## Visit [www.cambourneparishplan.uk](http://www.cambourneparishplan.uk) today!

**The Cambourne Parish Plan website went live at the beginning of February, have you been to have a look yet?**

It's where you will find all the information you need about the Cambourne Parish Plan project, its objectives, the community wide questionnaire soon to be undertaken by all three villages, and how to get involved or in touch should you have any questions.

Although a paper copy of the community wide questionnaire will be

delivered to every household later this spring, we'd urge you to complete the questionnaire on-line; it will be directly accessible from the website.

The website will contain hints and tips for completing the questionnaire on-line and information about "drop in" sessions the committee is planning to hold for those of you who need a little help to complete the questionnaire. Don't worry if you don't have access to the internet, the committee will be organising "drop

off" points for paper copies of the questionnaire throughout the three villages and all the information about events being organised will be in next month's *Cambourne Crier*.

The Cambourne Parish Plan Steering Committee has set some ambitious targets in terms of the number of questionnaires completed, the more responses we get, the more weight the Parish Council will have to implement the things you want in the future.

## Air Cadets In Big Blue Parade for 75<sup>th</sup> Anniversary

Air Cadets from 2484DF (Cambourne) Squadron were joined by other squadrons from the Bedfordshire and Cambridgeshire Wing to commemorate the 75th Anniversary of the Air Cadet Organisation on Sunday 7 February.

An unprecedented number of 750 cadets and 75 uniformed staff paraded through the City of Ely.

Her Majesty's Lord-Lieutenants for Bedfordshire and Cambridgeshire, Helen Nellis and Sir Hugh Duberly KCVO CBE, met with the cadets at a reception. Helen Nellis said: "Ask the average teen what they did at the weekend, and they spent most of it playing video games.

"Ask an Air Cadet and they've been on an exercise, doing something for charity, shooting or flying. It helps them learn so many transferrable skills to take into adult life."

### New Parish Office

After over 10 years in 'temporary' accommodation within The Hub, the Parish Council Office staff have finally been able to move into their new permanent home.

The new offices, an extension to The Hub building, has been funded by the developers of Cambourne as part of the s106 agreement for the extra 950 homes.

The money was specifically provided for a Parish Office and if it had not been used for this purpose it would have had to be returned to the developers. The new offices provide much needed space, storage, a meeting room and last but not least - windows! The office is open from 9am to Monday to Thursday and 9am to 4pm on Fridays and is where you can make bookings for all the Parish Council buildings, enquire about allotments, Burial Ground and the Trailer Park or speak to a member of staff about Cambourne related issues.

## HEALTH NEWS

## Gut feelings: Heartburn, Acid Reflux and GORD

Heartburn is very common and refers to a burning feeling or pain behind the sternum (breast bone) which can spread to the ears or jaw. It is usually caused by acid rising (or refluxing) from the stomach into the oesophagus.

Acid reflux (also known as Gastro-oesophageal Reflux Disease or GORD) does not always cause heartburn and there can be other symptoms such as a cough, hoarse voice, sore throat or even damage to tooth enamel.

Acid reflux is strongly linked to diet and lifestyle. It tends to be made worse by caffeine, chocolate, fatty foods, wine, spirits, citrus fruits, fizzy drinks and smoking. Avoiding large meals, not going to bed on a full stomach and losing weight if you need to, are all likely to help.

Over the counter medications taken after meals create a barrier stopping the reflux, but if you are needing them regularly there are other medications that can help and this should be discussed with your doctor.

Acid reflux should be taken seriously as it may lead to more serious problems such as changes in the cells which can need regular monitoring due to an increased risk of cancer of the oesophagus. Most importantly, any difficulty in swallowing where food feels stuck in the throat or chest must be reported urgently. This may occur with or without the feelings of acid reflux but it can be a symptom of a serious problem and must never be ignored.

## GP funding, policing and broadband

In January, one of the founding partners of Cambourne GP surgery and I met with Alastair Burt, Minister of State for Care and Support. GP surgeries in new settlements such as Cambourne face even tougher funding challenges than established GPs and I am pleased to say Alastair listened intently and promised to go away and review the way the funding model works. Watch this space!

The safety and security of the residents of South Cambridgeshire is a top priority of mine and that's why on 15 January I met with the Chief Constable of Cambridgeshire, Alex Wood. It is clear policing challenges are very different across the County, but I am confident Alex is in tune with both our rural and city challenges.

One of the key irritations for residents in some of our rural villages is broadband provision. Over the last couple of months I have been working with district and parish councillors to try and identify any "cold" spots around the constituency where provision is simply not good enough. On 22 January I took my hit list to Noelle Godfrey, Programme Director of Connecting Cambridgeshire so she can ensure these areas are not forgotten. I am confident over time we will be able to provide decent broadband to everyone.

Visit: [www.heidisouthcambs.co.uk/broadband](http://www.heidisouthcambs.co.uk/broadband)

My next surgery dates are 11 March in Melbourn, 19 March in Sawston and 9th April in Cottenham.

## Cambs Special Constable recruitment

Cambridgeshire Constabulary is looking to recruit more people into the Special Constabulary.

Through Employer Supported Policing, a partnership between employers, their staff and the police, the Constabulary aims to encourage organisations and businesses to support their staff to be trained as Special Constables.

Special Constables have full police powers to carry out patrols in key areas of Cambridgeshire. Individuals are required to carry out a minimum of 200 hours per year plus training. Employers are asked to provide paid leave for some or all of these hours. The benefits are:

*To employers:* A good way for organisations and the police to work together (proactively); supporting local communities; staff development at little or no cost; staff are able to deal with difficult situations which arise in the day job; enhanced corporate social responsibility.

*To the community:* Direct engagement with local police; more visible policing on the streets; Increased public confidence.

*To staff/Specials:* Personal development, enhanced skills, training for career development; Improved relationship with employer.

*To the police:* Improved recruitment and retention; more resources; rise in public reassurance and satisfaction, more interaction with community and local businesses.

To apply, visit [www.cambs.police.uk](http://www.cambs.police.uk) and complete our online application form. While you don't need any formal qualifications to become a Special, you do need to be able to communicate clearly and professionally and have basic mathematical skills.

## Pastoral Thoughts

Dear Friends,

March will be a busy month for us. First there is Mother's Day.

Usually we have a gift for all the mothers in the church and a topical message.

After that is Easter, or as some refer to it, Resurrection Sunday. The time in the Christian calendar when we remember specifically the death, burial and resurrection of Jesus Christ. It is a solemn time of reflection as we are reminded that Christ came to pay the

price for our sin and suffered in our place. He was crucified in our place all in accordance with hundreds of years of prophecy that foretold His coming.

He was buried in a borrowed tomb. But unlike any other victim of false accusation and execution he did not stay in the grave. He arose and was independently witnessed for many days afterward by over 500 people until the time of His ascension.

This single event is paramount in the life of the believer for it proves the validity of who Christ was, in truth the Son of God. Not merely a good man or a prophet, but the messiah as was seen in

the miracles and prophecies concerning him. Confirmed audibly and visibly by God the Father speaking from heaven and the Holy Spirit as it alighted on Him like a dove at His baptism.

With the resurrection we are shown the grave is not the end and as we will follow Him in life so we shall also in death to our own resurrection on that last day.

We encourage you all to pop along and find out more from a Biblical perspective of what it really is all about.

In September 2015 the *Independent* ran an article about the lived experiences of three refugees, one of whom was Hassan Ayo a refugee from Syria.

During the journey across northern Syria surviving aircraft strikes and shifting from one refugee camp to another, Hassan and his wife Fatima's 14-year-old daughter Sozdar died of a heart complaint.

The family settled in Britain under the Vulnerable Persons Resettlement Scheme now live in Coventry.

Compassion is at the heart of the Easter message which tells us of a saviour, Jesus Christ who came to heal, restore and set free. Jesus himself became a refugee when Herod attempted to kill him, his family escaped to Egypt.

So many of the refugee stories tell us of journeys from death to life which is the story of the Gospel, Jesus died to and came back to life to usher in God's Kingdom where compassion wins.

If you'd like to explore the Refugee Crisis more, Cambourne Church is hosting a meeting with Heidi Allen MP on the 4th March at 8pm in Cambourne Church.

## CAMBOURNE WI: invitation to all – ladies and gentlemen

The WI was formed 100 years ago, in 1915, to encourage countrywomen to get involved in growing and preserving food to help to increase the supply of food to the war-torn nation, and has remained a women only group.

However, we try to open our doors a couple of times a year and this month we are proud to invite men along to discover more about what we do.

So, if you are interested in tracing lost relatives, come and find out more about how to go about it. (We do have to make a small charge of £4 each.) Our speaker this month is Robert Parker, who will lead us through the process.

The date: Thursday 10th March

The time: 7.30 pm

The place: The Hub.

Put the date in your diary today.

## Cambourne Pre-School's Little Chefs

Cambourne Pre-School finished off the first half of the Spring term by looking at 'Being Healthy'. Children explored what we eat, focusing on 'what we should eat all the time, just sometimes or as a treat' and also on the effects that physical activity has on our body.

There was also a visit from Sara Jackson from the health education team to talk about brushing our teeth and good and bad foods for our teeth as well as community nurse Catherine Price to talk about our body and the effects of exercise. Many thanks to both of them.

An exciting part of this topic was where parents were invited to join children for an afternoon of vegetable soup making. Chopping vegetables and then enjoying the soup the next day, was great fun for everyone.

In March the Pre-school aims to spend a week basing activities around the children's favourite stories to coincide with world book day.

Mothers day will also be explored by looking at different types of families and inviting 'Mums' to come in and join a session for afternoon tea!

Two successful open days have already been held for parents looking for September places for 2,3 and 4 year old children, enabling them to see the Pre-school in session and speak directly with the manager and staff. Two more open day events are planned for Monday 7th March from 1.30-2.30pm and Friday 11th March from 10-11am. For any information please give us a call on 01954 715150 or feel free to email us at [cam.preschool@btinternet.com](mailto:cam.preschool@btinternet.com).

## A journey to the past

This half term at Jeavons Wood, Year 2 have been learning about The Great Fire of London. We had a day of drama activities whereby we pretended we lived on Pudding Lane in 1666. After a normal working day in London, we, as the residents of Pudding Lane, put out our candles and went to bed. Soon after, we heard screams of 'Fire!', luckily we knew what to do and we began to evacuate our houses. In our Science lessons, we looked at the properties of different materials; to test if our houses were flammable we set them alight and created our own miniature version of The Great Fire of London. We watched in awe as the fire started at one end of our makeshift street and quickly spread until all of the houses were ablaze. We had a lot of fun and have learnt about fire safety.

Year Four pupils have started an exciting new topic this Spring term called Tribe. As part of our planning for the new topic we had a special visit from Mrs Frayne who showed us some amazing African jewellery and carvings and told us about life in Africa. We were amazed to hear about the Baobab tree and the story of the River God on the Nyami Nyami stick. As a year group we were able to plan our activities and have started learning about the geography of Kenya, designing some African masks and investigating habitats and food chains in Science.

We are all especially excited about our trip to London to see The Lion King musical soon, and hope to pick up some top tips for our own performance of the Lion King at the end of this term.

## Year 2 at Monkfield Park Primary School

What a busy term at Monkfield Park! Science week has been the highlight this term. During the week we had visitors coming to the school to provide exciting learning experiences for our children. Year 6 learnt about the fascinating area of radiology, and Year 3 learnt about eyes and vision with a visit from an optician. Year 2 had a visit from some rather slimy Giant African Land Snails, and Year 1 were visited by The Dogs Trust and found out about being a responsible pet owner.

Reception had a very exciting visitor this term who taught children about Antarctic exploration. They learnt about the Antarctic and were able to try on clothes and touch equipment that would be used on expeditions. The children then enjoyed a warming cup of hot chocolate whilst listening to a story about the Northern Lights.

This term, Year 2 taught everyone very important messages about the importance of looking after our planet. Their production 'Eddie the Penguin Saves the World' helped give everyone ideas on how they can reduce, reuse and recycle.

Thankfully Eddie did manage to spread the important message and the ice stopped melting up in the North Pole and down in Antarctica. Well done Year 2 for a great performance!

If you are a parent interested in a place for your child and would like to find out more about Monkfield Park Primary School and the exciting learning that goes on every day then Sarah Jarman, the Headteacher, would be delighted to hear from you.

Please contact her via the school office on 01954 273377 or by e-mail: [office@monkfieldpark.cambs.sch.uk](mailto:office@monkfieldpark.cambs.sch.uk).

## Monkfield Park Care & Learning Centre

The children who attended our February half-term holiday club had a great time taking part in a range of activities.

Monday was 'Nifty Footwork Day' where they made salt dough foot plaques and painted pictures by holding the paintbrushes with their feet!

Tuesday was 'Winter Warming Day' which involved making bread and vegetable soup and an I-Spy winter walk. The children set off for the walk with a list of tasks to complete which included bird watching, drawing shadows, looking for animal

tracks and bugs and a competition to see who could find the longest stick. When the children returned they ate the soup and bread they had made earlier in the day.

'Modelling and Sculpting Day' took place on Wednesday where ice, sand and clay were explored.

Thursday was 'Puppet Day' and some amazing shoe box puppet theatres were created along with lollypop stick and sock puppets. We ended the week with 'Pirate and Princess Day' on Friday where hats, tiaras, treasure and jewellery were made and lots of imaginative and role play took place.

Our next holiday club will run from Tuesday 29th March to Friday 8th April where we will be providing another range of fun and exciting activities.

If you would like any further information, please ask at the office, call us on 01954 273301 or email us using [clcoffice@monkfieldpark.cambs.sch.uk](mailto:clcoffice@monkfieldpark.cambs.sch.uk)

## A prickly new pet

Children often find going to school a prickly situation, but for the students of the Sunflower Nursery in Camborne this took on a different meaning when they were introduced to the nursery's new pet – Rufus, an African Pygmy Hedgehog.

The children were delighted to find the new member in their classroom and were given a lesson in how to care for Rufus by Peter Cope from the Cromwell veterinary surgery. The children were fascinated by Peter's knowledge of hedgehogs and gasped when he told them they can travel up to five miles per night. "Having Rufus in the classroom is a great tool for teaching children all manner of subjects and life skills. We can help them understand responsibility, respect for life and it offers them access to nature that they might not be receiving anywhere else," explained Danielle Main from the Sunflower Nursery.

African pygmy hedgehogs can weigh as little as 0.5lb and grow between five and eight inches, similar to a guinea pig – albeit a spiky one! Rufus loves cat food, scrambled eggs and dried mealworms.

During the day he sleeps in his hedgehog sleeping bag and gets his exercise on his treadmill in the evenings.

Here are some interesting facts about African Pygmy Hedgehogs: They are hybrids of the four toed hedgehog and the Algerian hedgehog – it has four toes on its back feet and five on the front. They are the most popular species of domesticated hedgehog in the world and as domesticated pets they can live for as long as 10 years. African pygmy hedgehog has also been known to eat poisonous scorpions without any ill effect to his health.

We hope that our new pet will bring great joy to our children at Sunflower Nursery.

## Arrrggh! The Vine's Ocean Adventures

The Reception children at The Vine have been busy Ocean Adventurers this half term! We started the term exploring what we can find under the sea. In our role play area we went deep sea diving in the submarine amongst the dangling jellyfish, cereal starfish and number squid which we made in class. Violet, the giant purple octopus even came to live on the ceiling of Ruby class. We also held a real squid and a real octopus and were amazed to see the tentacles up close.

To extend our learning we started to read stories about pirates: scary pirates, friendly pirates, girl pirates, even baby pirates.

Then one day a pirate left a treasure map at school! We opened it up and were excited to find that there was treasure hidden right here in the Vine School.

Everyone used the treasure map and followed stick arrows to find the hidden treasure in the pirate ship outdoors.

As a celebration of our learning, we had a dress up Pirate Day. Everyone looked fantastic in costume and some children had even grown beards! We all made up pirate names and sang and danced to pirate songs. Everyone also took part in the Swashbuckle Challenge. Each 'pirate' stepped, jumped and balanced along the assault course then ran

to find the hidden treasure in the school grounds. It was great fun!

In the afternoon, we had a pirate picnic and ate home-made sandwiches together. What an arrrrggghh-mazing day!

### Partnership with Cambridge United FC

Cambourne Eagles are an official Partner Club of Cambridge United FC. This allows the club to benefit from the extensive support that Cambridge United provide such as visits to matches, coach mentoring and training session planning. We would like to thank Cambridge United FC for their continued support.

*MP Heidi Allen, who stopped to show her support for grassroots football and the volunteers who give their time to the club.*

**Academy-** The Eagles Academy offers 'football & fun' for Reception & Yr1 children. Please contact us ([info@cambourneeeaglesfc.co.uk](mailto:info@cambourneeeaglesfc.co.uk)) if you're able to offer help or your child is interesting in joining us.

**U9 Red-** We have had some wild weather, with sideways hail being particularly challenging for the boys to play in! However, the team have valiantly battled through and really supported each other playing brilliantly as a team! We are particularly proud of reaching the quarter final of the

Cambridge League Cup and we look forward to hosting Longstanton in this next round. It's very exciting for the boys and we really hope we can go all the way we are going to give it our best shot as always!"

**U10-** After an injury and illness hit first half of the season the boys have started back really

well, unbeaten in the league and progressing to the Plate Quarter Final.

**U13-** It has been a really encouraging January and February for the U13's. Which has seen many of the things we have worked on in training being implemented during our matches. Well done boys, keep up the good work

## BASKETBALL IN CAMBOURNE

**Juniors**

Basketball sessions are held at Cambourne Village College Sports Hall at 5:30pm every Monday since 22nd of February 2016. Cambourne is a satellite club of Cambridge Cats and hence their coaches are running coaching sessions for 8 to 16 year olds. Boys and girls are welcome to join in at any point in this academic year. All abilities are welcome. The current sessions are run by the experienced Cambridge Cats Coach: Clinton Wedderburn. It costs £5 per session and it is run on a "pay and play" basis. After a few sessions, the players are expected to join Cambridge Cats as a junior member. By joining Cambridge Cats, the junior players will become a member of Basketball England. The plan is to form a team from regular players in Cambourne to play against other similar level teams in the county so watch this space for further news on this front!

**Seniors**

There has been some interest amongst adult players to participate in recreational basketball level games in Cambourne. If you would like to return to Basketball and are keen to play in Cambourne, please contact Navid Ghomi on [navid.ghomi@btinternet.com](mailto:navid.ghomi@btinternet.com) or text to 07449 120976.

## SPORT

## Cambourne Netball Club

Both adult and junior netballers were inspired following a recent trip to the Copper Box Arena in London to watch England v Australia. The standard of netball was amazing, the England team fighting extremely hard against their Australian rivals and the top ranked team in the world. Alas the three-match series ended in defeat for 'The Roses' but all games provided thrilling performances from both teams.

As the Cambourne teams near the end of the winter season, the league positions are looking generally strong. Two for the four teams are top of their respective divisions, with the hope of remaining there and achieving either automatic promotion or a play-off position.

The juniors continue to participate in the Sunday league and the improvement in the teams' abilities and skills is significant. Here the girls not only pose for a team photo but also show off their 'netball nails'!

And finally ... If anyone out there is looking to join Cambourne Netball Club's Premier league team. If you've experience of playing netball at a regional, premiere or division 1 level we'd love to hear from you! Training on a Thursday evening and match play Sunday mornings during the winter league. The Junior Club's Under 16 team are also looking for some more players so, if you love netball and want to join a great bunch of girls on a Thursday between 5.30 and 7 pm training indoors at Cambourne Village College, do get in touch.

For further information on Cambourne Netball Club please email [cambournenetball@googlemail.com](mailto:cambournenetball@googlemail.com).
