The Cambourne Parish Plan Summary Report has been written on behalf of the community by a Steering Committee of local residents. It is a document that is owned by the residents of Cambourne and the Parish Council is accountable for delivering the adopted actions. The progress of these will be updated on the Parish Council website for everyone to see.

The report also includes 'Considerations for the Community' suggesting actions by the residents of Cambourne. If you are interested in developing any of the community ideas detailed within the document - you can! ## Rhythm of Life concert raises £1,800 for Arts and Minds

At their annual charity concert in March at Bar Hill Church, the Rhythm of Life Singers raised £1,800 for "Arts and Minds", a mental health charity based in Cambridgeshire that provides a choir, visual arts workshops, pottery and creative writing programmes to support people with mental health problems in the local area.

The charity works to increase awareness about the positive role that the arts play within mental health care provision. They have long-running programmes for adults which have

helped countless people in the Cambridgeshire area, as well as a new programme in schools for young people between the ages of 10-14.

The Rhythm of Life Singers is a Cambourne-based ladies choir that formed eight years ago. They enjoy singing musicals, classical, folk and pop from the 1930's through to the present day. For the last five years, they have given annual charity concerts in the lovely acoustics of Bar Hill Church, raising money for various local and national causes.

## More than 500 people take part in family fun day

Cambourne Crescent's Family Fun Day at the Cambourne Village College (CVC) was a great day for the whole community of all ages.

Over 500 people from Cambourne and the surrounding villages flocked to the CVC during the afternoon, appreciating a variety of world artefacts and cultural art and displays in a spacious and peaceful environment. All sold out was a mouth watering variety of food items spanning from Casablanca to Chennai.

With almost 30 varied stall holders, on display were middle eastern rugs, lamps and traditional seating, organic makeup and creams, samosas, onion bhajis, coconut curries, plantain, freshly baked

pizza, traditional English ice cream, shawerma, biriyani, Kashmiri tea and lots of Eastern jewellery and clothing including Kurtas and sarees.

The two amazing henna artists had a very busy day drawing amazing designs as did the fabulous face painter and live entertainer.

Many parents of children still at primary school also attended which made the event extra special.

With nearly £3,500 in sales, a percentage will be donated towards local and international charitable causes.

A special thank you must go to the College including the school administrator and caretaker, as well as all the stall holders and families who attended.

A special mention also to the volunteers who helped set up and spring clean the hall at the end.

## COMMUNITY

# Have you spotted any flycatchers?

Last year many Cambridgeshire community and parish newsletters, magazines and websites helped with a county-wide survey of Spotted Flycatchers. These are attractive little migrant birds which are summer visitors to village

gardens and churchyards. Although they breed with us, they spend ten months of the year travelling between here and their wintering grounds in Southern Africa. This is an increasingly dangerous journey and they are in deep decline. Widespread losses amounted to a 50% decline during 1995-2010, continuing a 90% decline since 1970.

Only some fifty pairs remain breeding in Cambridgeshire, so it's now quite a rare bird, but most rural villages still have a pair or two. The Cambridgeshire Bird Club is again running a survey this year to find and monitor nesting pairs, and it's almost certain that there will be additional pairs in our villages of which we are not aware.

Do you have flycatchers in your garden? Please let the Bird Club know. Email [spofl@cambridgebirdclub.org.uk](mailto:spofl@cambridgebirdclub.org.uk) with any information you have, including records of single birds anytime between now and September. See also <http://www.cambridgebirdclub.org.uk/spofl2017.html> for details of the project and how to send in your records.

### THE CREATORS OF A CLASSICAL SONG CYCLE

are asking for suggestions of who they should base their final song on. Composer Jenni Pinnock and writer Graham Palmer have already written songs about a local shopkeeper, a prisoner-of-war and a dog-walker for the Arts Council funded project.

Palmer said, "The idea is to tell the stories of unheard of or forgotten local people. Ordinary people who often

go unnoticed. Someone who made a difference to your life."

The public can make a suggestion via an online form at [cracked-voices.co.uk/your-voice](http://cracked-voices.co.uk/your-voice)

Suggestions should be submitted before 30 June 2017. Anyone submitted must have been born or lived in North Hertfordshire, South Cambridgeshire or East Bedfordshire and passed away at least five years ago.

### Mental Health Awareness (Part 2.)

Following on from last month's article on Mental Health Awareness Week, here are some further tips for improving everyone's mental health:

6. *Ask for help.* Anyone can get tired or overwhelmed. Don't be afraid to ask for help. It may be from family or friends or support organisations like weight loss groups or Alcoholics Anonymous, who can help you make changes to your life.
7. *Take a break.* Even a few minutes can be beneficial. Taking a walk or listening to your favourite music can be enough to de-stress you. So give yourself time to rest.
8. *Sleep.* Sleep is also really important for good mental health, so try to get a good night's sleep each night.
9. *Do something you're good at.* Taking time to do something you enjoy and concentrating your mind on a hobby helps reduce stress and can boost your self-esteem.
10. *Accept who you are.* Thankfully we are all different and our uniqueness is one of the things that makes us so special. It's much healthier to accept that you're unique, than to wish you were more like someone else. So focus on what you do well.
11. *Care for others.* Positive relationships are good for us and caring for others can be an important part of that. Caring for pets can help our mood too.

### Hay fever seasons

There is a lot you can do to minimise the impact of hay fever and we have ten top tips for you:

1. Put Vaseline around your nostrils to help trap pollen and reduce your symptoms. Steroid nasal sprays can help too.
2. Reduce itchy eyes, by wearing glasses to act as a barrier and reduce the pollen getting to your eyes. Sodium cromoglycate eye drops available over the counter can help too.
3. If you have multiple symptoms, oral anti-histamines taken daily, regardless of the weather can be very helpful.
4. Washing your hair before bedtime or wearing a hat when outside helps reduce the pollen in your hair.
5. Put clothes worn during the day into the laundry basket and don't sit on the bed in clothes you have been wearing outside as the pollen can be transferred to your bed.
6. Close your windows early evening when the air is cooling and the pollen is falling back to earth.
7. Consider an air purifier which can be used anywhere in the house.
8. Keep your car windows closed in the evening and in areas with high air pollution.
9. Some plants release more pollen than others so think about this when choosing plants for your home.
10. If you have a special day coming up, make sure any antihistamines you take are the type less likely to make you drowsy.

### Cubs get a pizza the action at Monkfield Arms

The Monkfield Arms invited 1st Cambourne Cubs to come along and make pizzas on Thursday 27 April. Firstly, they were given their lump of dough to knead and stretch into whatever shape took their fancy. Some of the Cubs were most inventive with their designs! They then spread on some tomato sauce followed by lots of grated cheese.

There was then a range of toppings to choose from before the pizzas were swiftly put in the pizza oven, taking just a few minutes to cook. The Cubs were delighted with their results and quickly wolfed them down!

1st Cambourne Cubs would like to thank everyone at The Monkfield Arms for making the evening such a success. *Would you like to be part of an active Cub pack? ### Looking after body and soul

This year I received a book as a Christmas gift from a friend which addressed topics around caring for ourselves and strategies for this. The gift was a friendly hint that I needed to find a way to take care of my body and soul amidst the pressures and demands of modern life.

A few weeks ago, I took a retreat which explored mindfulness which at its core is all about living mindfully, without judgement in the present moment. Mindfulness has become a hugely popular and effective tool for looking after mental and emotional well-being and has been proven to significantly reduce depression and anxiety. If you'd like to explore mindfulness more, I commend the book 'Mindfulness: Finding Peace in a Frantic World' by Mark Williams and Danny Penman to you as an accessible and practical manual.

There is much mindfulness in the bible too, consider passages of scripture like Ecclesiastes 3 which talks about there being a "time for everything".

On the care of the body front, as a complete non-exerciser, I can't comment much with any integrity on caring for your body so check out this link from NHS Choices <http://www.nhs.uk/Livewell/fitness/Pages/whybeactive.aspx>. On a serious note though, for Christians the bible describes the body as a "temple of the Holy Spirit" (1 Cor 6:19) and so I may need to dust off the running shoes soon!

## PEACEHAVEN BAPTIST CHURCH

### Dear Friends,

June is here, with warmth and sun and, oh wait, this is England so no promises about the weather.

This month we have Father's Day. Last year went well and the men of the church each got a ratchet strap as the theme was holding on to that which we have wrought. I do not have this year's theme yet.

Fatherhood is a great thing and the impact a good father can have in the life of a child

should not be underestimated. Often when I counsel with people it is obvious to me when a person had no or little good interaction with a father, and likewise with a mother. Both are important and if possible both need to be committed in the upbringing of the child.

Now, I understand this is not always possible. Although even if one parent is no longer in the picture, it is still possible to have a person fill some of the role of

the missing parent. Perhaps a grandfather or grandmother or uncle or aunt. When the family breaks down then society breaks down.

Thankfully, we have a Lord who is Father to the fatherless. Psalm 68:5 A father of the fatherless, and a judge of the widows, is God in his holy habitation.

As a father and pastor I must strive to teach my son and the men of the church how to be good fathers. Yes some of the things may be old fashioned,

like honour integrity and righteousness. But of such is our greatest example, our heavenly Father.

## SCHOOLS

### Year 5 Art inspired by Henri Rousseau

**THE VINE:** This term, Year 5 has had great fun exploring their creativity and cultivating an interest for detailed painting and sketching from life. In the style of the French painter Henri Rousseau, the children have practised techniques in producing painted artwork of leaves. They have benefited from the lush and vibrant flora of the school grounds and collected leaves of various shapes and sizes, painted a flat base colour and mixed colours as accurately as possible to produce beautiful, varying hues, tones and shades of green to give shadow and form.

## EXCITING PLANS FOR THE SUMMER TERM

**Cambourne Pre-school** have lots of exciting events and activities planned for the last half term of the year before they will have to say a fond farewell to their school leavers.

These will begin with a visit from Monarch farm on Thursday 20th May; the farm will bring animals such as goats and ponies out to the setting, enabling children to be hands-on with them, as well as a milking station and sensory boxes to provide an educational experience. Staff will link the learning to farm-based activities throughout the week.

This will be followed by a chance for families from the Pre-school to be able to come together on the 30th June for a 'big toddle' around the cricket field; this is always a memorable event in the Pre-

schools year with lots of smiles and a chance to raise money for Barnados.

The 14th of July will see the Pre-school holding its annual summer fete; this year promises to be the biggest and best yet with a bouncy castle, a fun bus, refreshments and a return visit from Monarch farm!

There are still spaces for stalls available and contributions to the raffle would be much appreciated, with all funds raised going directly to benefit the children who attend the Pre-school; please contact the Pre-school directly for information.

## Exploring invertebrates at Jeavons Wood

**JEAVONS WOOD:** The Bumblebees and Dragonflies have been so busy at Jeavons Wood.

This half term we have been finding out about mini-beasts, or invertebrates as we now all call them. We were visited by the ZooLab who brought with them lots of invertebrates for us to look at and handle. We all

held a giant centipede and looked closely at a tarantula.

Next half term we are going to be looking at slightly bigger animals as our new topic is 'Wild Things'. We will be finding out all about wild animals and visiting Woburn Safari Park to kick-start our last half term before we move on to Year One.

## Year 10s complete Edinburgh Award expeditions

**CAMBOURNE VILLAGE COLLEGE:** A sense of excitement pervades the College as the opening of our new extension, and the arrival of our 'final' cohort of Year 7 pupils. The building project is still on schedule, with the new music block opening this month and the last part of the programme running through to September.

We're delighted that with the support of the Parish, District and County Councils, it's been possible to build a Performance Hall within the new development. This new space will be for shared use with the community,

although the College has no means to pay for these at present: we'll be launching our fund-raising campaign shortly.

The expansion means that we have some pupil vacancies in Years 7 – 10 for the coming year: please contact the Admissions team at the College for information. Year 10 pupils recently completed their first set of Duke of Edinburgh Award expeditions in the Cotswolds, and we've appointed our first prefect team to lead the College; we're looking forward to their leadership of the pupil body throughout the coming year.

## SCHOOLS

# YEAR 5 PRODUCTION OF ALADDIN TROUBLE

**MONKFIELD PRIMARY:** The start of term was greeted with the Year 5 putting on a production of Aladdin Trouble, for their fellow pupils and parents.

Through many trials and tribulations; Aladdin meets a princess, is promised riches but has his hopes dashed by the evil Abanazar and overcomes this villainous leech with the help of his mother, Widow Twankey.

The ensemble cast lifted the roof with their incredible vocal talent and even brought a tear to the eye with a beautiful choral rendition of the classic Wedding Procession. Every child has their time to shine and they all did their teachers, families and each other proud.

Elsewhere at Monkfield: the Year 6's remained remarkably calm and mature

in their approach to the SATs tests, taken by 10 and 11 year olds around the country last week.

Year 2 – whilst studying Life Cycles in Science – have been hard at work helping to raise 10 small chicks, which hatched in the second week of the term. What a caring bunch they are.

### Call for co-opted Governors

Monkfield Park governors come from a range of different backgrounds and have a variety of skills and experience but we all share a common interest in the best possible education for the children at the school. Governors are responsible for helping the school's strategic direction, agreeing targets for improvement, and monitoring progress. The role offers a chance to develop your personal skills, access to a programme of free training in education and governance and a sense of achievement in helping children.

For more information about becoming a co-opted governor at Monkfield Park Primary School please contact the headteacher Mrs Jarman on 01954 273377 or [office@monkfieldpark.cambs.sch.uk](mailto:office@monkfieldpark.cambs.sch.uk)

# Mojo Mind

Mindfulness training will help you to rid yourself of the baggage from your past and your worries about the future to enable you to live a happier, healthier stress-free life. Its not about relaxation or positive thinking, although these are often the results. It's about noticing the 'good stuff' and enjoying it; noticing the 'bad stuff' and addressing it and not having to define every moment as good or bad - 'it is what it is'.....

RIGHT HERE RIGHT NOW!

- Courses in Bourn & Highfields Caldecote
- Introduction to Mindfulness – 2-hour session
- 8-week mindfulness based stress reduction course
- 1 to 1 training

## SPORT

## Cambourne FC enjoys fantastic season

**CAMBOURNE FC:** In Boys football, our 7 Mini Soccer teams had an excellent 2016/17. Our U12s finished second in their League, whilst our U13s Spartans team won their League, and were runners up in the Cup Final.

Our new team of U8s is looking for more players, as are our U10s team.

In Girls football, the U12s Red team finished third in their first season, and won the Isleham tournament. The U14s ended their season unbeaten in 10 games out of 11.

The FA Wildcats Girls' Football Club for girls aged 5–11 years old began on 15 April and will continue to take place every Saturday morning between 9–10am on the 3G pitch. Our very popular Soccer School (every Saturday 9am, for 4–6 year olds, 3G pitch) welcomes lots of children every week. Our many coaches guarantee a good coach-to-child ratio. Our new Women's Team trains on Monday evenings and our Men's Team trains on Wednesday evenings. If you'd like to join in, all ages and skill levels are welcome. ## Eagles finish season on a high

**CAMBOURNE FC EAGLES:** The Academy Reception age boys competed in the Norwich City U6 tournament at Cottenham; their second tournament of the season. They did fantastically well and were delighted to get their medals.

**U8 Reds** are looking forward to their upcoming tournaments, especially as they won three and drew one of their four games at the recent CUFC tournament. Roll on 7-a-side!

**U11's** have had a fantastic season - being promoted from the B league to the A league at Christmas and playing some wonderful football in the A league. The boys have been a credit to themselves as they have all worked hard to improve their individual game.

**U12's** team has made great strides this season and finished a highly commendable 4th place in the league. The players have shown great spirit and effort over the season and have all really improved individually and together as a team.

## Cambourne Exiles reflect on a winning season

**CAMBOURNE RUGBY:** The Exiles wound up their season by playing a traditional Old vs. New Players game. Players from previous seasons far and wide came home to Cambourne to take on current players in a fun and friendly game of rugby. A big thank you to all the old players for making their once a year come back for what was a fantastic afternoon of rugby.

After a few social drinks, it was time to attend the Cambourne Exiles end-of-season dinner and dance to reflect on the past season. Players, wives and girlfriends all sat down to a three course dinner followed by awards and 'thank you' gifts. The coveted Wallis Cup for Most Tries in the season went to Harry Mills with an impressive 11 Tries. Maybe next year Harry can push for the Club record of 19 tries set by Chris Wallis. Special thank you presents went to Clare Luff, Brenda Robinson, Jo Wallis, Thia Charles and Claire Daniels for cooking food and providing a fantastic service behind the bar throughout the season.

If you would like to join, we train to the left of the all-weather pitch every Thursday night at 6:45pm. All abilities or experience are very welcome. During the off season we play touch rugby, so come along and have fun, keep fit and make some new friends. [CambourneExiles.com](http://CambourneExiles.com)

## Cricket club edged out of Village Cup

**CAMBOURNE CRICKET CLUB:** On Sunday 14 May, Cambourne hosted Foxton in the second round of the National Village Cup competition. This was a chance for Cambourne to show our mettle against a side from three divisions higher up the local leagues, and previous finalists in the cup. Cambourne bowled first and didn't disappoint. Tight

bowling and lightning fielding kept Foxton's batsmen on a tight rein and the visitors finished with a total of 207 runs. Pace and consistency from Foxton's bowlers, made it difficult for our batsmen to score but the innings was rescued by two solid partnerships – Paul Darrington and Nathan Thompson supporting Liam Healy – meaning we finished with a respectable 142. ## Mick Weldon seeks support in cancer battle

On Boxing Day 2015, Cambourne resident Mick Weldon, 38, was told that he had a rare form of stomach cancer.

In May 2016, it was found that the tumour had spread to his abdomen, liver and surrounding organs and was deemed incurable.

Since then, all available conventional treatments seemed to have been exhausted, with nothing holding this aggressive cancer at bay.

However, it has recently been determined that there is a possibility that a course of treatment, currently only licenced for treating lung cancer, could have a life-changing outcome for Mick - but he needs to raise around £20,000 for the drugs and surgery as it is not currently available on the NHS. Mick would be the first patient treated in this way, and could pave the way for other people suffering from similar conditions.

"No one prepares for their own death, no wife wants to stand by and watch her

*Mick Weldon hopes to raise funds not just for himself but to pave the way for others*

husband slowly degrade, and I can't even begin to imagine how hard it must be for two beautiful young ladies to watch their father slowly slip away," said Mick.

"It is with a heavy heart that I humbly ask if you can help in any way you think. This is a unique position we find ourselves in, where your donations will not only help myself, but have the potential to be life changing for many more people than I. All of a sudden, this is bigger than me and could really benefit other sufferers in the long run.

"If we hit the target and find funds left over then these will be channelled into ensuring others have access to the information you guys have helped me find," Mick added.

"My gratitude is extended to each and every person who has taken the time to read this and I hope just doing so prompts you to spend more time with the people you hold dear in this life, because it is but a fleeting moment."
