

# **Cambourne becomes a town**

**ON 5TH MARCH 2019** - the 20th anniversary of the first resident moving into Cambourne - the Parish Council voted to become a Town Council in order to 'give Cambourne an identity'.

Parish Clerk, John Vickery, said: "For some time there has been a confusion of identity caused by the size of Cambourne as a whole, with a growing number of people seeing Cambourne as a town - of three villages - rather than a village."

The council decided that defining Cambourne as a town would establish an overall community identity while allowing each of the three existing villages - plus the planned village of Cambourne West to maintain their own characters.

A major motivation behind the move was the potential economic benefits of becoming a town and strengthening partnerships and business links.

"This change is undertaken with the best intentions of improving Cambourne for its residents by making it more marketable," said Vickery. "It is hoped a town will attract investment where a village couldn't - some larger companies won't go into villages. Perception is important when promoting Cambourne and external agencies view a town more positively, with more credibility."

The council has stressed that there is no financial cost to residents - updating

The four villages will retain their own identities within the town of Cambourne

signage and replacement work-ware etc had been put on hold pending the decision and as there are currently no plans for a mayor or deputy mayor there is no requirement for ceremonial garb.

Vickery added that the council did consider holding a Parish Poll to ask residents' opinions, but the cost - up to  $\pounds 5,000$  - was felt to be excessive and that councillors are elected to make such decisions.

"It is largely a matter of personal perception how individual residents choose to view the nature of where they ■ In June 2018 the House of Commons Library published a paper stating small towns are settlements with a population between 7,500 and 24,999. Cambourne currently has 4,318 homes and more than 11,920 residents. By 2033 Cambourne is planned to have 7,120 homes and approximately 19,650 residents.

live," he said. "They can say they live in a village - Lower, Great and Upper Cambourne - or a town, Cambourne."

### Town Council News and Events

#### The Cambourne Food Market

The Cambourne Food Market is returning after two successful events in 2018; our next Cambourne Food Market will be held Bank Holiday Monday 6th May. There will be a wide range of food vendors and market traders in attendance at the Hub car park from 12pm – 5pm. Check out our event on Facebook to find out who will be joining us! If you are interested in having a stall, please email

community@cambourneparishcouncil.go v.uk or phone 01954 714403. The next Cambourne Food Market will be held BH Monday 26th August.

#### Inconsiderate Parking

We have had several reports regarding inconsiderate parking, particularly on pavements, making it difficult for pedestrians, push chairs and wheelchair users by forcing them in to the road or blocking them completely. Please ensure you park safely on the road to ensure the pavements are kept clear. Parking on verges is also unacceptable. The damage this causes to the grass and kerbs, particularly in wet weather, contributes to the delay in transferring the roads to the County Council. If the situation continues after the verges are transferred to the County and Town Council it will be you as Council Tax payers of Cambourne who will have to pay for their repair. Parking on the verges causes inconvenience to neighbours and residents using the footpaths and is a safety issue for children.

#### **Community Action Day**

Saturday 18th May we will be holding a community action day event with South Cambs District Council. This will incorporate skips for electrical, wood and metal items. There will also be a 'take it

or leave it' stall with help from SCDC's community recycling champions. We are also organising a community litter pick. We would welcome anybody to attend and take part in the litter pick, all equipment will be supplied and some of our volunteer litter pickers will be on hand to help. More information and a full list of which items will be accepted will be available on our website and Facebook pages.

#### **Outdoor Cinema**

We are exploring the idea of holding an Outdoor Cinema in Cambourne and want to know your thoughts! When should we hold the event? What time would you want the film to start? What type of film would you like to be shown? Would you purchase food from vendors or prefer to bring your own picnic? Let us know by emailing

<u>community@cambourneparishcouncil.go</u> <u>v.uk</u>, send a message on our Facebook page or write to us and drop it in to the Town Office.

# Dr Koo says farewell to Monkfield Medical Practice

**IT IS WITH GREAT SADNESS** that I am writing to inform the Cambourne community of my decision to emigrate to Perth, Australia.

I have been so privileged to be involved in the development of the Cambourne community from its infancy and to be part of so many of your lives for the last 15 years.

As the tide of times carried us along, it has been a wonderful journey filled with joyful moments but also with many challenges. We have been through illnesses, crisis, bad news, good news, laughter and tears and along the way I have grown older with all of you.

I love that with each consultation, we open a new page of our lives without the need to start from the beginning of the book. Thank you all so much for letting me be part of your lives and for the many fond memories which I will cherish.

I will also miss my Monkfield Medical Practice team/family tremendously. I will be leaving an extremely hard working, united and dedicated team who will no doubt continue to go that extra mile to provide excellent patient centered care for the Cambourne Community.

I would really appreciate it if you could spare a few minutes of your time to write it in my "memories of MMP" book which will be left at our reception desk.

I would also like to invite everyone to my informal leaving do on Tuesday 2nd April at the Hub so that I can say goodbye in person.

Dr Jackie Koo

### Calling all budding artists!

**THERE ARE NOW** two spaces on the Monday evening watercolour painting class.

The tutor is Prue van der Hoorn. Prue is a very experienced teacher, always well organised and encouraging, and she prepares a programme of different topics over the 10 week term. She can help beginners, providing materials to start with and advising on the equipment to buy.

This is an adult class but we also welcome older secondary school children. The next term begins on Monday May 13th and ends on July 22nd and costs around £67, depending on the numbers attending.

It meets in the new cricket pavilion for the summer and autumn terms and the Hub meeting room in the winter term.

# Sundial Theatre Company gets ready to take the stage

#### SUNDIAL THEATRE COMPANY: The

Sundial Theatre Company, Cambourne's new amateur theatre group, held a second "Script Night" social in the Hub Meeting Room on 13 March.

Based on the theme "Whodunnit", a group of twelve met to read excerpts from "Dial M for Murder" and "Clue". Member Paul Jobling also gave a short talk on how the masters create suspense on stage.

This is the second of these socials, which take place monthly and are aimed at having a bit of fun with drama and building the membership of the group.

"It's a friendly environment," says Paul Jobling, "where beginners and old hands can try out different ideas."

The group is gathering momentum, with a Facebook following of over 70 people, and they're now in the process of

rehearsing their first two productions: "Radio Days", an atmospheric re-creation of the Golden Era of Radio, and "Happy Ever Laughter", an interactive comedy for children, written by Cambourne resident David Wadsworth and aimed at keeping children entertained in the May half-term holiday.

"We thought about our local audience and realised that a play for children would be a popular choice," says producer Kitty Paques, "especially if they get the chance to join in and make a noise!"

To stay up to date with the Sundiallers you can follow the Facebook group – <u>www.facebook.com/sundiallers</u> – or sign up to the mailing list on the website – <u>www.sundialtheatre.company</u>. The next Script Night will be on 8 May – details also on the website.

# **Cambourne gets Wild this Easter**

**WILDLIFE TRUST**: There are plenty of Wildlife Trust events coming up to help Cambourne to be Wild!

Save the date - the Wildlife Trust are holding a two-day festival Saturday 5 & Sunday 6 July!

Taking place on the Cambourne Business Park, there will be a stage with bands on both days (Saturday's headline act will be a Queen tribute band!), a beer marquee, fairground rides, wildlife activities, guided walks, crafts, lots of food stalls, festival T-shirts and community groups.

Tickets will be on sale by the end of the month – watch this space.

The Trust are also running various Easter holiday activities – do come along and get involved.

Family nature walks are easy walks with fun challenges along the way, like jumping off logs and interviewing flowers. Create pictures using sticks and leaves, make something with clay or create art using a cotton canvas and a hammer to extract the colours from leaves at our natural art sessions. Or come along to a story walk: stroll the reserve and create stories inspired by what is around; if it's dry, perhaps sit and read stories together.

Upcoming dates:

*Monday 8 April*: Family nature walk, 10am-12pm; Natural art for families, 1.30-3.30pm.

*Tuesday 9 April:* Family story walk, 10am-12pm; Family nature walk, 1.30-3.30pm.

*Tuesday 16 April*, Natural art for families, 10am-12pm; Family nature walk, 1.30-3.30pm.

*Wednesday 17 April:* Family story walk, 10am-12pm; Talk - Take Action for Widlife, 7pm. Designed for beginners, showing simple things to do to help wildlife.

Please check events in advance, either on <u>www.wildlifebcn.org/events</u> or contact <u>rebecca.neal@wildlifebcn.org</u>

# Looking back in time at Cambridgeshire

CAMBOURNE U3A:

On the 16th March the Cambourne and District U3A enjoyed a very interesting presentation on 'Vanishing Cambridgeshire' given by Mike Petty, Cambridgeshire historian and lecturer.

The presentation was both informative and humorous while black and white photographs taken in the 1920s

Members of Cambourne U3A enjoying this month's Coffee and Talk

made the audience realise how much has changed. Caxton Gibbet was once a quiet crossroads surrounded by airfields, while Bourn windmill has withstood the march of time.

Monthly 'Coffee and Talk' general meetings are held on the third Friday of the month at 10.30 at The Hub. There will be no meeting in April due to the Easter bank holiday. So the next meeting will be held on 17th May, and the talk will be on 'Life at Westminster', given by Heidi Allen, MP for South Cambridgeshire.

### **Thinking Day Celebrations**

**CAMBOURNE GUIDING:** On 23rd February Rainbows, Brownies and Guides from across all the Cambourne Units came to a Thinking Day party at the Hub. International Thinking Day is celebrated every year when 10 million people in Guiding around the world remember their fellow Guides, Brownies and Rainbows.

This year we celebrated 110 years of Guiding and the theme for Thinking Day was leadership. We had a fantastic disco and all sorts of activities based on leadership.

We were remembering how 110 years ago, a group of girls

took the lead and asked for something for themselves, by visiting a Boy Scout rally and asking Lord Baden-Powell to create something for girls!

# New developments at **Monkfield Medical Practice**

MONKFIELD MEDICAL PRACTICE: We are very proud to announce that Dr Cowee, her staff members and families entered a number of races to raise money, along with generous donations from our patients and MMP Partners, to purchase a Public Access Defibrillator (PAD).

This is located on the external wall of the Library/Health Centre building, and is accessible to the community in the event of an emergency.

A defibrillator is a device that gives a high energy electric shock to the heart through the chest wall to someone who is in cardiac arrest that anyone can use. The defibrillator intelligently guides a rescuer

through the resuscitation procedure with illuminated instructions and calm voice prompts at every step.

We have also recently introduced a new messaging system called MJOG that sends out a reminder of your appointment to your mobile phone, and allows you to cancel it if it's no longer needed. Please simply type back the word CANCEL.

We will soon be changing our website layout and content making for a much more user friendly and informative site for our patients including a symptom checking system that helps you manage your symptoms and book appointments.

Doctorlink is a 24/7 symptom checker that directs you to the help you need quickly and efficiently. The symptom assessment tool recommends the right action based on your symptoms. If a medical consultation is recommended, you can book an appointment. The practice will receive a copy of the symptom assessment, and will even book the appointment for you.

In all, we are trying to make your allround experience at Monkfield Medical Practice, better, more efficient and easier by offering new and diverse ways of helping you and your health. We hope that you can make the best use of them and thank you for your support going forward.

### The Big Squiggle can you help?

FORMERLY KNOWN AS the Big Draw, a nationwide event to encourage drawing and art generally, we (in Cambourne) changed the name to The Big Squiggle in 2017 so we could do our own thing.

The aim is to encourage everyone to take part, with activities for those from the very young to the very old.

Preparations are well underway for The Big Squiggle on Saturday, 5 October. A 'Brainstorm' meeting to generate ideas is planned for 7.30pm on the 1st May.

We will need lots of volunteer helpers, either to run an activity or help someone else. You don't need to be an expert, just to have enthusiasm and a willingness to 'have a go'.

### **Developments in Transport Infrastructure**

THERE HAVE BEEN some important developments regarding transport. These vital announcements will shape our local infrastructure and transport for many years to come so please do have your say.

East West Rail - For the last year, East West Rail has been developing route options for the Bedford to Cambridge section of the new railway and I am pleased to see that Cambourne features as a location for a possible new station.

Cambourne to Cambridge - The Greater Cambridge Partnership has published its

consultation on phase 2 of the Cambourne to Cambridge Better Public Transport Project. The consultation seeks views on the link west of Madingley Mulch roundabout to Bourn Airfield and on to Cambourne, and a new Park & Ride facility.

A428 - Finally, it's the turn of the A428. Highways England has published their longawaited proposals for the A428 between Black Cat and Caxton Gibbet. Full details are available here - http://bit.ly/2J1HxTI Consultations regarding the A428 will take place later this year.

### A Town with a Centre .....and a Heart

BECOMING THE FIRST town in South Cambridgeshire is a significant step for our community and another pioneering step. I hope it brings an added sense of stature, autonomy and pride to the residents of Cambourne with a belief that we can work together to maintain and further develop a diverse, inclusive, thriving, fair and nurturing community ... and have some fun doing it too. As we have for the last 20 years nearly.

If you have ideas and thoughts about what we need in our Town Centre development, please get in touch with me directly or engage with the meetings at the Council. Full Council and Scrutiny

Committee meetings always include agenda items 'Questions from the Public' and 'Petitions Received', but these public access spaces are rarely used. If you would like to get involved in using these, please let me know and I will help.

Local Council Tax Support is changing and SCDC's plan aims to ensure that claimants 'should not in the main be worse off'. If you experience financial loss as a result of these changes please let me know and I will help as much as I can with your enquiries. I am happy to arrange meetings in the Library when required.

### **Irritable Bowel Syndrome Month**

APRIL IS Irritable Bowel Awareness Month. Irritable bowel syndrome (IBS) is a common, longterm condition affecting the digestive system. Common symptoms of IBS are abdominal pain and cramping (often relieved by having a poo), change in bowel habits (with diarrhoea, constipation or both), bloating and excessive wind (flatulence). Symptoms may have a significant impact on quality of life and therefore can affect mood. As stress can trigger IBS unfortunately this can lead to a vicious cycle.

Diet is often a significant factor. Keeping a food and drink diary may help identify individual

triggers and sometimes a dietitian can be helpful in pinpointing specific foods and ensuring a diet remains healthy and balanced. Factors that can generally help IBS symptoms include eating regularly, drinking plenty of water, exercising and taking time to relax and reduce stress if needed. Cutting down caffeine, fizzy drinks, alcohol and processed foods can also help.

If you develop IBS type symptoms for more than a few weeks it is important to discuss this with a healthcare professional. This is particularly the case if you develop persistent looser poo, pass blood in your poo or are losing weight without an obvious reason.

# EDUCATION

### It was non-stop at Hardwick and Cambourne Primary

HARDWICK AND CAMBOURNE COMMUNITY PRIMARY: We have had a busy few weeks! Reception classes have been learning about people who help us and held a lovely sharing afternoon for Mother's Day. Year 1/2 had a thrilling visit from

some DNA scientists and all had a go at extracting the DNA from a strawberry. Year 3/4 ran a fiver fair where children were given £5 to start their own business. Their ideas for stalls were incredibly creative and every team made a profit! Year 5/6 have been engineering and programming motor driven bridges that can sense when a boat is coming and lift and lower automatically. The whole school dressed up for World Book Day and did projects about the book 'The lost words' by Robert MacFarlane and Jackie Morris. Finally, thank you to all the children who are part of our School Council, Ethics Council, Play Leaders and Peer Mediators. You make our school a wonderful place to be!

### Monkfield Park are inspired by fictional friends

#### MONKFIELD PARK CARE AND

**LEARNING CENTRE:** In Room 1 we have painted and added flames to our play house and built a fire engine to engage the children in firefighting imaginative and role play activities. They have used walkie-talkies to inform each other of 'emergencies' and we have explored our Staying Safe Box to help develop the children's understanding of fire safety.

We have been reading stories about Fireman Sam.

In Room 2 our focus book has been 'Peppa goes to hospital' and we have been playing with bandages and doctors' equipment in our role play area.

We have also been learning how to use pipettes and measuring jugs in the

coloured water. The children have really enjoyed this book and are looking forward to reading 'Doctor Maisy' by Lucy Cousins.

Here in Room 3 we have continued with our Vets theme and our 'Doctor Duck' book by Steve Smallman & Hannah George.

We have played 'Hook the Duck' and 'Duck, Duck Goose' as well as 'visiting' the Veterinary Surgery in our room.

We have some poorly animals in their cages waiting to get better.

### The Arts are thriving at Cambourne Village College

#### CAMBOURNE VILLAGE COLLEGE:

Macbeth the Musical played to appreciative audiences in the first week of March. Written by Head of Music Geoff Page and directed by Head of Drama, Lauren Fearn, the show oozed original song and dance into Shakespeare's iconic text. Accompanied by a student band, the cast gave a spirited performance that highlighted some fantastic new musicaltheatre talent coming through the younger year groups.

Accomplished technical support was provided by our established 'Tech Team'. With a strong body of evidence supporting the value of education in the Arts to develop confidence, creativity, and strong mental health, all pupils at Cam VC study music, drama and art throughout Key Stage 3.

Uptake of instrumental lessons increases year on year, with 70 pupils playing in the school orchestra, and the range of instruments played widens continually. Multiple music, dance, drama and art clubs thrive at lunchtime and after school, with the newly-formed jazz band making an extraordinarily confident debut this year. Some financial support is offered to ensure that these opportunities

are available to as many pupils as possible. At a time when many state schools are reducing their cultural and creative offer, we are delighted to be bucking this trend!

EDUCATION

# All About Chocolate!

..........

**EDUCATING OTHERWISE**: I have been learning about chocolate. I have found out where cocoa beans grow and how they are harvested. I wanted to find out more so my Mum booked a home educators group trip to 'Chocolat Chocolat' in Cambridge.

At the shop the chocolatiers (this is the name for the people who make the chocolate) showed us how to properly taste chocolate. To do this you have to pinch your nose and then eat the chocolate. When you let go of your nose you get a burst of taste.

We found out about the different amounts of cocoa in different types of chocolate. Did you know that white chocolate has more sugar in it than other types of chocolate? This is because it only has about 25% cocoa whereas dark chocolate has about 75%. I tried some very dark chocolate - it was made with 97% cocoa and tasted similar to a cocoa bean. It was very bitter. The antidote to the bitterness was to eat some more white chocolate.

Last but not least they showed us how to make moulded chocolates. They warmed the chocolate until it was melted. Then they poured it into moulds. They were scraped and tapped to get rid of air bubbles. It was then put in the fridge to set.

When we came home we decided to have a go at making our own chocolate. I chose to make lego chocolates. They taste very good!

### **EDUCATION**

# The Vine draws inspiration from Hokusai

**THE VINE PRIMARY SCHOOL:** Our Year 3 have been learning about Extreme Earth - Volcanoes, Earthquakes and Tsunamis. As part of their programme, they studied the Japanese artist Katsushika Hokusai who was known for his painting 'The Great Wave Off Kanagawa', which the students attempted to recreate, by painting in layers just like Hokusai.

.....

Our intrepid artists mixed red and yellow to create an orange sky, white paint for the ash clouds, and 4 different shades of blue along with tissue paper to add tone and texture to the sea and waves. This was followed up with the darkest blue shade to paint Mount Fiji in the background, along with flour and sea salt on white paint to add the spray to the sea and wave.

During their studies the kids discovered that Hokusai moved house 93 times because he hated cleaning! When his house got too dirty, he would simply move rather than clean.

Year 3 are very proud of their learning and hope that you like it too!

# Monkfield Park is still a hive of activity

**MONKFIELD PARK PRIMARY SCHOOL:** As ever, It has been another busy half term at Monkfield Park Primary School. The Spring term began with a bang, with lots of fun and exciting activities.

Year 1 have had lots to do this half term. They were lucky enough to be invited to 'Everyone Active' to take part in lots of sports as part of their golden time reward. This involved all sorts of sports including hockey and a number of ball games!

The healthy theme regime included an 'Island Home' topic, where they prepared vegetables for a delicious Scotch Broth.

Year 2 have amazed us all with their fantastic production 'Hat's Off', which told the story of a pony on a quest to find the perfect weather so she could wear her hat.

Year 3 had an exciting Anglo Saxon day. They were engaged in a number of activities including dancing, making tapestries, and writing in Saxon runes. A historian came to visit, bringing lots of artefacts and the classes even got to join in with a recreational burial. The day ended with an enormous banquet that was enjoyed by all.

### Cambourne Pre-School celebrates World Book Day

#### CAMBOURNE PRE-SCHOOL:

Books and stories have been a current theme at Cambourne Pre-school recently to coincide with World Book Day, as the staff and children all dressed up as their favourite characters!

The kids all voted for their favourite which were 'The Very Hungry Caterpillar' and 'Dear Zoo'. It was lovely to hear the children telling stories back and anticipating what would happen next.

These are crucial skills for both language and early literacy. Book bags with items from the story were used to allow some 'hands on' experiences, including a caterpillar and worm hunt.

Children have also begun planting seeds in anticipation of Spring!

If anyone would like to donate or enquire about places for September 2019 or to offer any help with the above items, please contact the Pre-school directly: Tel: 01954 715150

#### Email: office@cambournepreschool.org.uk

Diary date! The pre-school will be holding their annual Summer fete on Friday 12th July 3-6pm. Please get in touch if you would like to book a stall.

#### The Gardener

As Cambourne Church's writer-in-residence. I think about biblical themes a lot while writing poetry. Easter finds several key themes working together. The cross mirrors the tree from which Adam and Eve ate forbidden fruit; the garden where Mary met the risen Christ recalls Eden; Jesus' eternal life heals the death they brought.

I'm often struck by Mary's thought on seeing Jesus: she thought he was the gardener. This poem is about that:

A taste of fruit has altered all creation, And grown both Adam's pride and mark of Cain; Entangled in that tree, with each temptation I choose to lose God's garden peace again.

Where once I tended Earth and turned the soil, And gloried in the gifts of labour's grain, Across the sin-scarred land, now I must toil Against all those who share my sinful stain.

And into this the Prince of Peace was sent. And showed how sweet the fruits of God could be, Changed spears to pruning hooks, and swords to ploughs, So we might find fair work, beneath the boughs Of life-blood stained and life sustaining tree, Where God Himself bore violent punishment.

And in the silent garden where I sought To dignify His death with fragrant oil, I met a gardener - or so I thought, And felt the bonds of tempter's tree uncoil.

For from that ground, the peaceful prince had fought To grow my peace in three days' germination, So I might labour in His garden-court: A paradise of praise and adoration.

#### Who was the man on the cross?

This month we celebrate the death, burial and resurrection of Christ. This is often known as Easter. But why celebrate a man you do not know? Who was this man on Calvary?

He was in some ways an outcast from some of society. The corrupt political and religious groups hated him, because Jesus was not afraid to call them out on hypocrisy and sin. He was not liked, because he disregarded the manmade traditions and instead pointed people back to the truth. He was not intimidated by the rulers of the people. Jesus was unpopular with corrupt merchants and money changers, as he drove them out of the temple as they had turned a house of prayer into a den of thieves. He was also disliked by others seeking to promote themselves as his popularity with the people grew.

He showed mercy to the simple and poor in spirit. He lifted up those that the self important would not touch. It did not matter where you were from if you came in faith. He preached salvation by faith to whosoever would come, whether they be Jew or Gentile. He received people from all levels - from the nobles like Nicodemus to real outcasts like lepers, even tax collectors like Matthew (who were often more avoided than lepers). He confused some, as he was not out to serve himself but to preach repentance and forgiveness.

Sin has a price but Christ came to pay that price for all who would come in repentance to him. He, as was planned, was betrayed and crucified, nailed to that cross. Shedding his blood as payment for our sin. This was the picture of the Old Testament sacrifice, not of an imperfect lamb but the perfect Son of God and Lamb of God. As John the Baptist said in John 1:29 The next day John seeth Jesus coming unto him, and saith, Behold the Lamb of God, which taketh away the sin of the world.

Christ died for our sins; was buried, and he rose again the third day according to the scriptures. If you would like to find out some more about this please come along and we can talk. Donavan Bangs

# **Eagles Soar**

**CAMBOURNE EAGLES:** The teams continue to enjoy their football as we head towards the end of the league season. Our U8 team (pictured) are performing well in their Kluivert League fixtures and we would like to make a special mention for Harry Barker who scored his first goal for the team in their recent game with Fulbourn; well done Harry!

The Eagles U7 team continue to improve in the Baros League. They will enter a number of end of season tournaments including the Cambridge United one to be played at the Abbey Stadium in early May.

Our U13 team are improving well and recently became the first team in the A league to take points from Over, the current league leaders. We also sent a mixed age group, U10 Reds and U11 Blues, to the East of England Foosball tournament, ending up as regional runners-up.

All teams will get to celebrate together at our planned end of season presentation afternoon, where we recognise all of the hard work and dedication they have shown over the course of the season, and the coaches and committee volunteers get a well-deserved rest (just kidding guys!).

The club are part of a Cambs FA initiative called RefHub. If you are an aspiring referee then we can support you through your qualification process. Please email us if interested. The minimum qualifying age is 14. We can promise a plentiful supply of matches to referee once qualified and it's a fun way to earn some money whilst providing a much-needed skill to local teams.

For all playing/training enquiries for any of the Eagles age groups please contact

cambourneeaglesfc.sec@gmail.com - this includes children from reception and year 1 school age groups, as the Eagles Academy train on Fridays 5-6PM on the Everyone Active 3G pitches.

You can also keep up with all our news via our social media channels: <u>https://m.facebook.com/cambourneeagles/</u> and @cambourneeageles on Twitter. Please give us a like and a follow to stay in touch!

# The End (of the season) is Near

**CAMBOURNE UNITED FC:** As we move into April the end of the football season is near.

Our U16 girls have made it through to the semi final of the league cup; they face A league leaders in what will be a tough

game for our girls so we are keeping everything crossed for them.

Our U14 girls (pictured) have had some mixed results in what has been a tough and very competitive season; they are pushing to play 11 a side next season but could could still do with a couple more players.

If you're interested in playing A league football

and are in current school year 9, please get in touch for more details.

Our very popular soccer school continues, every Saturday morning 9-10am on the 3G behind Everyone Active, for all boys aged 4-6; this runs alongside our FA Wildcats Academy for all girls aged 4-8. Both of these sessions are on a pay and play basis and have level 1 trained coaches.

Our ladies team is going strong and recently played in the FA people's cup. They train 7:30-9pm on a Monday on the Our partnership with Norwich City Ladies is continuing with an Easter camp being held on Friday April 12th. This again will be for girls and was a very popular session in half term; for more information and to book please contact Jamie Loades

### Raptors keep the pace going

CAMBOURNE RAPTORS BASKETBALL CLUB: Cambourne Raptors Senior Team had a competitive month facing quality opposition. In the League we suffered our second defeat (102-56) away to Huntingdon Hawk 2 and beat the Bury Bulldogs (70-51), maintaining our 100% home record. In the Cup, despite a 119-45 loss to Division 1 Huntingdon Hawks, we progressed to the quarter finals against Division 1 Svyturys team where we held them to a respectable 86-45.

Sunday scrimmage sessions have been so popular that we are currently unable to take new joiners. However, please register your interest by coming to a session or on our website.

The Junior Raptors played 3 friendly matches during the past month. The U17s played an in-house friendly at CamVC, which was a great success. The U13s played out a narrow loss (28-24) against the Cambridge Cats, where we outscored the Cats in a thrilling second half. The U11s played the Cats and recorded the first ever victory for Juniors! We got off to a great start and a solid second half lead to the 14-30 win. Congratulations to all junior teams/coaches - keep up the great progress!

The Juniors have two home friendlies in the coming month, including U17s playing the Saffron Steelers.

The Spring term starts 29-04. We will be starting a new session for under 9s which is suitable for beginners. Come to a session or contact junior coordinator@cambournebasketball.org to register interest.

Regular sessions at CamVC: U9s: Mondays 1745-1830 [starting Apr 29] U13s: Mondays 1730-1900 U17s: Mondays 1900-2030 Senior squad training: Thursdays 1930-2130 Senior open scrimmage: Sundays 1800-2000 For more information, visit www.cambournebasketball.org

CAMBOURNE TENNIS CLUB: The club has been busy preparing this year's excellent 2019-2020 membership packages which commence from 1st April. We have a special family discounted package at £80 until 15th April, please check out the club website for details.

The Coaching team have also been busy organising the Easter Camps on the 8-12th April for Juniors aged 3-14 years old. The Quorn Family Tennis Cup will be held on 7th April from 2-4pm at the Club and is open to all. Please email toby@gamsettennis.co.uk to book your place.

The club is always keen for our teams to expand and team trials are being held at 7pm on 26th March, 2nd April and 9th April.

The club continues to be well represented by our talented

Juniors; recently Darius Fatemi-Ghomi and Neha Kibria were called up to represent Cambridgeshire at two very competitively fought National County events. At the Roy Burrell Sports Awards this year, Neha and Laurie Cruickshank received awards for their contribution to sport congratulations to all! # Netball teams working hard

**CAMBOURNE NETBALL:** Winter league is drawing to a close and our 4 Senior teams are on track to see some of their highest division finishes in the history of the club!

We are delighted to have recently recruited a new Seniors coach, Holly Peck.

Holly has played national league for several years at both Leeds and Loughborough University. As a Level 2 coach she has coached Anglia Ruskin University as well as local clubs Comberton and Coton. She is also Head Coach of Cambridgeshire South Satellite for Juniors.

For Seniors info, email <u>cambournenetball@gmail.com</u>.

Our Junior sections continue to thrive and the U11s recently played in the

Cambs High 5 netball tournament in St lves.

In very blustery conditions both teams worked hard and after an initial round of matches battled out their final positions in the plate competition.

The Cambourne Blue team took the 3rd spot whilst the Cambourne Yellow team finished as winners and got to take home a trophy. It was a great experience for all of the girls and we are looking forward to the next one.

The U11's train on a Tuesday evening from 4:30-5:30pm at Cambourne VC and it caters for girls in years 5&6. We will be looking to take new players from September so if you have a daughter in current year 4&5 and would like to register your interest to start please email cambournejuniornetball@outlook.com

# **Spartans Fighting**

**CAMBOURNE SPARTANS:** Spartans have been fighting on four fronts for silverware until a 1:0 defeat at champions Wickhambrook meant that the Saturday 'A' League title was beyond them.

It was a great game and the boys were superb, and probably should have equalized in the last minute but rather hit the side netting... Congratulations to our opposition who have now deservedly secured the title for the second season running. Sunday League Cup Finals and require 2 points from our final 3 league games to take the 'A' League title on Sundays.

Recent results in the Sunday League Cup saw the boys beat St Ives in extra time 4:3 and then go on to eliminate Chesterton Eagles in the semi final 4:1 at Back Lane.

Saturday's team dispatched Isleham Youth 4:1 in the quarter final and then a superb game against Histon saw the boys win 6:5 on penalties after a brilliantly entertaining 2:2 draw after extra time. The boys' spirit and desire is unquestionable and they dug themselves out of a hole in both recent quarter finals to progress.

Spartans will play the Saturday Final versus a resurgent Cambridge Celts on 30th March @ the Cambridge Stadium 10:00 KO.

All friends, family, sponsors and interested people are welcome to come along and support the boys in their quest for a stunning treble of silverware.

Spartans are looking for an overall club

The boys reached both Saturday and

# Cambourne Cricket are All Stars again

**CAMBOURNE CRICKET:** All Stars Cricket is back in Cambourne.

The cricket club will once again be participating in the national All Stars Cricket training event for girls and boys aged 5-8. This year's sessions will be on Saturday mornings from 10-11am, starting on 11 May and running until at least 29 June. Registration is now open via the official All Stars website:

<u>www.ecb.co.uk/play/all-stars</u> - click 'sign up' and search by postcode to find the Cambourne sessions.

Last year's sessions were very popular and we received a 5-star rating from all participants. In fact, they were so popular that we extended the programme for several weeks after the official dates.

We're looking forward to welcoming a new crop of budding cricketers this summer.

Each child who registers will receive an All Stars backpack containing a plastic bat, soft ball, shirt and cap - all included in the £40 registration fee. Each week, the sessions will cover basic cricketing skills like throwing, catching and batting, but also social skills like teamwork and communication. All this is supported by videos and ideas of things to do between sessions at home.

For older children, our outdoor training sessions on Friday evenings begin on 26 April (with the club bar open in the pavilion) - email <u>cambournecc@gmail.com</u> for more details.
