approval and a unique username and password will be created - you can then collect these in person from reception (with ID) or we can post them to you if you prefer. Please note that this process may take up to 2 weeks.

Parents/carers may request access to their children's records up until the age of 14 - access by the parent will automatically cease on the child's 14th birthday. From 14 years old, the child will need to request access themselves.

CAMBOURNE WI

WAt our August meeting Sean Brady talked about Handcrafted Porcelain Jewellery, which was very interesting. The only disappointment was that he didn't have any to sell - he blamed other WIs who had bought it all!

On 10th September Paula Dolan will talk about Childhood in the 40s and 50s
The time: 7.30 pm
The place: The Hub.

On 8th October we will be having an open meeting, to which men are also invited, about wildlife in the garden, so make a note on your calendars.

Visitors are, of course, always welcome, although we do have to make a small charge of £4 each. (Please, be aware that WI rules state that after 3 visits you will have to decide whether or not to join.) The reason for this is that the Federation receives a portion of the membership fee, to support all the additional activities they organise for us, and also to run the regional offices, and continue their national campaigns.) If you'd like to know more about the WI as a national organisation, then go to: <http://www.thewi.org.uk/about-the-wi>

Our next coffee morning will be on September 25th, this time at 13 Willow Lane, Great Cambourne, at 10.30am. Feel free to join us for a chat and a cuppa.

The WI book group still meet at the Belfry on the first Thursday of the month. It was lovely to see new members last month. Contact Fran Panrucker on 01954 710858 for further details.

Sadly the darts group were knocked out of the competition in their quarter final match, but it is still a great achievement, having played 10 matches to get to that point, and considering that a few years ago none of them had ever thrown a dart. Well done to the team. If you would like to learn a new skill, contact Joan Roe, 200908 for information about joining the team next year.

Volunteers help the groups run by undertaking activities with the young people such as lego, Nintendo Wii, board games, card games and crafts, and encouraging their social interaction with each other. No previous knowledge of autism is needed as we will give you training, but compassion, patience, enthusiasm, and commitment to turning up each week are essential.

We need people from **3.15-6.30pm every Wednesday** during term time.

We will undertake a DBS check and references on every volunteer.

Please get in touch with us if you are interested. If you can't commit to that time but are still interested, let us know as there may be other opportunities.

Summer Wildlife Wonder

**Bedfordshire
Cambridgeshire
Northamptonshire**

Have you noticed the wildlife all around this summer? It has been a busy time for many birds, butterflies, and dragonflies as they gave birth to and then cared for their young. On Crow Hill, there still are ground-nesting birds like skylarks and corn buntings, sheltered in the long grassland area. The wildflower meadows were alive all through the summer months with butterflies and other insects, and you might even have spotted a badger in the woods if you were out in the evening.

Flowers have been blooming in the wetland areas and ponds, too, along with rushes and waving reeds. How many species did you spot on a single walk? If you need help identifying wildlife in Cambourne or if you have a favourite photo you took this summer, send it to us at communicationsteam@wildlifebcn.org, or post it on our Twitter or Facebook pages. We love to see what wildlife you've spotted.

The Lister Wilson Wings of Time Flight

A great prize. In aid of a great cause. In memory of a great man.

As the very first County Councillor for Cambourne, Lister Wilson's contribution to our community was significant. He helped plan and secure funds for many of our public facilities including the church and primary schools. Sadly, Lister lost his fight with cancer earlier this year and many tributes have been paid by his former constituents. Fundraising is now being conducted in his memory to raise vital funds for The Arthur Rank Hospice

Charity, which cared for him in his final weeks.

A flight over Cambridge is being offered for the price of a £5 raffle ticket. The charity hopes the sky high prize worth £300 will raise a significant amount of money, in order to help fund their essential end of life care, counselling and support services.

The prize has been donated by Councillor Paul Bullen - a qualified pilot keen to share his passion for this mode of travel - who contacted the hospice to discuss the proposition, after his friend and fellow Councillor, Lister Wilson required the hospice's care over the Christmas period, sadly passing away at the hospice in January 2015.

The raffle aptly named 'The Lister Wilson Wings of Time Flight' will offer the winner and two guests a thirty minute flight in a Pierre Robin, DR400, in September of this year and will take off from Marshalls airport in Cambridge, possibly passing over the winner's home.

The aircraft is a four seat touring aeroplane which can cruise at 135 knots (approximately 150 mph) and has an

endurance of five hours. The prize includes a safety briefing and an opportunity to have a tour of the craft and its features. The winning ticket will be drawn at Bridge the Gap on Parkers Piece on 13th September 2015, in the cake tent at 2pm.

The £5 raffle tickets can be obtained from the hospice on Mill Road, one of the charity's three shops, or from the council offices at Shire Hall. Alternatively, please contact Lister Wilson's daughter Daisy Miceli on daisymiceli1@gmail.com for local delivery of tickets.

For more information about the raffle visit <http://www.arhc.org.uk/events.asp>

Pastoral Thoughts

Dear Friends,

Important News

On the **13th of September** we will be having a joint service with New Testament Baptist Church in Kenny Hill in Suffolk at 10 am. So that morning we will be there and not here. So **no service here that morning.**

We usually have the entire Hub booked from 09:30 until 12:30 each Sunday. If you need to collect or drop things off at the Hub if you had a party or some gathering the night before. I would ask that if you do not wish to join us for services that you would wait until after we are finished. Also if you have the Hub booked on a Sunday after us that you would not come into the building until we

are finished. If you need some chairs and tables left out just give me a call during the week before and we would be more than happy to assist to save you some time.

We try to be as it were good neighbours to those that we share the building with and even at times the parking area with as well. We feel it is important to do that which is right and just concerning people. Now that does not mean if someone is doing wrong you just ignore it. That seems to be an idea that the world thinks Christians should do and just be quiet and never say anything. However that is not the case. It is perfectly fine to say something if it is wrong. whether they be a friend or relative, an employee or even the government. After all the individual or group may not know and be ignorantly

doing something that they were never told was wrong. Like disposing of waste in a improper manner. Yes it may annoy them for a moment but it is far less annoying than a fine from the environmental agency. The same is true in spiritual matters. If we want to be a good neighbour we take time to point them in the right direction now before they get too far down the road and get into serious trouble. As I said on Sunday I would rather annoy someone into heaven than to comfort them into the lake of fire. If we care for people we need to be ready to risk relationships to give them the info they need. Just like with kids you love them enough to tell them if they are doing something dangerous even if they do not like you for it.

Pastor Donavan Bangs

CAMBOURNE CATHOLIC CHURCH

We LOVE because He first LOVED us

1 John 4:19

Why do we believe what we believe when we are children? It's because people teach us through their examples, through their words... Our parents, teachers help us to learn about our relationship with God and this is a good thing. We need people to guide us, but in the Gospel Jesus gives us the great challenge not only to believe because we are told to believe but rather to believe because of what we experience personally in our relationship with God.

In this respect I want to share my experience having recently been diagnosed with cancer 2 months ago. Having treatment and dealing with the emotions surrounding the diagnosis has been a big challenge for all my family. However through the love and support of people from the community I have discovered this experience is not unsurmountable. It has

made me discover how loved I am. People in their own little ways have tried to help through notes, flowers, prayers, thoughtful gifts, cooking meals and lovely walks. I discovered, being a doctor myself, how to be on the receiving end and learned to appreciate what doctors and nurses do to make our journey easier. This way I have discovered God's hands in humankind and an opportunity to appreciate and enjoy God's greatest and most divine teaching 'LOVE'.

District Council Elections - September 17th

.....
Cllr David Morgan has resigned from his Bourn Ward district council seat. A by-election to fill this seat will be held on 17 September.

Below are the candidates looking for your vote

Gavin Clayton (Labour Party)

A Labour victory would give Cambourne a voice within South Cambridgeshire District Council. A voice of someone who knows Cambourne, cares about ALL the people who live here and their needs. I have raised my family here over the last 15 years while watching the population and community grow and diversify. The key issue here centres on getting a fair deal from developers, house builders and council to bring the facilities that a population of this size needs and deserves in order to flourish. Something successive Tory Councillors have failed to do.

As a charity director supporting recovery from mental health problems I am very aware of the social impact of dogmatic Tory policies including deeply harmful cuts to NHS services providing a double whammy to the most vulnerable in our communities.

" Food Banks in one of the wealthiest council districts in England....shameful!

" Still no purpose built youth centre in a locality famed for its high birth rate...not good enough!

" A GP surgery that battles with symptoms of an over stretched and under resourced NHS...damaging!

" No pedestrian crossings on increasingly busy roads....dangerous!

Simon Crocker (Conservative Party)

I have lived in Cambourne for 16 years, one of the first to move in. I bought my first home and started my family here. Married with 2 kids and a background in FE and HE lecturing. I am Chairman of Cambourne Parish Council and former lead editor of the Cambourne Crier. I like

to think I have an understanding of the issues Cambourne faces.

With regard to issues – I believe Cambourne needs:

- NHS funding for the expansion to the medical practice (no good providing new desks if there's no money to pay for someone to sit behind them).
- A post office (residents are cross that we no longer have one),
- A swimming pool (without a significant increase in Council Tax),
- A new youth building (I have already helped to secure £230k of funding but more is needed)
- The pace of retail development must increase

Jeni Sawford (Liberal Democrat)

My family have lived in Cambourne for over 2 years and I work as a TA and MDS at Monkfield Primary. If elected, I will become fully engaged in the issues concerning residents in our Ward and will work hard on their behalf. The Cambourne West and Bourn Airfield proposals cannot deliver essential services and infrastructure and I will strive to protect the needs of all the villages in Bourn Ward affected by these proposals. Monkfield Medical Practice is overstretched and further increases in numbers will add pressure to this service.

I will make a clear argument that the NHS funding formula does not work for Cambourne. Further shops are welcome in Cambourne, but future retail plans should not be to the detriment of the village. Parking is a consistent issue within Cambourne, and I will work with residents to look for resolutions to this problem.

Helene Green (UKIP)

I live in Bar Hill and have always been public-spirited, including serving on the Parish Council. I am obviously the outsider in this election but, be assured that if elected, the Bourn Ward would become my adopted patch. I am a

practical person and will not stand back if something needs doing. In 2010 I was nominated by Bar Hill for the Village Hero awards because of my regular litter-picking.

I am semi-retired, working part-time at Hinchbrook Hospital as a clinical coder. This is the system used for claiming the costs of patient care. In 10 years since starting, I have never taken sick leave and have always been dynamic and hard-working. I ride a motorbike up the congested A14 as it is easier to avoid traffic jams.

I am aware of the controversy surrounding housing development. It is obvious that building new houses must not outstrip the infrastructure, which is currently completely inadequate.

Marcus Pitcaithly (Green Party)

My wife and I have lived in Cambourne for three years (and were recently delighted to be joined by our son). I work as an administrator for Cambridge University; off duty, I enjoy acting, writing, baking, and working on our allotment.

I've been an active member of the Green Party since 2009. In the wake of the financial crash I became convinced that a new approach to politics was needed. The self-defeating pursuit of unachievable endless growth, regardless of the human, practical and environmental cost, has served only to enrich a few at the expense of the many, our over-stretched infrastructures, and of the planet.

As a District Councillor I would make it my business to make sustainability a defining principle in all the Council's activities, and particularly in any further development within our already crowded and in many ways under-served ward. I would work to make the decision-making process as open, clear and inclusive as possible, for the benefit of local people.

For many the summer months are a time for rest, perhaps holiday, a time for being outdoors, sharing a bbq with friends and preparing for a new season come September. Of course for many, the months of July and August are times of change and uncertainty as for young people and university students the results of examinations are discovered, options are either broadened or narrowed and life moves in a different direction.

Mazes have long been used as a symbol of life's journey which for most of us is rarely a linear one, hence the maze analogy. To get to the life you have at present, how many twists and turns have there been to your journey, could you have imagined where you'd end up and are you happy with where you find yourself?

Of course mazes can be frustrating places where it's very easy to get lost and to lose perspective, but in our lives, they can be places of change, growth, discovery, movement and even transformation. The writer of Ecclesiastes in the bible reminds us that "There is a time for everything and a season for every activity under heaven" As September is upon us and a new academic year begins, I wonder where you feel God is in this season of your life -- he will be there. In Celtic spirituality we find the concept of 'thin places' those points of our lives when the reality of our earthly life comes wonderfully close to the presence of heaven. My prayer for you this September is that you might find life's journey of growth and discovery leading you to such a 'thin place'.

Cambourne Girls - We held our first Girls Open Day on 25th July. The response was exceptional. The club was able to put together teams in the U9s (Years 3&4), U11s (Years 5&6) and U13s (Years 7&8) categories. We are looking for more players to build out the squads. **Soccer School** - we continue to meet every Saturday at the MUGA, 9-10am, welcoming new reception children as well as Yr1. This is a great introduction to the game and is only £2 per session, pay as you go - just turn up!

U8 - Last season was a great first taste of the league.

U9 - Having ended last season with their first trophy from Waterbeach's tournament, we face a season full of new challenges as under 9's, not least is the transition to a bigger pitch and 7-a-side matches. Finally, welcome to our new recruits - Cameron and Max.

U10 - Finishing the season winning the League plate final, the Hardwick Tournament and getting to the final at Cottenham tournament the team have enjoyed a well deserved summer break! However with a new season ahead of us, our fixtures are in place and the team are excited to welcome new signings Harry and Luca.

CAMBOURNE BOWLS CLUB

Please get in touch if you would like to join in.

Robin Bailey Bowls Secretary 01954 719223 robin.doreen@btopenworld.com

Bowls Club Nights continue on Mondays and Thursdays from 6pm – all welcome.

It is still very much our intention to play in a local Bowls League but we need to be able to put out a team of twelve on regular weekly basis. We are just not able to do this presently so we are very keen to try and recruit some new players.

Don't let the thought of playing a league put you off, most leagues have several divisions and I am sure we could find a

level which we would be comfortable in playing.

We played host to guests from the Hardwick Evangelical Church in August. We had a very congenial evening and we would like to do this again probably next year.

For those Parishioners who would like to play bowls other than our Club Nights, please consider our membership scheme. For a modest outlay you will be

provided with a membership card. On presenting your membership card to reception at the adjacent Sports Centre you will be issued with set of returnable keys for the green, equipment locker and pavilion. The green is available for play most of the week except during maintenance periods.

Please contact me if you require any further information regarding lawn bowls in Cambourne.
