

# A dream come true for Rebecca

## An open letter to the people of Cambourne from the Potter family

"Many of you may remember that the September edition of the Cambourne Crier featured our appeal to help raise funds to make adaptations to our home to provide a downstairs bedroom and wet room to enable Rebecca to remain living at home rather than move into a nursing home.

"We are delighted to say that with the incredibly generous help of the residents of Cambourne we reached our target and raised the necessary funds to allow this work to be done in an incredibly short period of time.

"Although the majority of the funding was provided by South Cambridgeshire District Council as a disabled facilities grant, we had to meet a shortfall of almost £18,000. We were incredibly fortunate to be awarded charitable funding of £7,500 with help from Cambs Home Improvement Agency, but the rest of the funding was down to the amazing generosity of the residents of Cambourne.

*Annie and Rebecca Potter in Rebecca's new downstairs bedroom*

"Work started on the 10 October and Rebecca was able to move into the new adaptations on 19 December. Giving her a most fantastic early Christmas present. The works have completely changed Rebecca's life and have made day to day living a lot easier for her. The best thing is that Rebecca's future living

at home with her family has been secured. We really couldn't have done this without the generosity of local people. It really goes to show what a wonderful community Cambourne is and you should all be proud of that!"

*Thank you,  
Rebecca, Mike and Annie Potter*

## Cambourne Parish Plan update

With so many Cambourne residents completing the Cambourne Parish Plan Community-wide Survey back in the summer of 2016, it has taken the steering committee a considerable amount of time to ensure that your comments, suggestions and ideas have been looked at and incorporated into their analysis.

The next step is to present their findings to the Parish Council in February before they are able to share the final report with you all.

"We are nearly there, and it won't be long before the summary document is published at the end of March 2017 and out in the public domain," said Clare Daniels of the Steering Committee.

Printed copies of the summary document will be delivered to each house in Cambourne following its publication.

## LOCAL NEWS

### Delays expected on A428

Work is taking place to improve the street lighting and road markings on the A428, through Eltisley, near Cambourne.

The work is scheduled to take place Monday - Friday, between 8pm and 6am and continue from 30 January until the end of March.

Traffic lights will be in operation and for a period to be confirmed the road will be closed while the studs in the centre of the road are replaced.

When the A428 is closed, drivers will need to take the A1198 from Caxton Gibbet to Godmanchester, then follow the A15 westbound to junction 21 and at Brampton Hut take the A1 Southbound to Wyboston roundabout. Drivers heading eastbound will follow this diversion in reverse. For further details contact the Highways England Customer Contact Centre on 0300 123 5000 or email [info@highwaysengland.co.uk](mailto:info@highwaysengland.co.uk)

### BIN DAYS ARE CHANGING

From Monday 27 February, most households across the district will have a change to the day that their bins are emptied, to the sequence in which their black or blue and green bins are collected, or to the time of their collection.

Every household will receive a leaflet detailing the bin changes and a spring 2017 collection calendar shortly

### CRAFTY LADIES RAISE £900

~~THE CRAFTY OLD LADIES~~ would like to say a HUGE Thank You to everyone who supported us in 2016.

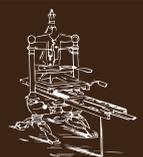

We raised just over £900 for our chosen charities, our best result ever! We couldn't do it without the generous donations given by our members and friends of the group, nor could we raise so much without those of you who come and buy from our stalls at the summer fete, and winter craft fair.

If you are interested in crafts, then you might be interested in joining us one Tuesday afternoon. We meet in the Hub every other Tuesday, from 2.30-4.30pm, and charge just £2 per session, to cover costs. (This includes a drink and a biscuit). Meetings in the near future are on: February 14th, 28th; March 14th, 28th and April 11th, 25th.

## CAMBOURNE PARISH COUNCIL

# West Cambourne development gets go ahead from district council

At a meeting of its planning committee on Wednesday 11 January, the district council approved the application to develop up to 2,350 new homes on land to the West of Cambourne. Details of the scheme going forward can be viewed on the district council's website at <http://www.scambs.gov.uk/content/cambourne>. Please do consider attending your Parish Council meetings to find out more about what is planned.

### Community Governance Review

At the request of the Parish Council, the District Council is undertaking a community governance review of the parish of Cambourne to consider if there should be an increase in the number of Parish Councillors from 13 to 19. The population of Cambourne (currently over 11,000) has grown significantly since the number of Parish Councillor seats was initially set in 2004, and will grow to nearly 20,000 as West Cambourne progresses. The Parish Council already has a busy workload with over 72 (approx.) meetings per year and many time consuming projects underway. The Parish Council undertakes many ever increasing duties including liaising with developers, authorities and over 300 community groups, clubs and societies. The list below shows Parish Councillor seats compared to size of electorate (in brackets, as of September 2016) for parishes in the district with Councillor numbers equal to, or greater, than that of Cambourne:

#### **Cambourne (6,962) 13 seats**

Sawston (5,633) 19 seats

Histon & Impington combined (6,405) 19 seats

Cottenham (4,792) 15 seats

Melbourn (3,719) 15 seats

Girton (3,582) 15 seats

Waterbeach (3,572) 15 seats

Linton (3,545) 15 seats

Great Shelford (3,529) 15 seats

Milton (3,331) 15 seats

Willingham (3,206) 15 seats

Bar Hill (3,204) 13 seats

Fulbourn (3,138) 15 seats

Gamlingay (2,996) 15 seats

Papworth (2,744) 13 seats

An online consultation form will be available from 6 February 2017 at <https://www.scambs.gov.uk/content/community-governance-reviews> and will give you the chance to agree or disagree with the proposal of increasing the Parish Council size in Cambourne, and leave any further comments you may have on this proposal. Paper copies will also be available at South Cambridgeshire District Council Offices and Cambourne Parish Council Office at The Hub in Cambourne.

The community governance review will commence on 6 February 2017 and all responses must be made online or paper copies returned to South Cambridgeshire District Council Offices by 2 April 2017.

### Budget 2017-2018

The Parish Council has to consider the budget for the next financial year and submit it to the District Council at the end of January each year. This is a difficult process as Cambourne continues to grow and the Council always strives to maintain or improve the services it provides to the residents. When considering the budget for 2017 to 2018 the Council considered whether the current Band D point could be maintained. However after reviewing the ongoing costs of maintaining the new and existing services, such as taking over the Blue School, it has decided to increase the Band D point by 1% to £121.95; an increase of £1.20 per year if you live in a band D house. This is the first increase in the precept per household since 2012-2013. Setting the Band D rate at £121.95 will allow the Council will continue to maintain and improve the level of service the Council provides for the Community.

### Calendar of Meetings Feb / March 2017

7 February at 7pm Planning Committee, Council  
21 February at 7pm Planning Committee, Leisure & Amenities

7 March at 7pm Planning Committee, Council  
Residents are welcome to address the meeting before it formally starts on any matter on the agenda. If you have something else you'd like to raise, please contact the Parish Clerk at least 10 days beforehand so the item can be added.

The Parish Office: The Hub, High Street, Cambourne, Cambridge, CB23 6GW.

Open 9am to 5pm Monday to Thursday and 9am to 4pm on Fridays. Tel: 01954 714403.

CHARITY & VOLUNTEERING

Romsey Mill seeks youth development worker

Romsey Mill is a Cambridgeshire charity helping young people facing difficult life circumstances to discover a brighter future.

Romsey Mill's Youth Development Team have been working alongside Cambourne Youth Partnership, delivering local youth groups and activities for children. We also work with local children with autistic spectrum conditions who have remained in mainstream education.

This programme, called Aspire, is for children ranging from 9-19 years old and we are looking for people in and around Cambourne who might be

interested in volunteering on a weekly basis. Please call Ruth Watt on 01223 213162

We also have a job vacancy for a Full Time Youth Development Worker here in Cambourne. Please visit [www.romseymill.org/work-for-us/](http://www.romseymill.org/work-for-us/) for details.

Closing date: 16 February.

On 15 February we are holding a Romsey Mill Quiz night at the Cambridge Guildhall, with live music by Deep Blue. This will be a great way to support Romsey Mill so why not join us for a fun evening? Team size 6-8. Arrive 7.30pm. Tickets £5 from

[www.cambridgelivetickets.co.uk](http://www.cambridgelivetickets.co.uk) or 01223 357851.

VOLUNTEERS NEEDED

Cambridge Re-Use is a well-established charity that helps individuals and families that are struggling financially to buy household goods and furniture at a low cost. We have volunteers in many different roles from receptionists, van crew, van drivers, to PAT testing, carpentry, data entry, marketing, fundraising, social media, research projects and more and we are currently recruiting new volunteers.

We offer lunch and travel expenses, a 25 per cent discount on furniture and lots of tea, coffee and biscuits.

### How to get a good night's sleep

Sleep is not only important for both our sense of emotional wellbeing, concentration and ability to cope, but also for our physical health. Heart disease, diabetes, obesity, infertility and poor immunity may all be at higher risk for those who get too little sleep. The risk of accidents and injuries are also increased.

For those who struggle to sleep, a regular routine may be useful including taking time to wind down. Have a warm (not hot) bath, listen to relaxing music or stories or read before you go to bed.

Bedrooms should be associated with sleep and where there are distractions such as a TV, tablets or phones, the association with sleep is weakened. Having a comfortable bed, keeping the room dark and avoiding nicotine, caffeine or eating too late can all be useful. Although some people use alcohol to help them sleep, this can cause sleep disruptions later in the night so may not be helpful.

Many people find their worries can affect their sleep. Writing a list of tasks for the next day before going to bed can be useful to help order your thoughts. In the night, relaxation techniques, meditation or prayer may help.

If you struggle with sleeping, use the link below for some more ideas including advice on completing a 'sleep diary'. Reference/ further information: [www.nhs.uk](http://www.nhs.uk) (search: 'Sleep')

### Saving lives and improving lives

I recently visited the Blood Donation Centre for my first ever blood donation. It was utterly painless and I even had my choice of biscuits afterwards! Giving blood is easy, very quick and saves lives. If you can donate, please go to [www.blood.co.uk](http://www.blood.co.uk) or call 0300 123 23 23.

I'm also delighted to share the launch of Cambridgeshire County Council's Communities Innovation Fund which gives community groups the opportunity to apply for funding for initiatives which will improve lives. If you know of a scheme that enhances your community, please see: [www.cambscf.org.uk/ccif.html](http://www.cambscf.org.uk/ccif.html) for details of how to apply.

December also saw the publication of the National Schools Funding Formula from the Department of Education. If you want to make your views heard, please do so on:- <https://consult.education.gov.uk/funding-policy-unit/schools-national-funding-formula2/>

Turning to buses and trains, I'm inviting constituents to contact me about any issues they have with existing public transport services. If this affects you please contact my office using the contact details below.

One of the best parts of my job is getting to know you at my surgeries so if you have a concern you think I could help with, or some feedback you'd like to share with me, please get in touch.

WILDLIFE REVIEW

Singing with Nightingales

The nightingale, *Luscinia megarhynchos*, is one of the most treasured of Britain's birds, loved for the rich tone of song and exceptional musicality of its territorial song. Much has now been discovered of the nightingale's

overwintering habits due to a tagging project at the Wildlife Trust's Grafham Water run by the BTO, tracing the birds to Senegal, Sierra Leone and the Gambia. As a way of raising the profile for the decline in the species, while celebrating its beautiful song, folk singer and nature lover Sam Lee is bringing a series of unique evening events to Grafham Water, starting from Easter every weekend through until mid-May. These events will be a celebration of nightingales, their habitat and their melodious song: a series of musicians will commune with the birds deep in the woods after dark. ### Practicing Gratitude

So this is the first 'tool' for a happy life and it features heavily in the bible. Paul wrote to the Ephesian Church saying "I do not cease to give thanks for you." That's pretty impressive gratitude!

So some tips for practicing gratitude: 1234 at 12.34 remember something you are grateful for. At meal times, say grace, go around your table and each say something you are grateful for.

**PEACEHAVEN BAPTIST CHURCH**

**Dear Friends,**

Well January was an interesting month, with many developments around the world and some closer to home. Many promising developments that few expected, but with perseverance and determination we can certainly prosper.

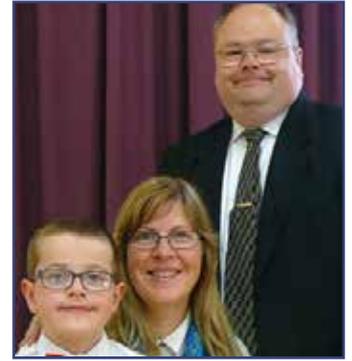

One local thing is that on **19 February** we will not be holding service at the Hub as they will be refinishing the floors. So, instead we will

meet at my house, which works out as we have many birthdays in the church at that time so afterwards maybe some pulled pork and cake. Call for directions.

We are finishing in our study in Judges having just covered Samson. He was strong, but reactionary and too emotional and his moral compass was a little off at times. But, he was brought so low by giving into fleshly desires. We too must consider what we desire and

not allow obsessions to control us, whether they are with other people or self obsessions.

Maintaining balance early will allow any course corrections we make to be small ones. Kind of like driving on ice, a slow thought-out pathway and no sharp or sudden movements and you will be able to get through much better. Now if you are already spinning out of control in life, like on ice, a tip is to stop accelerating and

get some help. If we can be of any help let us know; we all struggle, but it need not be alone. More next month.

## SCHOOLS

### From Rome to Africa with Year 4 at Jeavons Wood

**JEAVONS WOOD:** Before the Christmas break, Year 4 had been discovering what life was like during the Roman Invasion of Britain. They wrote newspaper articles about the battles with Boudicca as well as trying to decipher Roman numerals using the 'Additive' and 'Subtractive' principles. As a topic finale we had a Roman Day, complete with pot making, shield designing, battle schooling and many other fun activities.

Following on from the Christmas break, the children now are learning about the continent of Africa, more specifically Kenya. The kids will be researching and designing their own masks, writing Anansi style stories as well as some non-chronological reports about the wildlife.

The kids will be learning Swahili, courtesy of the jambo song and exploring African percussion instruments.

We are also excited about our trip into London, a morning at the Science Museum will be followed by attending a Matinee showing of the Lion King. We hope to also get lots of tips in both acting and singing as we begin to audition and practise for our own LKS2 production of 'Joseph', which will be performed next half term.

## SCHOOLS

### New topic explorations at Hardwick Primary School

**HARDWICK PRIMARY:** With a new year and a new set of school topics, some children wrote about their new topics, to tell us what they really think!

A Reception child wrote of her topic 'Frozen lands', "We are learning about Antarctica. Did you know that Penguins live in Antarctica, but Polar Bears don't live in Antarctica. Did you also know that Penguins lay eggs?".

In Year 1 and 2 the topic is 'Pirates!' When asked about what they are

learning about in the topic, one child replied, "In English we are learning about instructions, and we are writing how to make Pirate cookies. In science we are trying to find out about materials to see which would be good for a Pirate to use for their clothing, it needs to be waterproof!".

In Year 3 and 4 the topic is 'Magic'. This has really caught the imagination of the children; one child wrote "We are practising magic tricks. We are

practising so much and we're building up to do a mysterious magic show to show our parents. In English we are writing about 'My Magic Box', a poem by Kit Wright. I love this poem! I would rate it five stars because it has a cowboy riding a broomstick and a witch riding a white horse. It includes abstract nouns and impossible things like surfing in the great wild Atlantic. We are now writing our own poems based on this."

### Vine school twins toilets around the world

**THE VINE SCHOOL** Harvest Festival focus this year was to support the Toilet Twinning Organisation and provide clean water and proper toilets to those people around the world who live in poverty. We found out that 2.4bn people don't have somewhere safe, clean and hygienic to go to the loo.

We wanted help those in desperate poverty to have access to a proper toilet and clean water. We learnt that Toilet Twinning is a simple way to solve a serious problem and save lives. For just £60, we twinned our loos with toilets halfway around the world, in countries of our choosing. For £240, we twinned with school toilet blocks.

Each of our twinned toilets has become the proud owner of a certificate, complete with a photo and

GPS coordinates so we can look up our twin on Google Maps. Toilet Twinning funds the work of international relief and development agency Tearfund.

The donations will be used to provide clean water, basic sanitation, and hygiene education. This vital combination works together to prevent the spread of disease. Together the donations from the Link Church, our families, the Vine Bake Sale and money from the refreshments sold at the Family Learning Workshop have raised enough money to buy 15 toilets in ten different countries. We plan to hold further events during this academic year and hope to be able to twin all of our 33 toilets. Thank you to all pupils and their families for your generosity!

### CAMBOURNE PRE-SCHOOL WELCOMES NEW FAMILIES

**CAMBOURNE PRE-SCHOOL** has reopened its doors following the Christmas break and would like to welcome the new families who have started with us. We would like to thank Workflow group, Malcolm's estate agents, Sharman Quinney, Dion Gallichan Photography, Taylor Made Home Creations and Charlotte's Ice Cream, for their generous donations for

our Christmas raffle; your support is greatly appreciated.

The Pre-school is currently full but we will be able to offer places for the new school year in September, for anyone interested in these places we will be holding open days on the following dates: Thursday 9th February 1.30-2.30pm and Friday 10th February 10-11 am. Two more will happen on Monday

13th March 1.30-2.30pm and Friday 17th March 10-11 am. These will be for 2,3 and 4 year old places including funded 2's. Please call or email us on the details below to book a place.

If you are a business who would be able to support the Pre-school or donate a prize in advance for our summer fete please contact us on [cam.preschool@btinternet.com](mailto:cam.preschool@btinternet.com)

# From Polar exploration to the Great Fire

**MONKFIELD PARK PRIMARY:** This half term, Reception's learning focus has been 'The Arctic and Antarctic'. To kick start their topic, the children were lucky to have a visit from an explorer/scientist from The British Antarctic Survey. The children were amazed to see how much equipment is needed to be an explorer and got to try some of them out. The children were full of questions and eager to find out information about the ice cold destination.

Year 2 have participated in a terrific Great Fire of London day where History off the Page came to visit. They made bread, candles, medicine and perfume. The children learnt lots of interesting facts about the Great Fire, including the secret diary writer, Samuel Pepys.

Year 1 have been focusing on healthy eating and tasting various foods. Year 3 are learning about hot climates and life in a desert. Year 4 have begun their swimming lessons and are trying hard to gain their certificates. Year 5 are focusing on financial capability and will soon be able to handle real money on a trip to Morrisons. Year 6 are looking forward to using ICT to make films and then sending their entries onto the Film Festival.

After a busy day of learning, the children get the opportunity to take part in many clubs at the school. They can choose from Code Club, Stitch and Sew, Drama, Football, Boxercise, Dance, Gymnastics and even Yoga.

## Exiles kick off 2017 top of the league

**CAMBOURNE EXILES RUGBY:** The Exiles have started the new year with a bang, having seen out 2016 with a fantastic Christmas bash at the sports and social club. A special thank you goes to Andy Soer and Joanna Wallis for putting together such a fantastic evening, and a thank you to all the ladies for letting us boys play games on Saturday afternoons.

Most recently, the Exiles travelled to West Norfolk to play a very strong team of 'fen-men'. Despite Cambourne having only 14 men, they dominated the game right up to the end of the half. The second half saw the younger legs, and the 10 odd

subs, tell on the score line which ended up very close. Cambourne came out on top with a final score of 32-25, putting them 3 points clear on top of the league with a game in hand. James Totten came off the pitch as the Man Of The Match.

The team certainly feels the difference this year since Mickey Wolfe has taken up the position of coach. All of the players have come on leaps and bounds thanks to his guidance.

If you would like to join us we train every Thursday to the left of the new all-weather pitch at 7pm. All abilities of players are most welcome.

## GREAT YEAR FOR CAMBOURNE TKD

**CAMBOURNE TAE KWON DO** had by far its best year at the regional, national and international competitions in 2016, bringing home a flurry of medals and trophies of all colours. The camaraderie and support shown by our students has been exemplary as has their sportsmanship, win or lose.

We have also been working hard on our techniques in readiness for our gradings throughout the year. Many people were successful this year in achieving their first white belts and 2nd degree black belts.

If you are struggling with your New Year resolutions and you or your children are seriously thinking about

getting fit, toning up, building self-confidence, learning self-defence, having fun or doing all of these then come and try in Tae Kwon Do. We have beginner classes for adults and children on Tuesday evenings at the Vine School and/or Saturday mornings at the Sports Centre. The first month's training is free so please contact Stephen on [stephenlacey73@gmail.com](mailto:stephenlacey73@gmail.com) or 07905 744777 or visit our Cambourne TKD Facebook page.

It's not all about martial arts. December saw many of us descend on Cambridge for our Christmas meal and bowling extravaganza. A great evening was enjoyed by all!

## NEW BASKETBALL SESSIONS AN 'INSTANT SUCCESS'

**CAMBOURNE RAPTORS:** The new year has seen a high level of attendance, proving that basketball is a popular sport in and around Cambourne.

Our new 'Warm Up, Skills and Drills' sessions early on Monday evenings have been an instant success, providing time to practice for beginners as well as a warm up for more experienced players. These sessions are aimed at building skill levels, understanding the rules of the game and helping everyone avoid simple injuries.

In addition, the club is now making preparations to field a team in next year's local league. Players interested will be invited to commit to the squad over the next few weeks allowing us to begin dedicated training sessions. If you have a desire to try out, please get in touch. We will also be looking for people to support the club in other ways, such as scoring.

We host two open sessions on Monday and Thursdays to allow players of all abilities to turn up and play. There is a 30 minute 'Warm Up' on Mondays from 8pm before the main game. Players of all levels are welcome at any session.

Monday 'Warm Up' 8-8.30pm - £2 members, £3 non-members  
Monday 'Game' 8.30-9.30pm - £4 members, £5 non-members  
Thursday 'Open play' 8.30-9.30pm - £4 members, £5 non-members  
Visit [www.cambournebasketball.org](http://www.cambournebasketball.org) or [www.facebook.com/groups/cambournebasketball](https://www.facebook.com/groups/cambournebasketball)

### Junior Basketball

Training sessions for juniors are held at the Cambourne Village College every Monday and run by the experienced Cambridge Cats Coach, Clinton Wedderburn. The 9 to 12 year olds start at 6pm with the 13 to 16 year olds playing from 7-8pm. All abilities are welcome. Visit [www.cambridgecats.co.uk](http://www.cambridgecats.co.uk)

**SPORT**

**Tennis Club seeks Sport England funding for taster sessions**

**CAMBOURNE TENNIS CLUB:** 2016 was a super year for Cambourne Tennis: we have more players playing than ever before, the Juniors are doing great, Ladies 1 went unbeaten all year in the league, Men's 1 lost twice all year and won the Gray's Cup, and we have extra courts.

On 6th November we opened our three new courts obtained with funding from Sport England, Cambs LTA and the Parish Council. The weather was not as we'd hoped, but we still got a decent turn out for the special guests invited by our coaching company OverAndIn; Marcus Willis (famous for playing Federer at Wimbledon 2016) and David Rice (a former professional turned coach). David and Marcus did a great job on the courts, playing in the rain and staying on to hit with juniors.

If you want to become part of your local tennis club, and help us grow in 2017, or just to find more information, then please contact [nigel.hillyard@btinternet.com](mailto:nigel.hillyard@btinternet.com) or look online <https://clubspark.lta.org.uk/CambourneLTC/Membership/Join>

We are applying to Sport England for funding to offer free taster session for adults and children followed by highly subsidised Coaching and Cardio Tennis courses in summer

*Safa and Connor, posing with Marcus Willis and David Rice*

2017. We will only get the grant if we have committed numbers. If successful, we will initially offer free taster sessions for absolute beginners, improvers, older adults and we will also be running Cardio Tennis sessions and sessions for ladies only. We are very keen to recruit new female tennis players in Cambourne.

**CAMBOURNE NETBALL TEAMS TOP THEIR DIVISIONS**

**CAMBOURNE NETBALL CLUB:** As we begin 2017, Cambourne Netball Club enters the second half of the Winter League. Some very strong team performances see two of the four Cambourne adult teams at the top of their respective divisions. In addition to the local league, Cambourne also participate in the Katy Coulson Cup where a mix of all players compete against other local clubs.

The Adult and Under 11's Junior Club are both full with a waiting list. Junior netball teams include Under 12s, Under 14s and Under 16s - training takes place on a Thursday evening at Cambourne Village College indoors (U12s and U14s) and at the MUGA (U16s).

At the AGM in January, the Club recognised the contributions of all its volunteers. Catherine Blee continues in the position of Chairperson and her level of commitment and time spent ensuring the smooth running of Cambourne Netball Club was acknowledged and very much appreciated.

Some things to look forward to this year include netball tours in Spain and Condover Hall, as well as watching England play at the Copperbox Arena in London.

For further information on Cambourne Netball Club please email [cambournenetball@googlemail.com](mailto:cambournenetball@googlemail.com)

## CAMBOURNE FC TEAMS CLIMB UP THE TABLES

**CAMBOURNE FC:** Despite the cold snap, our brave footballers carry on! Our ever popular Soccer School (every Saturday 9am, for 4 to 6 year olds, 3G pitch) has regularly seen between 20 and 40 boys every Saturday.

We have lots of coaches which guarantees a good coach-to-child ratio for your child's development. Please do come and join us for lots of fun.

Our boys football teams continue to impress. Our U12s keep getting better, having climbed to second in the table. Our U13s Spartans team are still unbeaten and top of the table. Girls football is developing well. The U12s Red team (Years 6 & 7) are third in the table and the U12s Black team (in their first season) are getting better each week. The U14s (Years 8 & 9) made it 4 wins in a row with an 8-2 win last week.

Our Girls Football Academy (for 4 - 6 year-olds) is getting good numbers (Sat 9am - 10am, 3G pitch) but we still want more girls involved in the Academy, as well as in the 7 - 10 year-old age group (with Alex Minei). We are also proud to announce that we are starting a Women's Team that will start

**Cambourne FC's Under 13's Team (top) and Under 7's Whites Team (right)**

training in February. If you fancy a kick about, all ages and skill levels are welcome. For information, email Chris at [cambournefc@gmail.com](mailto:cambournefc@gmail.com)

## Eagles' U12s run out with Cambridge United FC

**CAMBOURNE EAGLES FC:** Our Academy intake currently covers Reception and Year 1 children and we train on Wednesday nights between 18:00-19:00 at Cambourne VC.

Please get in touch if you have a Reception or Year 1 child who wants to learn to play football in a supportive and encouraging environment.

U7 - A number of our 2016 Academy players, decked out in their new strip, recently played their first U7 League game and had a fantastic morning! All the boys are eagerly looking forward to the next fixture and the boys who have not quite turned 6 (old enough to play in the League) cannot wait to join the team.

U10 Red - A great positive start to the New Year in a new League. We have welcomed some new players to training who are fitting in well. We have also added a very professional pre-match Strategy Board for the players to

visualise their positions in the game. U12 - An excellent start to 2017 with our team beating Soham United 4-3 with some great football from all the boys. One goal from Casper and a Hat trick from Connor earning him Man-of-the-Match. Cambourne Eagles under 12's ran out proudly onto the Abbey stadium pitch to assist Cambridge United FC after being given the privileged duty of ball boys for the day. Well done boys! You did a grand job in a match which the U's

scored some great goals and won 2-1 against Crewe.

U14 - We have picked up where they left off before Christmas. Two good away wins including a clean sheet leave us second in the league at the halfway point. The boys are continuing to work hard in training and it shows in both their team and individual performances. Keep working hard boys.

## Stuart aims to raise £2,000 for World Cancer Research

Cambourne-based runner Stuart Matthews is aiming to raise £2,000 for World Cancer Research Fund UK by running the Cambridge Half Marathon on 5 March, the Cambourne 10K on 10 April and the London Marathon on 23 April.

“My mum was diagnosed with terminal cancer last year and is bravely battling this terrible disease,” said Stuart.

“World Cancer Research Fund UK carries out research into how to prevent cancer, and I really want to do everything I can to raise as much money for this worthy cause.

## Meet the Neighbours Boxing Day walk: Bringing the community together

The sun shone bright as Cambourne's Neighbours gathered on Boxing Day morning, armed with hats, scarves, walking sticks, dogs, buggies, and Wildlife Trust maps. Several families had only recently moved in: it was a pleasure to be able to welcome them to Cambourne, showing off our local environment and getting to know each other better.

We visited Monkfield Wood, Lake Sirius, and Whomping Willow Lake before seeking out the Newt Pond.

Disheartened by the amount of litter at the pond, on our return we contacted the Wildlife Trust BCN and offered to help litter pick. They were grateful for our offer, but want to use their specialist team for that particular area. However, if any Neighbours want to litter pick elsewhere, they'd love to support us. *Perhaps our next Meet the Neighbours project?*

From there, we climbed Crow Hill (well done buggy-pushers!), stopping to take in the panorama. The children ran down the hill towards Lake Ewart, before we used Oaks Wood to complete the circuit. Before heading home we played with ideas for future events... litter picks, treasure hunts, more cake? *Meet the Neighbours are local residents organising events for local residents in association with local organisations including The Deckchair Listening Project, Cambourne Parish Council, Cambourne Crier, Cambourne Church, Taylor Wimpey, The Link, and the Wildlife Trust. If you want to meet more neighbours this year, find us on Facebook, share your ideas, and help make them happen!*
