Plans for Cambourne High Street are open for consultation

Plans for new shops and homes on the vacant land to the North and South of Cambourne High Street are available for consultation prior to the submission of a planning application later this year. Details of the emerging plans can be viewed at www.cambournehighstreet.com

The developer, Newcrest, have been involved with Cambourne for a number of years and the delivery of a vibrant and thriving High Street is the final phase of developing the vacant sites at the centre of Cambourne. The consultation runs until 16th September and seeks views on how to shape the proposals.

To enable the delivery of the proposed 554sqm of retail space the High Street needs to be widened and Newcrest have secured the land to the south of the High Street to ensure a comprehensive development of the area.

Shops will be accommodated on the ground floors of three of the new buildings with flats above. To the East of the site there will be more flats and a terrace of townhouses.

In addition to the new shops, the scheme includes 112 flats and 17 townhouses. Whilst the division of the retail spaces will be led by market demand, the physical layouts of the buildings mean that the shops will be similar in size to the existing High Street shops.

On 19th August around 90 people attended a drop-in event at the Hub to view the proposals and talk to the team. There was support for the new shops with some attendees expressing views on matters relating to design, parking, traffic, etc. Newcrest will be taking on board as many of these comments as possible, alongside comments received from the District and Town Councils in preparing their final plans. Once a planning application is submitted it will be the subject of further consultation by the District Council.

You can submit your comments to the developers by e-mail at: info@cambournehighstreet.com or in writing to:

Cambourne High Street Consultation, Suite 4, Pioneer House, Vision Park, Histon, Cambridge, CB24 9NL

The Cambourne Crier Comments:

This is a very important development and shapes Cambourne for the future. The proposed shops and apartments will be pivotal in projecting the right image for Cambourne.

We therefore urge you to take time to look at the proposed plans and send all comments, (positive and negative) to Newcrest using the contact details above.

Members of the Cambourne Crier team went to the consultation and found the members of Newcrest to be very helpful. Cambourne is your town (and was, until recently classed as three villages). Do ask yourself whether the artist's impressions fit with what you would like to see for Cambourne and please make your views known. Similarly if you have any concerns or questions, please do get in touch with the Newcrest team. You can also discuss this new development with your local Town Councillor or South Cambridgeshire M.P. Heidi Allen.

Town Council News and Events

Free tap water - Refill Scheme

The Council has recently had water coolers installed at various community buildings offering free tap water to encourage the use of reusable bottles and reduce plastic waste in Cambourne. You can find the accessible water coolers in the Hub Community Centre corridor, main hall as well as the Town Council office reception. Water systems have also been installed in the Great Cambourne Cricket Pavilion which also offers hot water as well as cold for the users of the buildings. Although we encourage the use of reusable bottles, in addition we have also switched our plastic cups to biodegradable paper cups. You can download the Refill app to find us on the map and other locations offering free tap water.

Circus

John Lawson's Circus will be returning to Cambourne on Great Cambourne Green.

Performances will be between Monday 7th October and Wednesday 9th October.

Parking on verges

We have had many reports of vehicles parking on grass verges, particularly on School Lane, Jeavons Lane, and New Hall Lane. Repairs to verges are very costly to the Council and it also makes it difficult for the grounds team to cut verges when vehicles are parked on them. We appreciate parking can be difficult in Cambourne but please refrain from parking on verges.

Dog fouling

It has been reported to us numerous times by country park users that there has been an increase in dog poo. Dog owners are reminded to clean up after their dog and dispose of in the appropriate dog bins. Owners have been seen to throw bagged dog poo into hedges. This is not acceptable and there are plenty of dog bins in the country park areas as well as around Cambourne.

CERC invites children for the New Batch

Cambourne Electronics and Robotics Club (CERC) new beginners' batch for 7-14 years kids will start on Sunday, 15th September 2019 at the Old Blue School. The club runs on alternate Sundays throughout the year. CERC provides a unique platform for students to engage in Science, Technology, Engineering and Maths (STEM) through fun and exciting electronics and robotics projects. Since inception, the club has till now served more than 300 children.

CERC children were the regional champions of Cambridgeshire in 2019 for FIRSTLego League competition and also bagged the second position in PiWars 2019 competition. The children took part in Micro:bit Global Challenge, ESA's Zero Pi Mission and exhibited their hands-on projects in the Cambourne Science Festival. CERC team will deliver a talk in the first Pi Wars Mini-Conference on Saturday, October 5th, 2019. The club also provides volunteering opportunities for 14 - 16 years old students for Duke of Edinburgh volunteering scheme and more.

Local residents and schools are invited for the demonstration of projects of the beginners' batch along with the certification ceremony on Sunday, 15th September 2019 at the Old Blue

School. The beginners batch will move on to the advanced course where they will be learning Micropython coding on BBC Micro:bit and Raspberry Pi, 3D designing, breadboarding and soldering to develop core competence in Electronics and Robotics. The registration for the new batch is now open and interested parents can register their kids by sending an email to Cllr. (Dr) Shrobona Bhattacharya at shrobona@gmail.com or 07852753216.

CYP and Romsey Mill celebrating

Cambourne Youth Partnership and Romsey Mill Celebrating Achievements During The Past Year: At the end of July, Romsey Mill's Youth Development Team held their annual Presentation Evening, celebrating the achievements of young people and recognising the valuable work taking place amongst young people across Cambridgeshire. Romsey Mill partners with Cambourne Youth Partnership to support young people in Cambourne, and we were able to celebrate the work that has taken place locally throughout last year. 223 young people have engaged with the youth work in Cambourne, through the support of 3 youth workers, 10 volunteers and 5 young leaders, across 8 open access groups, 9 trips, 1 residential and a few targeted projects. We celebrated several young people, young leaders and volunteers for their achievements with Home Cooking

Skills, Level 2 Award in Youth Work, Red Cross Childminding and commitments to boxing and supporting friends. From September 2019, we will be extending our provision of open access youth groups across the week. These youth groups are free for young people to attend and provide a range of activities such as pool, board games, games consoles, PC games, baking and listening to music. They are a space to hang out with friends, build new friendships and access the support of youth workers and volunteers. Young people can simply turn up to a group and sign in when they arrive; they are then given a consent form which can be brought back the next time they attend so that we have a record of contact and emergency details. The groups will start during the week beginning 9th September and will take place at the Cambourne Soul Youth Centre on Back Lane at the following times:

Mondays: 7.00-8.30pm
Year 9-11 Youth Club

Wednesdays: 3.30-5.00pm
Year 8-9 Youth Club

Wednesdays: 7.00-8.30pm
Year 11+ Youth Club
Fridays: 3.30-5.00pm

Year 7 Youth Club

You can get in touch with Jonathan Buwert, Lead Youth Development Worker, at jonathan.buwert@romseymill.org or on 07503171869 for more details about the youth clubs or the targeted provision such as boxing, football or music studio sessions.

Cambourne Children's Art Club

This art and craft group runs on Fridays from 4pm-5.30pm for ten weeks each school term. There are four professional tutors who choose different themes and media, some of which are continued for more than one week. We are hoping to have some Duke of Edinburgh Award Scheme students to help us each week as part of their award work.

The club is currently for children from 6 to 11 years, with a maximum of around 12 participants, but if there is enough interest, we could accommodate older children from 12-14 with a paid assistant alongside the tutor each week, and would then differentiate to suit the students' ability and confidence levels.

The cost of the class varies according to the number of children taking part, but is around £60 for each ten-session term, and this includes materials. Provision is available to enable children in cases of financial hardship to be able to participate in the group.

Parents/carers do not need to stay unless they wish to, but we do ask for help in setting up and putting away the tables.

Cambourne U3A

Cambourne U3A celebrated their first year of existence with its inaugural AGM at July's Meet and Greet. Fran Panrucker, chair of the group, welcomed our members and went through the necessary process. Fran thanked the individuals on the committee for their hard work in getting our group going in terms of the website, membership, newsletters, booking speakers etc. Brian Faulkner submitted the treasurer's report. In the hall were examples of the groups that have been set up in the past year -all detailed on the website. Fran thanked all those responsible for getting them up and running as well as those helping to organise various study trips. A lovely lunch was organised by Ann Mead at her house for all those involved. But also important to acknowledge the members themselves for making the first year a success.

We also managed to have a speaker and thanks go to Mike Harford for stepping in at the last moment with his witty reminiscences from years spent in politics.

Finally, someone from the floor rose to thank Fran for her drive and hard work in getting the group off the ground. Setting up a group from scratch involves a lot of

coordinating with the U3A nationally and we are grateful for the help given by experienced members from other groups. Onwards to another successful and fun year. Come and join us. u3a.cambourne.org

Cambourne Community Fete Saturday 14th September 2019

The Town Council are once again proud to be hosting the Cambourne Community Fete on Great Cambourne Green (accessible from Monkfield, Jeavons or Greenhaze Lane) on Saturday 14th September 2019. This year we are celebrating Cambourne's 20th birthday, since the first resident moved in to Cambourne in August 1999.

The event, which continues to grow, will be open from 12pm to 6pm and will include a whole host of stalls, activities, entertainment, food and drink!

Lots of fun things for the kids to do such as Bouncy Castles, Trampolines, Land Zorbs, Water Walkers, Mini Bumper Cars, Bounce & Play area, Teacup ride and new to this year is the Toxic Wipeout! For your entertainment, we have live performances from Cambourne Gospel Choir, Sages of the Subway, Heathen and Limited Time. Between the bands there will be displays by St Neots Majorettes, Jazzercise, Everyone Active activities and a children's dance contest. There will be plenty of food options too: BBQ, Pizza, South African, Indian and Thai food, Vegan food, Crepes, Gluten Free bakery, Ice cream, Tea & Coffee and a licensed bar.

Cromwell Vets will be running various classes in the Dog Show, just register

them on the day. There will be two Have-A-Go Agility courses, one for novice dogs and one for more the experienced, just come along with your four-legged canine friends. There will be a host of community groups, sports clubs and businesses all promoting themselves and running a variety of activities and competitions.

The Town Council also have their own stalls which is where you will find the Raffle & Tombola. Come and have a go at the Coconut Shy, Tin Can Alley and Birthday Bean Bag game! We will also be selling Sweet Treats in the tent! The Grounds team will be on hand to show you the range of mowers, tractors and other equipment that is used to keep Cambourne looking so beautifully maintained. There will also be free Kids Craft activities to celebrate Cambourne's 20th birthday, such as rock painting, decorating birthday crowns & tiaras, and enter a competition to design new stepping stones to extend the ones laid near to Great Cambourne cricket wicket on Cambourne's 10th birthday. All proceeds raised by the Fete will be donated to Cambourne Community Groups. Last year, we split the profits with Light Up Cambourne, Cambourne Scouts, Police, Army and Air Cadets. Fingers

crossed for sunshine this year but if not just grab your coat and brolly and come along anyway as there will still of fun to be had!

Please note that there is no parking available at the Great Cambourne Green. 'No Parking' cones will be placed on the roads adjacent to the Green and we strongly urge all visitors to the Fete to walk where possible or to use the car park at Priory Walk opposite the Monkfield Arms on Monkfield Lane.

Special thanks go to Taylor Wimpey for sponsoring the cost of the stage, CALA Homes for sponsoring the cost of the bands, and to Cambridge 105 Radio for their support and assistance in organising the stage and arena events.

The Town Council would like to take this opportunity to thank the following businesses for their generous donations of raffle prizes: (correct at time of writing) BMW Barons, CALA Homes, Cambridge Building Society, Everyone Active, Giggle & Wiggle, Jazzercise, Monkfield Arms, Morrison's, One Leisure St Neots, Shepreth Wildlife Park, Taylor Wimpey & The Willow Tree & Xtreme 360.

COMMUNITY

Cambourne Crescent Science and Technology Club

Last year, Cambourne Crescent Technology Club was formed to serve as a platform for young kids to learn more about electronics and computer programming. It is open to children aged 8 to 17 and welcomes all regardless of their background and ability level. Kids learned about programming, sensors and communication using BBC Micro Bit. This involved motion, temperature and light sensors or communicating with other devices via Bluetooth. Making use of logic and developing simple algorithms, they created programs using Blocks. They learned how to interface the Micro Bit with other devices such as joysticks and toys cars. Kids did small projects such as using LED strips to display information, using radio to communicate between devices (Morse Code signalling), controlling robots and toy cars using remote controls, all making use of Micro Bits. The most interesting part seemed to be racing these cars that got kids really excited. Yet more exciting stuff is part of the planned curriculum, such as Python programming and Web Development.

The club has been run by volunteer teachers, all industry professionals, and with help from some of the parents. It has been free for the children who were enrolled. Only things that a child needs to bring are a laptop and a Micro Bit. The club has been supported by Cambourne Crescent.

The Benefits of Early Learning

Immediately before the schools broke up for the summer holidays I made several visits to local Primary and Pre-Schools and saw the excellent work that they are all doing. I wrote to the Prime Minister in early July, arguing that a cash injection for schools was needed now and 40 other MPs supported my letter.

The Secretary of State responded, highlighting that he had set out a very strong case for Education as we approach the Treasury Spending Review at the end of the year. I will be contacting the new Secretary of State when Parliament returns to hold him to this commitment.

'Early years' schools place care and learning at the heart of their provision giving children happy, exciting and playful days, full of discovery.

The learning journey continues at primary school and the same themes of learning, discovery and happiness were **very much** in evidence at the schools I recently visited.

I will continue to fight for education funding that recognises that excellence in education needs resourcing and I am determined to deliver this message to the new Prime Minister and Secretary of State in the new school year.

Our High Street & the Cambourne to Cambridge Bus Route

Our high street could be just two years away. I attended the drop-in event on 19th August organised by developers, Newcrest and came away hopeful of the final outcome. There are elements to be looked at in more detail, but Newcrest welcomed everyone's suggestions at the event. In fact, they have already taken on board concerns regarding properties that will be very close to existing back gardens.

The Cambourne to Cambridge bus route has stalled once again. Is this due to a political or

bureaucratic quagmire? A bit of both I suspect. The off-road option, although preferred by Cambourne residents, has always been deeply unpopular with villages to the west of the City.

The incoming administration at South Cambs, are pledging to stop it, call for a halt and a rethink. The Mayor also requested a pause whilst reviewing all transport solutions in the area. Now, over a year later from those two interventions, a rethink is still being worked on and the schedule to bring the plans to the Greater Cambridge Partnership Board at the end of the year is being pushed back.

CAMBOURNE PARISH
NURSING SERVICE

Know Your Numbers Week

Know Your Numbers Week occurs each year to encourage us to know what our blood pressure is. Blood pressure is created as the heart contracts and forces blood into the blood vessels. This can be checked with an electronic or manual blood pressure machine which provides two readings: the systolic (top number) is the pressure on the blood vessels as the heart contracts; the diastolic (bottom number) measures the pressure on the blood vessels when the heart is at rest.

It is recommended that healthy adults over 40 should have their blood pressure checked at least every five years but more regularly if at risk of high blood pressure (hypertension).

High blood pressure puts both the heart and blood vessels under strain and is linked to strokes, kidney problems, heart problems and some types of dementia. Your blood pressure can be easily checked by your GP practice and at many pharmacies.

Although medicines are available to lower blood pressure, you can also take steps to keep blood pressure in a healthy range. These include losing weight if needed, reducing the amount of salt you eat, exercising regularly, eating a healthy diet, avoiding too much alcohol, cutting down on caffeine, sleeping well and stopping smoking. Be safe be Smart

In Cambridgeshire 83% of chimney fires occurred between September 2018 and March 2019. The highest recorded fires were in the coldest months of the year; totalling 44 chimney fires. As the UK is about to enter in to autumn, it is the perfect time to clean out your chimney.

A general tip is...
(For most things in life)

READ AND FOLLOW THE INSTRUCTIONS that came with your unit. Understand what you can burn and what you cannot. How to maintain the unit and when. How much ventilation you need when burning. How often do you inspect the whole thing. A qualified and competent engineer should install all wood/multi-fuel burners and boilers – you can also refer to

www.solidfuel.co.uk for advice and information

Most importantly

Fit a smoke alarm that carries the kite mark or British Standard Number 5446 and test your alarm weekly by pressing the test button and know the life of your battery.

Always also **install a CO alarm** in the room where the burner is installed. Chimney Fires continue to be a common occurrence in home fires in the winter months.

Nine tips to keep your home safe all year round!

-  Sweep your chimney once a year or more if you're burning wood
-  Avoid burning resinous woods that quickly build up soot
-  Do not overload the gate/appliance
-  Do not place objects over and on the mantel that can catch fire
-  Do not bank fires too high and let them burn out well before you go to bed
-  Check the hearth, floor and furnishing for sparks/embers
-  Only burn fuels suitable for your burner (never burn anything other than wood in a wood burner)
-  Use a fire/spark guard to prevent accidental fires. Make sure it has the kite mark or conforms to British/European standards
-  Inspect your chimney breast, particularly the roof space. Make sure sparks/fumes cannot escape through cracks or broken bricks.

EDUCATION

Greetings from Cambourne Library!

A fun and creative time was had by all at our Decorate a Moon Rock session

Exploring new horizons in education

EDUCATING OTHERWISE: As a recipient of home education for the past three years, which included the opportunity to participate in interesting events such as photography workshops, ice-skating, art galleries, hands-on experience with animals and new subjects like sociology and psychology. Last year I took three GCSEs and this year a further four along with the Arts Award; gaining qualifications in a wide range of subjects in addition to moving onto Sixth Form and studying the International Baccalaureate. This will give me a broad range of subjects, and when I visited the college the staff were supportive, the facilities were great with a cool ambience.

I enjoyed a taster day along side the Year 12 students in July. They acknowledged the benefits of my self-study at home. Although nervous I'm also very excited to expand my knowledge and learn some new subjects.

EDUCATION

Outreach to the world

The THE VINE INTER CHURCH PRIMARY SCHOOL
PARTNERSHIP WITH
TSUCHIURA NIHON UNIVERSITY SECONDARY SCHOOL

Our school is a multi-cultural community and we strive to encourage and develop citizenship in preparation for life within the local, national and global communities. We do our best to live the Vine Vision; it states in our school prayer that we believe we should have a love of one another and have a love of mankind. We have a thirst for learning about our world and our international learning has gone from strength to strength. In 2017 we were awarded the British Council award for International Learning.

For the last ten years the Vine Inter Church Primary School has played host to students from Tsuchiura Nihon University Secondary School. It has been a fantastic opportunity to share learning, languages and different cultures. This year the Japanese students led a whole school worship sharing information about the fantastic country of Japan. We learnt about the landscape, dress, foods, music, entertainment, language and what their school is like. The students then held a quiz for the whole school. We were really impressed with how they spoke clearly in English; they explained they had been practising very hard.

We generally host between 20 – 30 students each year and they visit the different year groups around the school during their time with us. During this time, they taught our pupils how to write their names in Japanese. Some of pupils had the opportunity to create origami cranes, some had a go at new juggling skills and others learnt how to write their names in Japanese. We feel so privileged to be able to host them each year and are currently looking at ways to create sustainable partnership over the year.

Air Ambulance bike ride

I've lived in Great Cambourne for 5 years now and work as a health care assistant in a GP practice, I started cycling when I hit my 40's; I've heard stories of the work the East Anglian Air Ambulance (EAAA) does and was amazed to find out they are entirely funded through voluntary and charity donations. An average rescue mission costs £3,500, and they've attended over 24,000 lifesaving missions since their launch in 2000. I decided I'd like to do something to help raise money for the EAAA. I and 49 other mad cyclists will be taking part in the Adrian Flux Lap of Anglia, cycling 420 miles over 4 days with 14,167 ft of climbing, circling the territory, the EAAA covers. The event has been organised this year by John Bradley and Paul Tibbs and will be the 7th year it has taken place and has raised £101,119 since 2013. We will be joined this year by Dr Pamela Chrispin who Flies on the EAAA My just giving page is; <https://www.justgiving.com/fundraising/natasha-gillings44> Any donations would be very gratefully received. Natasha.

New Charity shop

The new British Heart Foundation store was opened on the 30th of July. Located in Cambourne Retail Park, Cambourne, CB23 6EY the new store will help the BHF fund innovative life-saving research into heart and circulatory disease. The store stocks a range of good quality and affordable second-hand items such as beds, wardrobes, tables, TV's, sofas and homeware accessories.

Dan Bligh, Area Manager at the BHF commented: "The opening of the new Cambourne store went extremely well. Each item sold will help the BHF fund life-saving heart research, so please do come by to see what great bargains are on offer.

We still urgently need more donations so if you are having a clear out in the next few weeks, we would love to receive any unwanted furniture and home accessories. We even offer a free collection service so making large household donations couldn't be easier, just get in touch with the shop if you would like to arrange one.

If you would rather give the gift of time, we are always in need of volunteers who can spare a couple of hours a week, so please get in touch if you are interested." The Cambourne team would like to encourage people if they are in the area to pop into the shop for a

browse through their wide range of products and to learn more about donating unwanted items to the BHF. For more information about BHF shops, please visit www.bhf.org.uk/shop

Christmas is Coming...

Light Up Cambourne is busy raising money for all the light decorations along Broad Street and High Street and Market Square. Started in 2013, Light Up Cambourne has each year held events to pay for the festive lighting, adding more and more lights each year.

The Switch On events have become bigger and better. In the past, we have had live music, magic tricks, snow machines, mulled wine and mince pies, and even a Santa in his grotto!

The Town Council provides lit-up trees in Great, Lower, and Upper Cambourne, but

a large part of the costs of the holiday lights elsewhere are paid for by money raised by Light Up Cambourne. To see our progress towards our goal of £7000 we have built the Light Up Cambourne Totaliser Tree.

The primary expense is hiring a cherry picker which the Town Council grounds team use to install the lights and extension cables and to install the sockets on lamp posts to power the lights.

Light Up Cambourne works around the year on fundraising. We have held a Quiz Night, Bingo Night, Car Boot sales, and in the past a Craft Fair and an Afternoon Tea. We will host another Bingo Night on

October 5 and an official Switch On for the lights on November 23, but before then, we will have a stall at the Cambourne Community Fete on September 14. Please come!

For more details, please watch for our posters, or follow us on Facebook <https://www.facebook.com/LightUpCambourne>. We can always use more volunteers. If you would like to join us or would just like to find out more information about us, email lightupcambourne@gmail.com.

So a chicken walks into a library and says, "book". So, the librarian hands him a a book. He takes it and goes merrily on his way. Then the next day the chicken comes in and says "book book", and the librarian hands him two books. Away he went. The third day, chicken says "book book book", and the librarian hands him three books. And so on until the fifth day, when the chicken says "book book book book book", the librarian hands him five books and follows him to see what he's doing with all these books. He goes through the woods to a lake. There is a frog sitting across the way that the chicken takes the books to. The librarian, confused but curious, continues to follow the chicken. The chicken approaches the frog, and slowly says "book book book book book", and places the five books into the frogs hands. The frog responds by tossing each book aside one by one, and saying "reddit reddit reddit reddit reddit"

CHURCHES

CAMBOURNE CHURCH

Cambourne Church is delighted to welcome Rev Bill Miller to the church as the new minister. Bill is officially inducted into this post on 28th September and comes to us from Maidstone, Kent. Bill is a Baptist minister. After a 2 year period without a minister, the church is extremely excited to work with Bill to continue to serve the community of Cambourne as it grows and develops. And you are invited to the...

Induction service for Rev'd Bill Miller.

This will be on Saturday the 28th of September at 7 pm. Refreshments served from 6:15pm at the Cambourne church, Jeavons lane, Cambourne, CB23 6AF.

Please RSVP by the 14th of September with numbers and any dietary or disabled parking requirements to the church administrators:

administrator@cambournechurch.org.uk - 01954 710644

Please note due to building work the church car park will be closed to all who have not prearranged access. As a result of a prior service, access to the church building will be from 6:15 pm

25 to Life

PEACEHAVEN BAPTIST CHURCH:

My wife and I this past month celebrated our 25th wedding anniversary. Now that is something that used to be extremely commonplace, but now is becoming rarer. And I taught about this at church. As society drifts into isolation and traditional bonds are often eroded it is important to understand that sometimes the old ways are the best ways. Marriage for the believer is a commitment. Not just a commitment to each other but in essence a commitment to God for faithfulness and fidelity. A solid marriage discourages a great deal of pitfalls that we face in life and creates a stable fabric for society. It was one of the first things that God gave to mankind. He made Adam and gave him a place to live in Eden, a job, to tend the garden. Then because it was not good

that man was alone he was given Eve as a wife, a companion. A commitment of equality and cooperation. Not just a well they will do for a while or as long as they buy me stuff or as long as they look like this or that. The twain shall become one flesh. The idea of ending such a union on frivolous desires should be as abhorrent as cutting off your own arm or leg. It is a unity and what God has put together let not man break asunder. It is not easy though. As we are all problem children, we are all flawed and broken. And there are times you simply will not like each other, but that does not mean you do not love them. Any parent can tell you it is perfectly possible to love someone but not like them for a time. So what is the key to a lasting marriage? There are many and each individual couple will need more or less dependent on their strengths and weaknesses. But a good marriage

mirrors in a way Christ's relationship with us. What do we need?

Love, A conscious decision of will to put the wellbeing of the other before yourself. Not just fluffy feelings or physical sparks but a deeper choice for the sake of another. Willing to endure hardships together. With that is needed forgiveness: when the other person fails or falls being there to pick them up.

Reconciliation, being able to bring back into a working relationship after mending the fractures. The same stuff God did for us. A love beyond words willing to suffer and die for our need, forgiving our sin and drawing us back to him. One other important factor in a stable relationship is communication. Letting the other person know how you feel and how much you appreciate them. Spoken words or written notes. God wrote us a book. But when was the last time you talked to Him?

25 to Life

PEACEHAVEN BAPTIST CHURCH:

My wife and I this past month celebrated our 25th wedding anniversary. Now that is something that used to be extremely commonplace, but now is becoming rarer. And I taught about this at church. As society drifts into isolation and traditional bonds are often eroded it is important to understand that sometimes the old ways are the best ways. Marriage for the believer is a commitment. Not just a commitment to each other but in essence a commitment to God for faithfulness and fidelity. A solid marriage discourages a great deal of pitfalls that we face in life and creates a stable fabric for society. It was one of the first things that God gave to mankind. He made Adam and gave him a place to live in Eden, a job, to tend the garden. Then because it was not good

that man was alone he was given Eve as a wife, a companion. A commitment of equality and cooperation. Not just a well they will do for a while or as long as they buy me stuff or as long as they look like this or that. The twain shall become one flesh. The idea of ending such a union on frivolous desires should be as abhorrent as cutting off your own arm or leg. It is a unity and what God has put together let not man break asunder. It is not easy though. As we are all problem children, we are all flawed and broken. And there are times you simply will not like each other, but that does not mean you do not love them. Any parent can tell you it is perfectly possible to love someone but not like them for a time. So what is the key to a lasting marriage? There are many and each individual couple will need more or less dependent on their strengths and weaknesses. But a good marriage

mirrors in a way Christ's relationship with us. What do we need?

Love, A conscious decision of will to put the wellbeing of the other before yourself. Not just fluffy feelings or physical sparks but a deeper choice for the sake of another. Willing to endure hardships together. With that is needed forgiveness: when the other person fails or falls being there to pick them up.

Reconciliation, being able to bring back into a working relationship after mending the fractures. The same stuff God did for us. A love beyond words willing to suffer and die for our need, forgiving our sin and drawing us back to him. One other important factor in a stable relationship is communication. Letting the other person know how you feel and how much you appreciate them. Spoken words or written notes. God wrote us a book. But when was the last time you talked to Him?

SPORT

New coach on the block.

CAMBOURNE TENNIS CLUB: Open Day. We had a great turn-out of kids and adults thus making our annual club open day a success. Thanks to radiant sunshine and our committee members who manned the barbeque, rewarding our intrepid visitors with some well deserved refreshments.

The emphasis of the event was fun and it was great to see a range of abilities getting involved and enjoying themselves, as well as a number of whom signed up for the next 12 months at least. Thanks to all who contributed to this memorable event and hope to see all of you on the courts very soon.

New Coach

We welcome Alastair Fish to the coaching team who along with Toby will run the group lessons and provide additional availability for individual lessons from 9th September. Alistair is a qualified USPTR / LTA Level 2 coach who will also be conducting some Tennis For Kids courses at the end of September, while maintaining our high standards of coaching as part of the team.

Autumn Camps

This term's Autumn Camp will be running from 9th September to 14th December (13 weeks). Prices start from £27 for half a term. Further information can be found at www.gamesettennis.co.uk or email our head coach Toby Jackson toby@gamesettennis.co.uk

Its a new season for the Raptors

CAMBOURNE RAPTORS BASKETBALL: Summer Hoops at the outdoor court proved really popular this year and we would

like to thank everyone who came along, all ages and abilities and braved thunder, lightning and the hottest day on record!

The Seniors held their first ever trials in August to encourage new players and were delighted with the response, with around twenty players on average eager to impress. In September we will focus on pre-season training for a fresh team ready to push for success in the cup and league. Open Scrimmage sessions for the more social players start again from 8th September 7-9 pm at CamVC. This is a great way for people new to the club to get involved. No drills or coaching, just turn up and play.

Junior sessions will start on Monday 23rd September at CamVC. U9s will be at the new time of 6-7 pm, U13s 5:30-7 pm and U18s 7-8:30 pm. The ambition for the new season is to join a league or the Harlow/Peterborough tournaments.

More information on Senior team training, open scrimmage and Junior sessions will be made available on our website and Facebook page. www.cambournebasketball.org

CAMBOURNE BOWLS CLUB The bowls season comes to an end on Monday 16th September and begins again in April 2020, details in due course. It is pleasing to report that there has been an renewed interest in bowls locally but we are keen to attract more in order to sustain the club's future and participation in more leagues. We competed in 16 matches in the Cambridge Business Houses League and at the time of publishing the final league table we will finish close to the bottom.

Details about next season's activities will be published in the April 2020 Crier and directly to all bowlers on our Email list. Robin Bailey 01954 269328 or robin.doreen@btopenworld.com

Players Wanted!

CAMBOURNE NETBALL CLUB : Needs you. Whether you are seeking competitive netball or just a social game, Cambourne Netball Club has a pathway to suit you! We are seeking players for our 4 senior ladies teams for the 2019/2020 season, and would be keen to hear from any ex-players; even if you are looking to regain some fitness after investing in a family. We have ladies from 16 - 50 somethings and everything in between! Training is on Thursday evenings at the Everyone Active Sports Centre outdoor courts.

As a progressive club, we also have a wealth of experience

supporting 16-19 yr olds (and more mature players!) in the next phase of their netball, including umpiring and coaching pathways.

Sunday 6th October,
join us for the 2019
Willow 10k!

Back again for its 11th year in the beautiful grounds of Hatfield house, and this time with our new sustainable wooden medals! The course is ideal for all levels of runner, whether you're taking on your first 10k or chasing the elusive PB.

Why not make a day of it with the whole family? Our junior 1k dash is perfect for our younger runners and with delicious food and drink available from Gingers Gourmet Grill, face painting and games there really is something for everyone in our event village. The Willow 10k is sure to once again be a fantastic day helping raise much needed funds to provide Special Days for seriously ill young adults.

We look forward to seeing you there!
