Plans unveiled for new Soul building

■ The new Cambourne Soul building will offer greatly enhanced facilities for young people and has been designed by DT Architects

CAMBOURNE PARISH COUNCIL has received Planning Consent for the new Cambourne Soul Youth Building.

There are no immediate plans to start work however as the bulk of the funding - £500,000 - is coming from the s106 for West Cambourne (contributions to local infrastructure and facilities made by the

developers) but this is not due until 2-3 years into the build out of West Cambourne. The Parish Council is exploring how it can be brought forward.

Parish Clerk, John Vickery, told *Cambourne Crier*: "The Cambourne Youth Partnership trustees and Parish Council have been working with users and

stakeholders to provide a permanent building for some time. The current accommodation limits the opportunities that can be given to young people."

The new building will feature a large hall, social spaces, music/recording studio, kitchen, storage, quiet rooms, meeting space and office space.

Plans to leave A428 at Girton single carriageway branded 'idiocy' by councillor

DISTRICT COUNCILLOR Ruth Betson has told *Cambourne Crier* she is shocked that the Highways England (HE) A14 project team intend on keeping the A428 as single lane at the Girton interchange permanently.

Initially reduced from two lanes to one to allow for working space during the construction of the new bridge over the A428 at the junction with the A14, HE now say traffic modelling shows the capacity of the A428 can be met by a single carriageway.

"Obviously this is ridiculous," said Ruth. "I brought it to the attention of the HE A428 project team and they will look into it. I also raised it at the Scrutiny & Overview Committee meeting on 21st June. The dualling of the A428 from Caxton Gibbet to the Black Cat roundabout will create more traffic, as will plans to create an expressway corridor between Oxford and Cambridge. It is inconceivable to have the A428 as single lane at Girton and we will be doing everything we can to stop this idiocy!"

OPEN GARDENS 2018

Cambourne Open Gardens raised more than £500 for the church's work with young people.

How's your broadband speed?

Broadband

We often hear anecdotally that people in Cambourne suffer from poor or low speed broadband. We would really like to hear from you if you do. We are trying to compile a map to help us understand if there are particular problem areas, and what kind of speeds people are getting. Please could you email us with your address and postcode, and the broadband speed you are getting (visit speedtest.net or download the Speedtest app).

Additionally your broadband provider name would be useful but not essential.

We will not pass on any personal information to any third party, but we will share an anonymised map showing approximate speeds across Cambourne. If there is enough interest, and it looks technically viable, we will set up a public event in conjunction with a wireless provider to discuss how they work with local communities and typical costs and speeds.

Parking on verges

Parking continues to be a major issue with a number of vehicles parking and driving on the verges in Cambourne. The damage this causes to the grass and kerbs, especially in wet weather, contributes to the delay in transferring the roads to the County Council. If the situation continues after the verges are transferred to the County and Parish Council it will be you as Council Tax payers of Cambourne who will have to pay for their repair.

Parking on the verges causes inconvenience to neighbours and residents using the footpaths and is a safety issue for children.

Cambourne Community Fete Baking and Produce Competition

This year we are hosting a Baking Competition and a Produce Competition which

will be judged at the Fete on Saturday 8th September. Both competitions are split into adult and children categories; adults £1 and children 50p to enter. Categories are listed on the posters on page 32.

To make this successful we need residents to enter as soon as possible, and for both baking goods and produce to be brought on Fete day from 12pm at the Marquee. To enter, please email community@cambourneparishcouncil.gov.uk or pop in to the Parish Office. Winners will be announced on Fete day and receive a prize!

Volunteers are needed to help with the set-up, clear up and to man stalls on the day. We also kindly ask for donations of tombola prizes, so any unwanted gifts, toys, books, toiletries etc. in good condition can be dropped off at the Parish Office. We are also taking bookings for food vendors, businesses and community groups, please email for a booking form and for more information and the pitch fees. Please email community@cambourneparishcouncil.gov.uk if you can volunteer on the day, donate tombola prizes or would like a stall at the Fete.

Sports Festival

On Saturday 16 June, Lisa Logan of Boxfresh Fitness working with the Parish Council held a sports festival which went very well with funds raised going to Cambourne Youth Partnership towards the new youth building. See page 4 for more details.

Cambourne Open Gardens 2018

CAMBOURNE OPEN

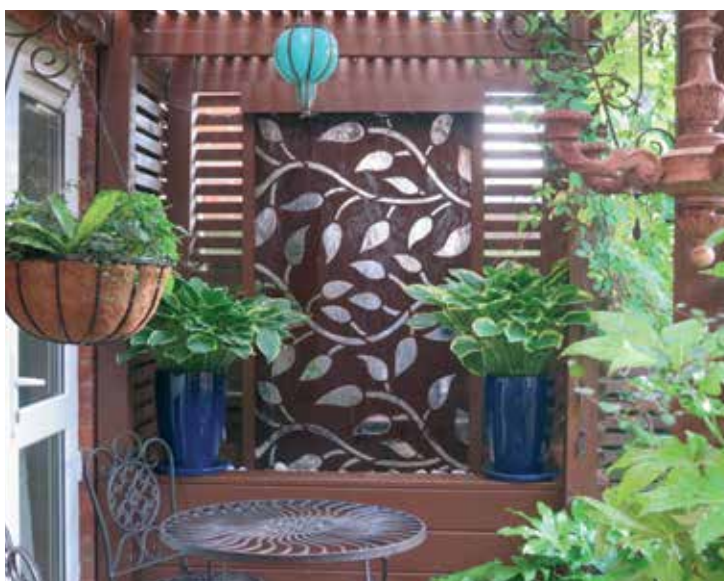

GARDENS was once again an overwhelming success. The weather was kind and more than 120 visitors enjoyed the range of gardens open.

Organiser Pam Hume said: "A huge thank you to everyone who took part, we raised an amazing £532!"

"I would also like to thank the Library, who sold tickets

for us; in fact they sold out. The Parish Council kindly printed the tickets for us again this year. Adeena and her husband Jeff helped deliver tickets etc to the gardeners, and Jules put out signage in the run up to the event."

Next year's event is already being planned, and the team have already had the offer of some new gardens.

Sports Festival raises more than £500 for Cambourne Youth Partnership

CAMBOURNE'S FIRST FAMILY

Inflatable Fun Run and sports festival was a great success on the 16th June seeing over 170 runners take off around the 3km course. There were demonstrations by Inspirations and Jazzercise and plenty for the children to do all day.

The local community came together to enjoy free sports activities such as tennis, rugby, basketball, bikes, Tai Chi and Power2Inspire who offer inclusive sports to disabled and able bodied children and adults. People also took part in some fun events such as egg and spoon races, sack races, 3-legged races and sprints!

There is still money coming in but so far the total stands at £572.60 so far raised for the Cambourne Youth Partnership so that they can run a free weeks worth of activities for the children during the summer holiday.

Lisa Logan, the Owner of BoxFresh Fitness Studio in Dry Drayton who organised the Sports Festival and fun run said: "I am so pleased with the feedback we have received from this event. The kids and adults alike really enjoyed the fun run and the inflatable obstacles, and I hope that the clubs that were here today showcasing their sports have opened the eyes to the community as to what is on

■ Money raised by the event will enable CYP to run a week's free activities in the summer

offer and get the kids involved more with community sports groups!"

One of the participants commented: "Thank you to the organisers, it was clear to see a lot of preparation went into today's event. My children really enjoyed the fun run and the free tennis coaching. I hope you decide to make this an annual event. My children asked if they could do it again next weekend! Thanks again."

Lighting up Cambourne each Christmas!

■ There are Car Boot Sales on 21st July and 22nd September, Bingo on 6th October and the Switch On event takes place on 24th November.

LIGHT UP CAMBOURNE: For the benefit of newer residents and for anyone still unsure we thought it would be a good idea to explain a little about Light Up Cambourne. Yes, we know it is July, but we think about Christmas all year round!

Light Up Cambourne was formed in 2013 by a group of residents with the idea of lighting up Cambourne for Christmas.

Working closely with and supported by the Parish Council we were able to light up 19 trees around the junction, which were turned on quietly one Friday afternoon at the end of November.

Each year since then more and more trees lit and last year we achieved our goal of lighting the whole of Broad Street. We have also held four Switch On events which have become bigger and better

each year; the last two years have been hosted by JezO's events and involved live music, magic tricks, snow machines, free mulled wine and mince pies and even a Santa in his grotto!

"Our team of dedicated volunteers hold fundraising events throughout the year"

All this doesn't come cheap. Each year we have raised and spent in the region of £6,000. The main costs are the hire of a cherry picker which the Parish Council grounds team use to install the lights, the installation of sockets on lampposts to power the lights, the light strings and

extension cables and the costs associated with the Switch On event.

Our team of dedicated volunteers hold fundraising events throughout the year which have include, an Afternoon Tea, Community BBQ, Craft Fair, Car Boot Sales and Quiz & Bingo nights. We have also received sponsorship from local businesses and we benefit from the funds raised at the annual Cambourne Community Fete organised by the Parish Council. The support of the Parish Council is crucial, and we are very grateful to them. For more details look out for our posters or follow us on [facebook.com/LightUpCambourne](https://www.facebook.com/LightUpCambourne) We can always use more volunteers so if you would like to find out more please email lightupcambourne@gmail.com

Have a fun & safe summer

**CAMBRIDGESHIRE
FIRE & RESCUE SERVICE**
Working together to improve community safety

AS THE WEATHER BRIGHTENS UP and the sunshine starts brightening our weeks we welcome the longer, brighter nights and the opportunity to enjoy summer days and nights in the garden. When powering up your BBQs and putting out the garden furniture for the summer season, be sure to take note of our top tips below to ensure you have a fun and safe summer in the garden.

If cooking outdoors, always check BBQs over after winter storage. Keep them on level ground and ensure they are sited away from sheds, fences, overhanging foliage and property. Keep children and garden games well away from the cooking area and never leave the barbecue unattended.

If you have a bonfire, build it well away from buildings, tents or other flammable objects and make sure it is properly out when you leave.

When out in the countryside, extinguish cigarettes properly and dispose of them responsibly – never throw a lit cigarette into a field or wooded area.

Don't forget to stay safe around our county's waterways and if you see someone in trouble in water, call 999 immediately with clear details of your location.

When out camping or using a tent, never use candles inside or nearby and always discourage smoking nearby. Never cook inside a tent. More information: www.cambsfire.gov.uk

MP FOR SOUTH

Meeting fresh, ambitious young minds

It's been another busy month in Westminster and at home! Much of my time has been devoted to bringing about improvements to the Govia Thameslink Railway (GTR) which has led to so many constituents being severely inconvenienced by the changes to their train timetables in May.

I recently visited Cottenham Fire Station to see the passing out parade for the young people who had taken part in the Firebreak course.

This excellent project uses fire service drills and crew culture to develop teamworking skills and increase self-esteem and confidence in youngsters. Well done to everybody!

It is always such a pleasure to meet South Cambridgeshire's children with their fresh, ambitious young minds and the hard working staff who are developing those minds despite the daily funding pressures I know they face.

I will be holding a "by appointment" surgery on the 6th July (3-5pm) at The Hub in Cambourne. If you would like an appointment, please give my office a call. My next "drop in" surgery will be on 4th August in Steeple Morden.

■ *Details of forthcoming surgeries can be found at www.heidisouthcambs.co.uk.*

GAVIN CLAYTON
DISTRICT COUNCILLOR

My first priorities as District Councillor

Wow! I am still getting used to the reality of being your Labour District Councillor in Cambourne! It's been a real team effort and I would like to thank everyone of you who voted Labour and supported me during the election. I am representing Cambourne as part of a team of Labour activists and together we will do our best to support residents with their individual concerns and seek to address issues that affect the community.

Huge thanks to those residents who attended my first ever Councillor Surgery on June 11. It was great to meet you all in person. We look forward to supporting your initiatives and trying to

find some solutions to challenges around management companies and road maintenance. The next surgery is 6.30-8pm, 10 July at the Hub and all residents are welcome, you can also raise issues by posting on our Facebook page www.fb.me/CambourneLabour.

I've been on a rapid induction to all things SCDC. The Council Officers and fellow Councillors have been incredibly welcoming and supportive, as have the exceptional staff at the council offices. I intend to focus initially on two areas under real strain due to central government austerity and privatisation; transport, and health and wellbeing. These are key issues for Cambourne and I will be putting more information on our Facebook page over the coming weeks.

CAMBOURNE PARISH
NURSING SERVICE

Cervical screening awareness

June saw the annual Cervical Screening Awareness Week. Cervical screening (also known as 'smear tests') are offered to all women from 25 to 64 years old every three to five years, depending on age.

Cervical cancer affects over 3,000 women a year in the UK mainly in those aged 30 to 45. In the early stages it often has no symptoms but can be a cause of unexpected vaginal bleeding.

Being screened regularly means abnormal changes in the cells of the cervix can be identified early and if necessary treated to stop cancer developing. It does make a significant difference

in reducing cancer rates but unfortunately there has been a gradual fall in the numbers women taking up screening over several years.

Cervical screening is surprisingly quick and does not usually cause discomfort.

It is best done during the middle of your menstrual cycle (usually 14 days from the start of your last period) to ensure the best sample.

Cervical screening is an important part of caring for yourself.

It is usually done by practice nurses who do this on a very regular basis but if you prefer, you can choose to go to a sexual health clinic.

Cookery Club raises £1,075 for Kendall

MEMBERS OF CAMBOURNE

Experimental Cookery Club have raised £1,075 for local baby Kendall, who is battling cancer, through their annual dinner held on 23 June. More than 100 guests sat down to dinner at the Hub for the fundraising event.

Dr Shrobona Bhattacharya, founder of the Cookery Club and recently elected district councillor, said: "The prime focus of the club is to tackle loneliness and promote community cohesion. As food brings people closer, I designed this project to experiment with different world foods. Each year members select a country or cuisine for cooking which they haven't

tried before. Volunteering and charity are also objectives.

"Members of the cookery club are divided into groups of four and they meet regularly at dinners hosted by their group.

"At the end of the year, all members meet to host the final community dinner with the objective of fundraising for a good cause. At the dinner, members work together and show high levels of team coordination, their passion for volunteering, community building and of course their love of experimenting with food and cooking."

If you would like to join Cambourne Cookery club, please contact Shrobona on shrobona@gmail.com

Cambourne Pre-School visits Shepreth Wildlife Park

CAMBOURNE PRE-SCHOOL: Staff, children and their families from Cambourne Pre-school have enjoyed a trip to Shepreth wildlife park. The pre-school invited all children and their families to spend a day together, a lovely social event for all. Children have enjoyed seeing all of the animals, then eating a picnic lunch together while spending time in the play area. The trip ended with a visit to the education centre where they could get close to creepy crawlies.

We are excited about the upcoming summer fete. It will offer a bouncy castle, play bus, pony rides, ice-cream and that's just to name a few. The fete will be held on the 6th July from 3-6pm on Pre-school premises (at the Blue School). Ducklings hatch in Hardwick Primary School

HARDWICK AND CAMBOURNE COMMUNITY PRIMARY SCHOOL:

On Tuesday 5 June children from Years 5 and 6, across both sites, competed in a Kwik cricket tournament at Histon and Impington Junior School.

They all had a lot of fun and enjoyed representing the school. The children worked well as a team, supporting and encouraging each other. Their energy was remarkable.

Both teams played exceptionally well; the children from the Hardwick site came second and Cambourne came third.

"It was a difficult tournament as there were a lot of good teams," said one player. "We had a lot of fun. When we won our first match we were all really chuffed as we had played really well."

Reception children have enjoyed watching and waiting for our ducks to hatch.

Each shell was numbered and the children selected names for each duck as they hatched.

There was a long line of people waiting for cuddles. Bob, Bobby, Lil Duck and Ole Bluey are now having a lovely time at a local farm.

Key Stage 1 have started their new topic 'Habitats'. The children started by sorting objects into different categories; alive, dead or has never been alive.

There were some interesting discussions taking place.

The children are looking forward to their upcoming school trip where they will get to follow a nature trail and go pond dipping.

Sports week at Jeavons Wood Primary

JEAVONS WOOD PRIMARY SCHOOL: It has been a busy week at Jeavons Wood.

In Year 2, we've had a whole week of sport activities.

Each class had the chance to go for trips out into the community to experience cricket, tennis and all the fun activities on offer at Everyone Active Gym.

A big thank you goes to all the local clubs that supported us in providing these fantastic opportunities for our children.

Some children have tried a sport for the first time and many of them will be continuing their newly learnt skills.

We now look towards the end of term and transitioning into our new classes.

Thanks to Jason and other people who shared their experience, Healthwatch is challenging the local NHS to do better for disabled people.

SCHOOLS

Making the most of the outdoors

MONKFIELD PARK PRIMARY

SCHOOL: The children in Year 6 have embarked on their final half term at Monkfield Park, knowing that exciting adventures lay ahead. SATs week has come and gone and we couldn't be prouder of how the children persevered.

The following week, during our week at PGL in Wiltshire, everyone had the chance to let their hair down, overcome fears, enjoy their independence and have fun together. Since returning, the rehearsals for our Summer production have been in full swing. The children are truly taking us to another world with their singing in Pantastic; we look forward to

their acting and singing skills truly wowing the audiences in July.

With the temperatures rising and Summer evidently with us, the school has been making the most of our grounds and the many learning opportunities we have so close to Cambridge. While Year 4 enjoyed the beautiful setting of Burwell House and an overnight stay to experience a range of exciting activities, Year 1 took part in a multi-skills event at Comberton Village College. Year 5 travelled back in time to the Tudors when visiting the Perse school and Audley End House, where they were taught dances, archery and Tudor art and music.

First cohort of Year 11 graduate at CVC

CAMBOURNE VILLAGE COLLEGE: It has been an eventful term at the College. Year 11 have finished their public exams and we've said farewell to this very special cohort of pupils - the first ever to pass through Cambourne Village College.

We're very proud of all their achievements and are looking forward to hearing about the many wonderful things that they will doubtless go on to do.

In the meantime, Year 10 have taken up

their new roles as school leaders and worked very hard in a formal exams week, and we're looking forward to welcoming our new Year 7 intake to their visits this term, and to their new start in September.

In May, the school received a visit from a judging panel for the Pearson School of the Year Awards, having reached the shortlist of this prestigious national competition in the category 'Making a Difference'. The judges had a packed

three hours as we showed them just a selection of the incredible range of the activities and projects that take place at school. We're very grateful to the many parents and members of the community who wrote to or spoke with the judges in support of our nomination, and we now wait to see if we've been selected for the final round. It was a wonderfully affirming process to show off so many of the College's achievements.

Sleepover and s'mores at the Vine Primary School

THE VINE PRIMARY SCHOOL: Year 3 had a fantastic time at our sleepover in May. The fun started during the day when we made our own pizzas and cupcakes that we later ate for our evening meal. We then had a treasure hunt around the grounds, reading clues and gathering letters to find a secret message.

At 3pm, when everyone else went home, we had a snack and drink while watching a film. After dinner, we made hot chocolate on a camping stove in the courtyard and played team building

games on the playground. We also sang songs and made s'mores around the campfire, and made a special sleepover photo frame to take home. Before we went to sleep, we had a special treat: a bedtime story read by Mr Faris! We all managed to get some sleep and after breakfast in the morning everyone was delivered back to their families. We had such a fantastic time! Thank you to everyone who volunteered to help out at the sleepover and made it special for everyone involved.

Reviews

"After 3 sessions, I am thrilled with the results. The top of my scalp was completely bald; now it blends in perfectly with the stubble on the sides. I look younger and therefore feel it!"
Dean.

"The procedure was explained fully and was painless. The results are absolutely amazing. A first class service which has transformed my appearance and my confidence." Jane

"Thank you so much for the professional and friendly service. Attention to detail is just outstanding. I love the new look." Marco

CHURCHES

I WOULD LIKE TO REFLECT on the past year in our Church: a year of change, following the Rev Matthew Trick moving from Cambourne last September. It is heart-warming to see how people have responded positively to the current situation. We could not continue with acts of worship without members of our church family stepping up to lead, preach and help out at our Sunday services.

The evening service 'Encounter' continues to grow and is drawing people from both here in Cambourne and from the wider local community, as does The Link which has also celebrated another baptism this year.

Home Groups came together to all study the Unity Series. They were also joined by some families that were not in Home Groups; this is encouraging as it shows the importance we place on Unity in Christ in our ecumenical partnership and how we are embracing this in the time of change. Our Foodbank has continued to serve the community and 19 - the coffee house continues in its ministry, serving delicious food and a warm welcome.

The Church Council has been joined by Rev Dr Janet Tollington as our Interim Moderator, she is assisting us with the challenges ministerial vacancy presents. Rest assured anyone leading or speaking at our services is either ordained or approved as a worship leader by one of our partner churches.

We all see the person at the front, but there are many people working behind the scenes to keep everything on track. We are so grateful for those who do the "unseen" jobs to ensure we can come together and worship and reach out to our Cambourne community. Thank you.

WE HAVE BEEN HERE A WHILE. Looking over some documents I realise we have been serving in Cambourne for about 12 years now in one way or another and by the time you read this we would have had our annual church picnic/ anniversary.

We started off renting the Darwin room in the Belfry until we outgrew it, then two rooms. Later when the Cambourne church moved into its own building we rented the Hub on Sunday mornings. Our midweek prayer time has varied in places from other folks' homes, community

facilities in Huntingdon and Godmanchester, and even McDonalds once, to more recently our own home. As the founding pastor it has been a real joy to see what God has done with the people that have come through. From every continent, (apart from Antarctica) we have ministered to people pointing them to the love found in the cross, the power of the empty tomb and the wonder of a repentant soul who has been changed through the faith in Christ. It has been not without its struggles and controversies, but certainly worth the effort.

■ **Pastor Donovan Bangs, Peacehaven Baptist Church**

Each day brings new challenges and many of my friends that I had before I became a Christian ask me why do you bother. I answer with a principle found in 2 Corinthians 5:14 For the love of Christ constraineth us; because we thus judge, that if one died

for all, then were all dead: 15 And that he died for all, that they which live should not henceforth live unto themselves, but unto him which died for them, and rose again. My life is no longer mine but His. And that is the attitude Christ had in his love for us and we reflect that to others not because of our love but His.

Father's Day went well with spanners and hand saws for the men to remind them to secure the right things and cut out that which does not belong.

If you have questions or just need to chat let me know.

COMMUNITY

Cam Harmony's Community Bring 'n' Share iftaar

AN INCLUSIVE COMMUNITY

Bring and Share Iftaar was organised by Cam Harmony (www.camHarmony.com) on Saturday, 19th May 2018 during the month of Ramadan with support of Cambourne Parish Council. Another local Muslim organisation Cambourne 1 (C1) also collaborated to hold this event. Muslims in and around Cambourne participated actively to bring the food and share it with the guests from different ethnic, religious and cultural backgrounds.

The attendees included the interfaith community leaders, political figures, families, friends and neighbours from all communities to make it a huge success.

Ramadan is the 9th month of Islamic Lunar Calendar and is observed as a holy month to focus on acts of faith, charity, caring and sharing. During this month, the Muslims are reminded to renew their

commitment to honour the important Islamic values of compassion, kindness, and friendliness. Sharing of food symbolizes that we respect the values and friendship of wider community regardless of their faith, ethnicity and cultural backgrounds.

The program featured an address by Shaykh Abdal Hakim Murad (Dr. Timothy John Winter) before the break of fast, which was enlightening for many people of wider

community to know about the Islamic values and beliefs from a renowned Islamic scholar as they got answers to many of their questions about this fasting month of Ramadan and Islamic values.

Family, festivity and feast at 2nd Cambourne Eid Fair 2018

PEOPLE OF ALL CULTURES AND BACKGROUNDS came together to enjoy a day out together at the second Cambourne Eid Fair on Sunday, 17th June, 2018 organised by Cam Harmony with the support of Cambourne Parish Council.

Eid ul-Fitr is an important religious festival celebrated by Muslims worldwide that marks the end of the fasting month of Ramadan with the sight of the new moon and greet each other by saying Eid Mubarak, which means blessed Eid.

The Fair was a success with the wider interfaith community from Cambourne and surrounding areas along with national political figures attending the event.

MP Heidi Allen, who attended the fair with her husband Phil, said: "The sun might not be out but the food is really warm and the hospitality is very warm, fantastic celebrations, very lucky to have been invited. Eid Mubarak, if you couldn't come this year you must come next year."

Cambridgeshire County Councillor Mark Howell added: "It is bringing people together, respecting each other, having fantastic times together - this is what Cambourne is all about."

Cambourne Parish Council Chairman Joseph O'Dwyer said: "It is a privilege to come to the second Eid Fair organised by Cam Harmony as it is a great event to develop social cohesion, it is

very inclusive event, really good to see old faces and meet new friends and food is really delicious."

The vibrant colours, smells and sounds, and the exhilarating thrill describes the Cambourne Eid Fair 2018 which had attractions for all age groups. It was fabulous to see little ones giggling and enjoying the Bouncy Castle and getting thrilled by their beautiful Henna patterns and lovely face art. Food from around the globe including Biryani, Grilled food, Kebabs, Shawarma, samosas, cakes and Turkish food gave a multicultural feel. The coffee stall was overcrowded as people wanted to fight the cold winds with the hot coffee sips.

Cam Harmony team would like to thank everyone who were involved in any capacity for their active participation. Special thanks to Cambourne Cricket Association and Cambourne Parish Council for their valuable support.

Cambourne Exiles' off-season training

CAMBOURNE RUGBY CLUB: The Exiles' off-season training is now in full swing. Our Head Coach, Chris Wallis, is taking the team for two training sessions a week. Tuesday's Free Fitness is open to all fitness levels. Then Thursday where the team has a bit of fun with a game of touch, which keeps the eye-hand coordination in and keeps the lungs going during the summer. Anyone is invited along to both sessions. Why not come along and have some fun with nice people?

If you would like to join Cambourne Rugby Club for either of our training sessions, meet on the pitches to the right of the all-weather pitch every Tuesday for fitness and Thursday night for a game of touch at 7pm. It does not matter ability or experience; everyone is very welcome. For more information please visit CambourneExiles.com or find us on Facebook Cambourne Exiles.

Raptors seek aspiring coaches

CAMBOURNE BASKETBALL: The Raptors wrapped up their first competitive season with the highest scoring game in the division against the Mildenhall Pirates. The breakneck game resulted in a 101-109 win for Raptors away from home. Overall the squad finished a very creditable fourth place. Congratulations to the team, coach and all of the people supporting the club throughout the year.

Building on such a great season, we are

now looking to recruit qualified or aspiring coaches to take responsibility for the Juniors. The club will invest in training and qualifications for someone willing to dedicate time to help the youth players of Cambourne and surrounding villages. Please get in touch if you are interested.

Now the summer is here, the club and players will take a well deserved break throughout July with no indoor sessions held at Cambourne Village College. Squad sessions will resume in August. Any players considering joining should get in touch. We expect to be competing in the Cambridge league and cup competitions, but aiming much higher in

the table!

If you haven't already noticed, the outdoor court near the skatepark by

Everyone Active is now open. Many local players are organising pick up games. Head down there, get some practice in, and get ready for the Raptors open scrimmage sessions to start after the break!

TKD students compete in Welsh Championship

CAMBOURNE TAE KWON DO: The middle of May saw several of us cross the Severn Bridge into Wales to compete in the TAGB Welsh championship at the University of Wales campus, a national competition organised by Master Peros. This was an excellent venue for the 1,500 competitors to compete in. There was mixed success for our students in Cambourne and our associate Cambridge and Norfolk clubs. Specific congratulations to:

- Emily Clements bronze sparring, gold for tag team sparring, bronze strike pad (leg technique)
- Soren Clements silver for sparring
- Connor Lacey bronze sparring and gold tag team

We have also just had our grading in front of Grand Master Ron Sergiew where students show off their skills to earn their next belt and move up the TAGB syllabus.

This was the first formal grading for several of our students and we're proud to announce that all of our students passed. Impressively, some of our youngest students were awarded "A" passes, namely William Graves, Harry Jones and Havar Davidsson whilst Eva Davidsson was also awarded star grader!

■ *If you want to try out tae kwon do, feel free to come and try or just watch. The first month's training is free. Contact Stephen on 07905 744777, stephenlacey73@gmail.com or visit our Cambourne TKD Facebook page.*

Cricket Club to host a South African Braai

CAMBOURNE CRICKET CLUB: We would like to invite you to experience an authentic South African Braai at Great Cambourne Cricket pavilion on 21 July. We have teamed up with Toft Shop and Now Now South African Food to put on a celebration of a nation famed both for its cricket and its love of barbecue.

Starting at 1:30pm, Cambourne 2nd XI will take on Over CC. The club bar will be open as usual for spectators, so please do come down and watch the game. We will be stocking a range of South African beers and wines as well as our usual selection of

soft drinks and snacks. Then from 3pm, the team from Now Now will light up their Braai, offering a range of lekker (delicious) food, from Boerewors sausage and chicken Sosaties to the Uber sirloin steak with Chakalaka relish.

In a slight break from SA tradition, there will also be a vegetarian option - Now Now's Long Street chickpea burger, and you can finish off your meal with a slice of Granadilla cheesecake.

So come on out, bring your mates and join the party.

Tough start to league campaign for bowls club

CAMBOURNE BOWLS CLUB: We continue to hold open sessions on Monday and Thursday evenings from 6pm to which all parishioners are invited. This is an excellent way to try lawn bowls at no cost if you are a beginner. Of course, we also welcome experienced bowlers. For the first time in the history of the club, we have joined a local league. After some initial success, recent results have gone against us. We try, as far as possible, to

give all members an opportunity to play in the league which sometimes means we do not put out our strongest side. Clearly, many of the teams we have played do not necessarily follow this philosophy and we come up against some stern opposition. Anyway, it is good experience and we will learn from it.
